WEST VIRGINIA CODE: §29-22B-907

§29-22B-907. Display of information on terminal face or screen.

All information required by this section must be displayed under glass or another transparent substance.

(1) The rules of play for each game shall be displayed on the video lottery terminal face or screen. The commission may reject any rules of play that are incomplete, confusing, misleading or inconsistent with game rules approved by the commission.

(2) For each video lottery game, there shall be a display detailing the credits awarded for the occurrence of each possible winning combination of numbers or symbols.

(3) No stickers or other removable devices shall be placed on the video lottery terminal screen or face without the prior written approval of the commission.

(4) A label prominently displaying information on how to locate and contact persons or organizations available for help, assistance or treatment for persons who may have a gambling addiction, together with the telephone number "1-800-GAMBLER."
