WEST VIRGINIA CODE: §22-33-7

§22-33-7. Jurisdiction of the secretary; powers and duties; geothermal resources regulatory program.

- (a) The secretary is vested with jurisdiction over all aspects of this article and has the exclusive authority to perform all acts necessary to implement this article.
- (b) The secretary shall develop a regulatory program for the exploration, development, and production of geothermal resources in this state. The regulatory program promulgated by the secretary shall include, but not be limited to, the following:
- (1) Application for a permit on a form prescribed by the secretary and containing any information the secretary considers is necessary to issue a decision on the permit application;
- (2) A procedure for reviewing a permit application and issuance of decision to grant or deny a permit;
- (3) A procedure allowing the public to comment on a permit application prior to issuance of a decision by the secretary;
- (4) A permit term not to exceed five years;
- (5) A procedure to renew or modify permits on forms prescribed by the secretary and containing any information the secretary considers is necessary to issue a decision on the renewal or modification;
- (6) Fees for permit applications and for permit renewals and modifications;
- (7) A procedure to suspend or revoke permits;
- (8) Standards for developing, drilling, plugging, and reclaiming well sites;
- (9) Guidelines for the safe disposal of spent geothermal fluids and other unusable or contaminated fluids generated in the production of geothermal resources;
- (10) Standards to ensure protection of all water resources of this state; and
- (11) Inspections and investigations to ensure compliance with any provision in this article or rule or permit or order issued by the secretary.
