(b) It is in the public interest to assure apartment residents and other tenants of leased residential dwellings access to cable television service of a quality and cost comparable to service available to residents living in personally owned dwellings.

(c) It is in the public interest to afford apartment residents and other tenants of leased residential dwellings the opportunity to obtain cable television service of their choice and to prevent landlords from treating such residents and tenants as a captive market for the sale of television reception services selected or provided by the landlord.
