WEST VIRGINIA CODE: §29-22B-330

§29-22B-330. Video lottery defined.

"Video lottery" means a lottery that allows a game to be played utilizing an electronic computer and an interactive terminal device, equipped with a video screen and keys, a keyboard or other equipment allowing input by an individual player, into which the player inserts coins or currency as consideration in order for play to be available, and through which terminal device, the player may receive free games or a voucher that can be redeemed for a cash or noncash prize, or nothing, determined wholly or predominantly by chance. "Video lottery" does not include a lottery game that merely utilizes an electronic computer and a video screen to operate a lottery game and communicate the results of the game and which does not utilize an interactive electronic terminal device allowing input by one or more players.
