

## WEST VIRGINIA CODE: §27-6A-8

### §27-6A-8. Credit for time; expenses.

- (a) If a person is convicted of a crime, any time spent in involuntary confinement in a mental health facility or state hospital as a result of being charged with the crime shall be credited to the sentence.
- (b) All inpatient care and treatment shall be paid by the department.
- (c) All competency restoration services not covered by other government, third-party funding sources, or other grant agreements shall be paid by the department.
