(2) That a resident's work or participation in a PIE certification program shall be only on a voluntary basis and only after the resident has been informed of the conditions of participation;

(3) That, in the discretion of the director or the director's designee, any resident may be removed from or refused participation in the PIE certification program;

(4) That the agreement will not result in the displacement of civilian workers; and

(5) That the private person or entity shall provide for workers' compensation insurance, or equivalent coverage, to residents participating in the PIE certification program: Provided, That, the director of the division of juvenile services may provide workers compensation or equivalent insurance coverage for persons participating in the PIE certification program, if reimbursement is made to the division by the private person or entity for all costs of the workers' compensation insurance or equivalent coverage, as a condition of the agreement.

(c) A commercial or agricultural enterprise established under this chapter is a private enterprise subject to federal and state laws governing the operation of similar enterprises.

(d) The earnings of a resident participating in a PIE certification program under this article shall be deposited in the Resident Trust Account with the Division of Juvenile Services. The earnings shall be paid to the resident after withholding of state, federal and local taxes, and after other deductions provided for in this chapter. and board, and other incidentals as established by agreement between the Division of Juvenile Services and the appropriate authority, shall be deducted: Provided, That the director shall adopt policies and procedures for the additional deduction from a resident's earnings of not less than five percent nor more than twenty percent, to be paid into the Crime Victims Compensation Fund created by article two-a, chapter fourteen of this code. Total deductions shall not exceed eighty percent of the resident's gross earnings. Earnings deposited by the director, with accrued interest, shall be paid to the resident no later than at the resident's discharge or release on parole.

(e) Spousal support or child support shall be deducted from a resident's earnings as directed by the resident or by court order. If the resident's dependents are receiving Temporary Assistance for Needy Families (TANF), the disbursements shall be made to the Bureau for Child Support Enforcement or any other state's public assistance agency.
