

## WEST VIRGINIA CODE: §29-22B-505

### **§29-22B-505. Additional qualification for an applicant for a service technician's license.**

No service technician's license or license renewal may be granted unless the Lottery Commission has determined that, in addition to the general requirements set forth in section 22B-502, the applicant has passed a technical competence test administered or approved by the Lottery Commission.
