

WEST VIRGINIA CODE: §29-22A-10E

§29-22A-10e. Changes in distribution of excess net terminal income; distributions from excess lottery fund.

(a) Notwithstanding any provision of subsection (a), section ten-b of this article to the contrary, for the fiscal year beginning July 1, 2014, and each fiscal year thereafter, each distribution, except those distributions to be made pursuant to subdivisions (1), (2), (3), (4), (5) and (7), subsection (a), section ten-b of this article, shall be reduced by one hundred percent. Payments shall not be made pursuant to section ten-b of this article, other than those excepted by this subsection, and are made in lieu thereof in an amount to be determined by appropriation from the State Excess Lottery Revenue Fund.

(b) The total amount of reductions resulting from subsection (a) of this section shall be paid into the State Excess Lottery Revenue Fund created in section eighteen-a, article twenty-two of this chapter. For the fiscal year beginning July 1, 2014, and each fiscal year thereafter, distributions to be made pursuant to subdivisions (2) and (5), subsection (a), section ten-b of this article shall be reduced by ten percent, and the amounts resulting from the reduction shall be paid into the State Excess Lottery Revenue Fund.

(c) Notwithstanding any other provision of this code to the contrary, for the fiscal year beginning July 1, 2014, and each fiscal year thereafter, moneys deposited to the State Excess Lottery Revenue Fund pursuant to this section shall be expended by the Lottery in accordance with appropriations.

(d) Prior to payment of any appropriation made pursuant to this section, debt service payments payable from the State Excess Lottery Fund shall first be paid in accordance with the provisions of sections eighteen-a, eighteen-d, and eighteen-e, article twenty-two of this chapter and in the priority as defined by subsection (c), section eighteen-f, article twenty-two of this chapter.

(e) Notwithstanding any other provision of this code to the contrary, after payment of debt service from the State Excess Lottery Revenue Fund, all other distributions required by section eighteen-a, article twenty-two of this chapter and the distributions appropriated pursuant to this section shall be paid on a pro rata basis.

(f)(1) Except as provided in subdivision (2) of this subsection, notwithstanding the provisions of paragraph (B), subdivision (9), subsection (a), section ten-b of this article, upon certification of the Governor to the Legislature that an independent actuary has determined that the unfunded liability of the Old Fund, as defined in chapter twenty-three of this code, has been paid or provided for in its entirety, the transfers made to the Workers' Compensation Debt Reduction Fund pursuant to paragraph (A), subdivision (9), subsection (a), section ten-b of this article shall expire and those funds shall remain in the State Excess Lottery Revenue Fund subject to appropriation.

(2)(A) Notwithstanding any provision of subdivision (1) of this subsection or any provision of paragraph (B), subdivision (9), subsection (a), section ten-b of this article or any other provision of this code to the contrary, if the budget shortfall, as determined by the state Budget Office as of December 1, 2015, is greater than \$100 million, then the Governor may, by Executive Order, redirect deposits of revenues derived from net terminal income imposed under this article, for any period commencing after February 29, 2016 and ending before July 1, 2016, to the General Revenue Fund, instead of to the funds otherwise mandated in this article, in article two-d, chapter twenty-three of this code or in any other provision of this code.

(B) Notwithstanding any provision of subdivision (1) of this subsection or any provision of paragraph (B), subdivision (9), subsection (a), section ten-b of this article or any other provision of this code to the contrary, the Governor may, by Executive Order, redirect one-half of the deposits of revenues derived from net terminal income imposed under this article, for any period commencing after June 30, 2016, and ending before July 1, 2017, to the General Revenue Fund, instead of to the funds otherwise mandated in this article, in article two-d, chapter twenty-three of this code or in any other provision of this code, until certification of the Governor to the Legislature that an independent actuary has determined that the unfunded liability of the Old Fund, as defined in chapter twenty three of this code, has been paid or provided for in its entirety.
