(2) The licensing, control and regulation of limited video lottery by the state does not create (A) any property right in a license issued pursuant to this article, (B) any right to transfer or encumber a license, (C) any vested right in a license, or (D) the accrual of any value to the privilege of participation in any limited video lottery activity; and

(3) That the privilege of participation in limited video lottery operations is conditioned upon (A) the proper and continuing individual qualification of an applicant or licensee, and (B) the discharge of the affirmative responsibility of each licensee to provide the regulatory and investigatory authorities with any assistance and information necessary to assure that the policies declared by this article are achieved.
