WEST VIRGINIA CODE: §29-22B-506

§29-22B-506. Additional qualifications for an applicant for a manufacturer's license.

No manufacturer's license or license renewal may be granted unless the Lottery Commission has determined that, in addition to the general requirements set forth in section 22B-502, the applicant satisfies all of the following qualifications:

(1) The applicant has obtained, or can obtain, certification of compliance under the provisions of part 15 of the federal communications commission rules for all video lottery terminals placed in this state;

(2) The applicant has demonstrated the capacity to manufacture terminals and associated equipment for placement in this state in accordance with the specifications and procedures set forth in part 9 of this article;

(3) The applicant has demonstrated the ability to maintain and provide an inventory of spare parts so as to assure the timely repair and continuous operation of licensed video lottery terminals placed in this state; and

(4) The applicant has demonstrated the capacity to timely deliver video lottery terminals and associated equipment to licensed operators and licensed limited video lottery retailers who hold permits issued under part 11 of this article to own or lease video lottery terminals from licensed manufacturers.
