
WEST VIRGINIA CODE CHAPTER 23
ARTICLE 2C

WV Legislature

§23-2C-1. Findings and purpose.

(a) The Legislature finds that:

- (1) There is a long-term actuarial funding crisis in the state-run monopolistic workers' compensation system;
 - (2) Similar short-term and long-term crises have been ongoing during the past two decades;
 - (3) During the current crisis, employers in West Virginia find it increasingly difficult to afford the rates charged by the Workers' Compensation Commission for workers' compensation coverage and that paying said rates adversely impacts employers' ability to compete in a global economic environment;
 - (4) The cost of obtaining workers' compensation coverage from the state system may result in many employers leaving the state;
 - (5) Employers' access to competitive workers' compensation rates and the resulting economic development benefit is of utmost importance to the citizens of West Virginia;
 - (6) A mechanism is needed to provide an enduring solution to this recurring workers' compensation crisis;
 - (7) An employers' mutual insurance company or a similar entity has proven to be a successful mechanism in other states for helping employers secure insurance and for stabilizing the insurance market;
 - (8) There is a substantial public interest in creating a method to provide a stable workers' compensation insurance market in this state;
 - (9) The state-run workers' compensation program is a substantial actual and potential liability to the state;
 - (10) There is substantial public benefit in transferring certain actual and potential future liability of the state to the private sector and creating a stable self-sufficient entity which will be a potential source of workers' compensation coverage for employers in this state;
 - (11) A stable, financially viable insurer in the private sector will aid in providing a continuing source of insurance funds to compensate injured workers; and
 - (12) Because the public will greatly benefit from the formation of an employers' mutual insurance company, state efforts to encourage and support the formation of such an entity, including providing funding for the entity's initial capital, is in the clear public interest.
- (b) The purpose of this article is to create a mechanism for the formation of an employers' mutual insurance company that will provide:

(1) A means for employers to obtain workers' compensation insurance that is reasonably available and affordable; and

(2) Compensation to employees of mutual policyholders who suffer work place injuries as defined in this chapter.

(c) The employers' mutual insurance company contemplated and created as the successor to the former Workers' Compensation Commission in this article began operation on January 1, 2006. The state opened to a private, competitive market for workers' compensation insurance on July 1, 2008. This section remains in this code for historical purposes.

§23-2C-3. Private carriers not subject to certain premium taxes, surcharges, and credits; regulatory surcharge imposed on private carriers and self-insured employers.

Private carriers including the company, are not subject to payment of insurance premium taxes, surcharges, and credits contained in §33-3-1 et seq. of this code on premiums received for workers' compensation insurance coverage under this chapter. In lieu thereof, the workers' compensation insurance market is subject to the following:

(1)(A) With respect to fiscal years beginning on and after July 1, 2008, each private carrier shall collect a surcharge in the amount of five and five-tenths percent of the premium collected plus the total of all premium discounts based on deductible provisions that were applied: *Provided*, That prior to June 30, 2013, and every five years thereafter, the Insurance Commissioner shall review the percentage surcharge and determine a new percentage as he or she deems necessary; and

(2) Each fiscal year, the Insurance Commissioner shall calculate a percentage surcharge to be remitted on a quarterly basis by self-insured employers and said percentage shall be calculated by dividing the previous year's self-insured payroll in the state into the portion of the Insurance Commissioner's budget amount attributable to regulation of the self-insured employer market. This resulting percentage shall be applied to each self-insured employer's payroll and the resulting amount shall be remitted as a regulatory surcharge by each self-insured employer. The Industrial Council may promulgate a rule for implementation of this section. All private carriers and self-insured employers shall furnish the Insurance Commissioner with all required information and cooperate in all respects necessary for the Insurance Commissioner to perform the duties set forth in this section and in other provisions of this chapter and Chapter 33 of this code. The surcharge shall be calculated so as to only defray the costs associated with the administration of this chapter and the funds raised shall not be used for any other purpose.

The chairperson shall determine the date and time of each meeting. Three members of the council constitute a quorum for the conduct of the business of the council. No vacancy in the membership of the council shall impair the right of a quorum to exercise all the rights and perform all the duties of the council. (1) In consultation with the Insurance Commissioner, establish operating guidelines and policies designed to ensure the effective administration of the workers' compensation insurance market in West Virginia.

(6) Perform all other duties as specifically provided in this chapter for the industrial council and those duties incidental thereto.

(7) Establish a method of indexing claims of injured workers that will make information concerning the injured workers of one insurer available to other insurers.

(A) Every insurer shall provide information, as required by the industrial council, for establishing and maintaining the claims index.

(B) If an employee files a claim with an insurer, the insurer is entitled to receive from the administrator a list of the prior claims of the employee. If the insurer desires to inspect the files related to the prior claims, he or she must obtain the written consent of the employee or the Insurance Commissioner or his or her designee. The use of the information contained in the files is limited to the administration of the claim.

§23-2C-6. Continuation of old fund, uninsured employer fund, self-insured employer guaranty risk pool, and self-insured employer security risk pool.

There is hereby continued in the State Treasury a “Workers’ Compensation Old Fund”, “Workers’ Compensation Uninsured Employers’ Fund”, “Self-insured Employer Guaranty Risk Pool”, and “Self-insured Employer Security Risk Pool”. The Insurance Commissioner shall have full authority to administer the Old Fund, the Uninsured Employers’ Fund, the Self-Insured Employer Guaranty Risk Pool, and the Self-Insured Employer Security Risk Pool.

§23-2C-7. Custody, investment and disbursement of funds.

The State Treasurer shall be the custodian of the Old Fund, the Uninsured Employer Fund, the Self-Insured Employer Guaranty Risk Pool, and the Self-Insured Employer Security Risk Pool, and moneys payable to each of these funds shall be deposited in the State Treasury to the credit of the funds. Each fund shall be a separate and distinct fund upon the books and records of the Auditor and Treasurer. Disbursements from these funds shall be made upon requisitions signed by the Insurance Commissioner. The Old Fund, the Uninsured Employer Fund, the Self-Insured Employer Guaranty Risk Pool, and the Self-Insured Employer Security Risk Pool are participant plans as defined in §12-6-2 of this code and are subject to the provisions of §12-6-9a of this code. The funds may be invested by the Investment Management Board in accordance with §12-6-1 *et seq.* of this code.

§23-2C-8. Workers' Compensation Uninsured Employer Fund.

(a) The Workers' Compensation Uninsured Employer Fund shall be governed by the following:

(1) All money and securities in the fund must be held by the State Treasurer as custodian thereof to be used solely as provided in this article.

(2) The State Treasurer may disburse money from the fund only upon written requisition of the Insurance Commissioner.

(3) *Assessments.* — The Insurance Commissioner shall assess each private carrier and may assess self-insured employers an amount to be deposited in the fund. The assessment may be collected by each private carrier from its policyholders in the form of a policy surcharge. To establish the amount of the assessment, the Insurance Commissioner shall determine the amount of money necessary to maintain an appropriate balance in the fund for each fiscal year and shall allocate a portion of that amount to be payable by each of the groups subject to the assessment. After allocating the amounts payable by each group, the Insurance Commissioner shall apply an assessment rate to:

(A) Private carriers that reflects the relative hazard of the employments covered by the private carriers, results in an equitable distribution of costs among the private carriers and is based upon expected annual premiums to be received;

(B) Self-insured employers, if assessed, that results in an equitable distribution of costs among the self-insured employers and is based upon expected annual expenditures for claims; and

(C) Any other groups assessed that results in an equitable distribution of costs among them and is based upon expected annual expenditures for claims or premium to be received.

(4) The Industrial Council may adopt rules for the establishment and administration of the assessment methodologies, rates, payments, and any penalties that it determines are necessary to carry out the provisions of this section.

(b) *Payments from the fund.* —

(1) Except as otherwise provided in this subsection, an injured employee of any employer required to be covered under this chapter who has failed to obtain coverage may receive compensation from the Uninsured Employer Fund if such employee meets all jurisdictional and entitlement provisions of this chapter, files a claim with the Insurance Commissioner and makes an irrevocable assignment to the Insurance Commissioner of a right to be subrogated to the rights of the injured employee.

(2) Employees who are injured while employed by a self-insured employer are ineligible for benefits from the Workers' Compensation Uninsured Employer Fund.

(c) *Initial determination upon receipt of a claim.* —

If a claim is filed against the Uninsured Employer Fund, the Insurance Commissioner or his or her third-party administrator shall: (1) Accept the claim into the fund if it is determined that the employer was required to maintain workers' compensation coverage with respect to the injured worker but failed to do so; (2) reject the claim if it is determined that the employer maintained such coverage or was not required to do so; or (3) in a claim involving the availability of benefits pursuant to §23-2-1d of this code, either reject or conditionally accept the claim. An aggrieved party may file a protest with the Office of Judges, or Board of Review upon the termination of the Office of Judges, to any decision by the Insurance Commissioner or the third-party administrator to accept or reject a claim into the fund, as well as to any claims decisions made with respect to any claim accepted into the fund and such protests shall be determined in the same manner as disputed claims are determined pursuant to the provisions of §23-5-1 et seq. of this code: *Provided*, That in any proceeding involving the decision to accept or refuse to accept a claim into the fund, the employer has the burden of proving that it either provided mandatory workers' compensation insurance coverage or that it was not required to do so.

(d) *Employer liability.* —

(1) Any employer who has failed to provide mandatory coverage required by the provisions of this chapter is liable for all payments made and to be made on its behalf, including any benefits, administrative costs and attorney's fees paid from the fund or incurred by the Insurance Commissioner, plus interest calculated in accordance with the provisions of §23-2-13 of this code.

(2) The Insurance Commissioner:

(A) May bring a civil action in a court of competent jurisdiction to recover from the employer the amounts set forth in §23-2C-8(d)(1) of this code. In any such action, the Insurance Commissioner may also recover the present value of the estimated future payments to be made on the employer's behalf and administrative costs and attorney's fees attributable to such claim: *Provided*, That the failure of the Insurance Commissioner to include a claim for future payments shall not preclude one or more subsequent actions for such amounts;

(B) May enter into a contract with any person, including the third-party administrator of the Uninsured Employer Fund, to assist in the collection of any liability of an uninsured employer; and

(C) In lieu of a civil action, may enter into an agreement or settlement regarding the collection of any liability of an uninsured employer.

(3) In addition to any other liabilities provided in this section, the Insurance Commissioner may impose an administrative penalty of not more than \$10,000 against an employer if the employer fails to provide mandatory coverage required by this chapter. All penalties and

other moneys collected pursuant to this section shall be deposited into the Uninsured Employer Fund.

§23-2C-10. West Virginia adverse risk assignment.

(a) The Insurance Commissioner shall provide for the development and administration of an assigned risk plan to provide workers' compensation insurance coverage to employers who are unable to procure coverage in the voluntary market.

(b) To qualify for coverage under the plan, an employer must have been categorically declined coverage by at least two insurers that are not affiliated with each other. The employer has the burden of establishing that at least two unaffiliated insurers are unwilling to provide coverage at any premium level that is reasonably related to the risk presented by the employer. The assigned risk plan may also provide for other reasonable qualifications and for the termination of coverage under the plan for specified reasons.

(c) Any employer that satisfies the requirements of subsection (b) of this section and other qualifications established in the plan shall be provided coverage at a premium level to be determined or approved by the Insurance Commissioner, which premiums shall be actuarially sound, consistent with classification and rate-making methodologies found in the insurance industry, and calculated to enable the plan to be self-sustaining and, to the greatest extent possible, able to operate without subsidies from employers and insurers in the voluntary market. Rates may not be excessive, inadequate or unfairly discriminatory.

(d) The Insurance Commissioner may designate any third party, including any private carrier or rating organization with substantial experience in developing and administering similar programs in other states, to develop and administer the assigned risk plan for a period of three years, and thereafter, shall contract with any qualified party, including the then current administrator, to continue the administration of the assigned risk plan: Provided, That the Insurance Commissioner must approve the plan prior to the plan becoming operative. The plan established pursuant to this section shall require that all private carriers participate as a condition of their authority to transact business in this state.

(e) In the event the plan incurs a deficit in one or more policy years, the Insurance Commissioner may assess all private carriers providing workers' compensation insurance in voluntary market funds as are necessary to cover the deficits. The assessments shall result in an equitable distribution of costs among private carriers based upon premiums received by the private carriers in the private market. Assessments made upon the policies of each private carrier pursuant to this section may be collected by each carrier in the form of a surcharge.

The Department of Personnel shall maintain such an employee on the reemployment list indefinitely, or until the employee has declined three offers of employment at a paygrade substantially similar to that of his or her position upon termination of the former Workers' Compensation Commission, or until he or she is reemployed by the executive branch of state government, whichever occurs earlier.

§23-2C-15. Mandatory coverage; changing of coverage.

- (a) An employer may elect to purchase workers' compensation insurance from another a private carrier licensed and otherwise authorized to transact workers' compensation insurance in this state or (3) self-insure its obligations if it satisfies all requirements of this code to so self-insure and is permitted to do so. Private carriers are permitted to sell workers' compensation insurance through licensed agents in the state. To the extent that a private carrier markets workers' compensation insurance through a licensed agent, it is subject to all applicable provisions of Chapter 33 of this code.
- (b) Every employer shall continuously post a notice upon its premises in a conspicuous place identifying its workers' compensation insurer. The notice must include the name, business address, and telephone number of the insurer and of the person to contact with questions about a claim.
- (c) Any rule promulgated by the Industrial Council empowering agencies of this state to revoke or refuse to grant, issue, or renew any contract, license, permit, certificate, or other authority to conduct a trade, profession, or business to or with any employer whose account is in default with regard to any liability under this chapter shall be fully enforceable by the Insurance Commissioner against the employer.
- (d) Private carriers may cancel a policy upon the issuance of 30 days' written advance notice to the policyholder and may refuse to renew a policy upon the issuance of 60 days' written advance notice to the policyholder: *Provided*, That cancellation of the policy by the carrier for failure of consideration to be paid by the policyholder or for refusal to comply with a premium audit is effective after 10 days' advance written notice of cancellation to the policyholder.
- (e) Every private carrier shall notify the Insurance Commissioner as follows: (1) Of the issuance or renewal of insurance coverage, within 30 days of: (A) The effective date of coverage; or (B) the private carrier's receipt of notice of the employer's operations in this state, whichever is later; (2) of a termination of coverage by the private carrier due to refusal to renew or cancellation, at least 10 days prior to the effective date of the termination; and (3) of a termination of coverage by an employer, within 10 days of the private carrier's receipt of the employer's request for such termination; the notifications shall be on forms developed or in a manner prescribed by the Insurance Commissioner.
- (f) For the purposes of §23-2C-15(d) and (e) of this code, the transfer of a policyholder between insurance companies within the same group is not considered a cancellation or refusal to renew a workers' compensation insurance policy.

§23-2C-16. Administration of Old Fund, Uninsured Employer Fund, Self-Insured Employer Guaranty Risk Pool, Self-Insured Employer Security Risk Pool, and Private Carrier Guaranty Fund.

(a) The Insurance Commissioner shall review claims determined to be payable from the Old Fund, Uninsured Employer Fund, Self-Insured Employer Guaranty Risk Pool, Self-Insured Employer Security Risk Pool, and Private Carrier Guaranty Fund and may contest the determination pursuant to the provisions of §23-5-1 *et seq.* of this code. The Insurance Commissioner may retain a third-party administrator for said funds. The administrative duties may include, receipt of all claims, processing said claims, providing for the payment of said claims through the State Treasurer's office or other applicable state agency, and ensuring, through the selection and assignment of counsel, that claims decisions are properly defended.

(b) The Insurance Commissioner may conduct or cause to be conducted an annual audit to be performed on said funds.

(c) The Insurance Commissioner may contract or employ counsel to perform legal services related solely to the collection of moneys due the Old Fund, including the collection of moneys due the Old Fund and enforcement of repayment agreements entered into for the collection of moneys due on or before June 30, 2005, in any administrative proceeding and in any state or federal court.

(d) During the fiscal years beginning July 1, 2019, July 1, 2020, July 1, 2021, July 1, 2022, and July 1, 2023, the Insurance Commissioner may, in his or her discretion, transfer special revenue moneys contained in the Insurance Commission Fund to the Old Fund in any fiscal year in which the Insurance Commissioner has determined, and an independent Auditor has attested thereto, that a deficit balance existed in the Old Fund for the prior fiscal year.

§23-2C-17. Administration of a competitive system.

(a) Every policy of insurance issued by a private carrier:

(1) Shall be in writing;

(2) Shall contain the insuring agreements and exclusions; and

(3) If it contains a provision inconsistent with this chapter, it shall be deemed to be reformed to conform with this chapter.

(b) The Industrial Council shall promulgate a rule which prescribes the requirements of a basic policy to be used by private carriers.

(c) A private carrier or self-insured employer may enter into a contract to have its plan of insurance administered by a third-party administrator if the administrator is licensed with the Insurance Commissioner in accordance with article forty-six, chapter thirty-three of this code. Notwithstanding any other provision of this code to the contrary, any third-party administrator who, directly or indirectly, underwrites or collects charges or premiums from, or adjusts or settles claims on residents of this state, in connection with workers' compensation coverage offered or provided by a private carrier or self-insured employer, is subject to the provisions of article forty-six, chapter thirty-three of this code to the same extent as those persons included in the definition set forth in subsection (a), section two of said article. The Insurance Commissioner shall propose rules, as provided in section five, article two-c of this chapter, to regulate the use of third-party administrators by private carriers and self-insured employers, including rules setting forth mandatory provisions for agreements between third-party administrators and self-insured employers or private carriers.

(d) A self-insured employer or a private carrier may:

(1) Enter into a contract or contracts with one or more organizations for managed care to provide comprehensive medical and health care services to employees for injuries and diseases that are compensable pursuant to this chapter. The managed care plan must be approved pursuant to the provisions of section three, article four of this chapter.

(2) Require employees to obtain medical and health care services for their industrial injuries from those organizations and persons with whom the self-insured employer or private carrier has contracted or as the self-insured employer or private carrier otherwise prescribes.

(3) Except for emergency care, require employees to obtain the approval of the self-insured employer or private carrier before obtaining medical and health care services for their industrial injuries from a provider of health care who has not been previously approved by the self-insured employer or private carrier.

(e) A private carrier or self-insured employer may inquire about and request medical records

of an injured employee that concern a preexisting medical condition that is reasonably related to the industrial injury of that injured employee.

(f) An injured employee must sign all medical releases necessary for his or her self-insured employer or his or her employer's private carrier to obtain information and records about a preexisting medical condition that is reasonably related to the industrial injury of the employee and that will assist the insurer to determine the nature and amount of workers' compensation to which the employee is entitled.

§23-2C-18. Ratemaking; Insurance Commissioner.

(a)(1) Rates for workers' compensation insurance are subject to the provisions of this section, §23-2C-18a of this code, and §33-20-1 *et seq.* of this code.

(2) In the event of any conflict, the provisions of this article shall have paramount effect, but the provisions in this chapter and Chapter 33 of this code shall be construed as complementary and harmonious unless so clearly in conflict that they cannot reasonably be reconciled.

(b) An insurer shall file its rates by filing a multiplier or multipliers to be applied to prospective loss costs that have been filed by the designated advisory organization on behalf of the insurer in accordance with §23-2C-18a of this code and may also file carrier specific rating plans.

(c) Rates must not be excessive, inadequate, or unfairly discriminatory, nor may an insurer charge any rate which if continued will have or tend to have the effect of destroying competition or creating a monopoly.

(d) The Insurance Commissioner may disapprove rates if there is not a reasonable degree of price competition at the consumer level with respect to the class of business to which they apply. In determining whether a reasonable degree of price competition exists, the Insurance Commissioner shall consider all relevant tests, including:

(1) The number of insurers actively engaged in the class of business and their shares of the market;

(2) The existence of differentials in rates in that class of business;

(3) Whether long-run profitability for private carriers generally of the class of business is unreasonably high in relation to its risk;

(4) Consumers' knowledge in regard to the market in question; and

(5) Whether price competition is a result of the market or is artificial. If competition does not exist, rates are excessive if they are likely to produce a long-run profit that is unreasonably high in relation to the risk of the class of business, or if expenses are unreasonably high in relation to the services rendered.

(e) Rates are inadequate if they are clearly insufficient, together with the income from investments attributable to them, to sustain projected losses and expenses in the class of business to which they apply.

(f) One rate is unfairly discriminatory in relation to another in the same class if it clearly fails to reflect equitably the differences in expected losses and expenses. Rates are not unfairly discriminatory because different premiums result for policyholders with similar exposure to

loss but different expense factors, or similar expense factors but different exposure to loss, so long as the rates reflect the differences with reasonable accuracy. Rates are not unfairly discriminatory if they are averaged broadly among persons insured under a group, franchise, or blanket policy.
