

WEST VIRGINIA CODE: §29-1F-1

§29-1F-1. Wheeling Creek Watershed protection and flood prevention district compact approved.

The following Wheeling Creek Watershed protection and flood prevention district compact, which has been negotiated by representatives of the commonwealth of Pennsylvania and the State of West Virginia, is hereby approved, ratified, adopted, enacted into law and entered into by the State of West Virginia as a party thereto and signatory state, namely:

WHEELING CREEK WATERSHED PROTECTION AND FLOOD PREVENTION DISTRICT COMPACT

Article I. Recitation of Reasons for Compact.

WHEREAS, Wheeling Creek, a tributary of the Ohio River, arises in Pennsylvania, flows through Washington and Greene Counties of that commonwealth, enters the State of West Virginia, flows through Marshall and Ohio Counties, West Virginia, and empties into the Ohio River at Wheeling, West Virginia; and

WHEREAS, The inhabitants of Marshall and Ohio Counties, West Virginia, and, also, but to a much lesser degree, the inhabitants of Washington and Greene Counties, Pennsylvania, living along Wheeling Creek have over the years experienced loss of life and property from flooding of that stream; and

WHEREAS, Surveys made by the soil conservation service of the United States Department of Agriculture indicate that the inhabitants of the four counties named can best be protected from the flooding of Wheeling Creek by flood prevention dams constructed thereon with some of the dams being located on the upper reaches of the stream and its tributaries in the commonwealth of Pennsylvania; and

WHEREAS, The federal Watershed Protection and Flood Prevention Act of 1954, as amended, authorizes, under certain circumstances, federal assistance to local organizations in preparing and carrying out undertakings for flood prevention and the conservation, development, utilization and disposal of water in watershed or subwatershed area; and

WHEREAS, No local organization within the meaning of the federal act aforesaid, established by or organized under the laws of West Virginia, is competent under state laws, to acquire land for, construct, and operate, with or without federal assistance, flood prevention facilities in the commonwealth of Pennsylvania, and it appears that no such local organization established by or organized under the laws of the commonwealth of Pennsylvania can justify the expenditure of locally raised funds to construct and operate flood prevention facilities which will benefit primarily the inhabitants of the neighboring

state of West Virginia; and

WHEREAS, Facilities erected on the upper reaches of Wheeling Creek and its tributaries for flood control and prevention can nevertheless have a recreational value for the citizens of both West Virginia and Pennsylvania and particularly the citizens of Ohio and Marshall Counties, West Virginia, and Washington and Greene Counties, Pennsylvania; accordingly, for purposes of promoting that potential, as well as providing a vehicle or means whereby federal assistance may be enlisted for the protection of citizens of her neighboring state of West Virginia from the flooding of Wheeling Creek, the commonwealth of Pennsylvania joins with the State of West Virginia in negotiating and ratifying this compact; now therefore,

Article II. Wheeling Creek Watershed Protection and

Flood Prevention District Created.

Such record shall be kept for a period of five years and may thereafter be destroyed.

The commission may insert in a deed or conveyance, whether it involves an exchange, lease or sale, such conditions as are in the public interest.

All moneys received from the exchange, sale or lease of real or personal property, or any right or interest therein, shall be paid into the commission's treasury and used for the purpose for which the commission was created.

If the commission has heretofore sold and conveyed away or leased any such property, such transaction and the documents of lease or transfer therefor are hereby approved and confirmed and shall be as effective as if the authority to lease or convey the said property had been given in this statute as originally enacted.
