

WEST VIRGINIA CODE: §29-1-8d

§29-1-8d. National Coal Heritage Area Commission.

(a)(1) The National Coal Heritage Area originally was a partnership project of the National Park Service and the State of West Virginia as represented by the Division of Tourism and the Division of Culture and History. In January 1999, the Governor of West Virginia appointed 28 experts from the state and the region to the National Coal Heritage Area Steering Committee to provide guidance in the development of the National Coal Heritage Area, and in 2002 the West Virginia Legislature created the National Coal Heritage Area Authority, a state agency with an independent board, to serve as the management entity for the National Coal Heritage Area.

(2) The West Virginia Legislature finds that there continues to be a significant need for a public body to promote and enhance historic preservation, tourism, and economic development activities that relate to the state's history as a coal-producing state within the counties of Boone, Cabell, Fayette, Lincoln, Logan, Kanawha, Marion, McDowell, Mercer, Mingo, Raleigh, Summers, Wayne, and Wyoming.
