WEST VIRGINIA CODE: §27-2-6

§27-2-6. Moneys received by state hospitals and facilities.

All moneys and funds belonging to the state which shall come into the possession or under the control of the superintendent or other officer of a state hospital or facility under the control of the department of health shall be paid to the director or his designee twice a month, on or before the first and fifteenth of every month, but not more than twenty days from the time such moneys or funds were received under such rules and regulations as the director shall prescribe. The director or his designee shall pay such moneys and funds into the State Treasury immediately in the manner provided in article two, chapter twelve of this code.
