WEST VIRGINIA CODE: §29-22B-1304

§29-22B-1304. Repairs to logic board or circuitry.

(a) No repairs to, or replacement of, the logic board or circuitry within the logic area shall occur unless authorized commission personnel are present and observe the repairs or replacement.

(b) The logic area seal shall not be broken by anyone other than authorized commission personnel.

(c) Each service technician shall submit a written report to the commission within twenty-four hours after the repairs or replacement are completed and the report shall include the serial number of any replacement board and the new logic area seal number.

(d) The commission shall test the software EPROMS on the logic board of each video lottery terminal prior to sealing the logic area.

(e) License holders shall promptly notify the commission in writing of any discovered damage, tears or breaks in the logic area seal. This written notification shall be delivered electronically or by telephone facsimile machine whenever possible. Upon receipt of that notice, the commission shall disable the video lottery terminal. The video lottery terminal shall remain disabled until completion by the commission of an investigation of the seal damage.
