WEST VIRGINIA CODE: §29-22B-1111

§29-22B-1111. Reduction of video lottery terminals authorized in a retailer's license.

If after a limited video lottery license is issued or a permit is issued, a retailer surrenders the license, in whole or in part, or the license is modified, revoked or canceled by operation of law, the Lottery Commission shall then allocate authorizations to operate those video lottery terminals through the bid process described in section 1107 of this part 11, subject to the limitations and requirements of this article.
