(4) Transfer one percent of the adjusted gross receipts from each licensed racetrack to the county commissions of the counties where racetracks with West Virginia Lottery table games are located. County commissions may pledge this money to make payments on lottery revenue bonds issued pursuant to article two-h, chapter thirteen of this code. The one percent transferred under this subdivision shall be divided pro rata among the counties with a racetrack with West Virginia Lottery table games based on relative adjusted gross receipts from each county's racetrack: Provided, That the county board of education of a growth county, as that term is defined in section three, article twenty, chapter seven of this code, which has enacted the Local Powers Act, and in which county a racetrack is located that has participated in the West Virginia Thoroughbred Development Fund since on or before January 1, 1991, shall receive the one percent of adjusted gross receipts as provided in this subdivision for the purpose of public projects, as defined in section two, article two-h, chapter thirteen of this code or to make payments on lottery revenue bonds issued to finance public projects;

(5) Transfer two percent of the adjusted gross receipts from each licensed racetrack to the governing bodies of municipalities within counties where racetracks with West Virginia Lottery table games are located. Municipalities may pledge the money to make payments on lottery revenue bonds issued pursuant to article two-h, chapter thirteen of this code. This money shall be allocated as follows:

(A) One half of the amounts transferred under this subdivision shall be allocated to the municipalities within each county having a racetrack table games licensee, based on relative adjusted gross receipts from West Virginia Lottery table games from those racetracks and the total amount allocated to the municipalities within a county shall be divided pro rata among the municipalities based on each municipality's population determined at the most recent United States decennial census of population: Provided, That: (i) For each allocation, when a municipality is physically located in two or more counties, only that portion of its population residing in the county where the authorized table games are located shall be considered; (ii) a single municipality in a county where West Virginia Lottery racetrack table games are played may not receive a total share under this paragraph that is in excess of seventy-five percent of the total distribution under this paragraph for the county in which the municipality is located; and (iii) a municipality receiving moneys under this paragraph may not receive an amount which is less than that received by a municipality under provisions of subdivision (4), subsection (d) of this section; and

(B) One half of the amounts transferred under this subdivision shall be allocated pro rata to the municipalities within all the counties, having a racetrack table games licensee based on each municipality's population determined at the most recent United States decennial census of population: Provided, That: (i) A municipality which received funds above its pro rata share pursuant to subpart (iii), paragraph (A) of this subdivision may not receive an allocation under this paragraph; (ii) for each allocation, when a municipality is physically located in two or more counties, only that portion of its population residing in the county where the authorized table games are located shall be considered; and (iii) a single municipality in a county where West Virginia Lottery racetrack games are played may not

receive a total share under this paragraph that is in excess of twenty-five percent of the total transfers under this paragraph: Provided, however, That the county board of education of a growth county, as that term is defined in section three, article twenty, chapter seven of this code, which has enacted the Local Powers Act, and in which county a racetrack is located that has participated in the West Virginia Thoroughbred Development Fund since on or before January 1, 1991, shall receive the two percent of adjusted gross receipts as provided in this subdivision for the purpose of public projects, as defined in section two, article two-h, chapter thirteen of this code, or to make payments on lottery revenue bonds issued to finance the public projects;

(6) Transfer one half of one percent of the adjusted gross receipts to the governing bodies of municipalities in which a racetrack table games licensee is located. The municipalities shall each receive an equal share of the total amount allocated under this subdivision: Provided, That distribution under this subdivision may not be made to any municipality which did not have a licensed racetrack within its municipal boundaries as they existed on January 1, 2007: Provided, however, That if no racetrack table games licensee is located within a municipality, a transfer may not be made under this subdivision. The municipality may pledge this money to make payments on lottery revenue bonds issued pursuant to article two-h, chapter thirteen of this code; and

(7) Distribute the remaining amounts, hereinafter referred to as the net amounts in the Racetrack Table Games Funds, in accordance with the provisions of subsection (d) of this section.

(c) Beginning with the fiscal year following the licensing of every licensed racetrack to offer West Virginia Lottery racetrack table games under this article, subsection (b) of this section shall be superseded and replaced by this subsection for distribution of the balances in the fund established by subsection (a) of this section. From the gross amounts deposited into the fund, the commission shall:

(1) Retain an amount for the administrative expenses of the commission as determined by the commission in accordance with subsection(e) of this section;

(2) Transfer two and one-half percent of adjusted gross receipts from all thoroughbred racetracks with West Virginia Lottery table games to the special funds established by each thoroughbred racetrack table games licensee for the payment of regular racetrack purses, the amount being divided on a pro rata basis between the special funds of each thoroughbred racetrack table games licensee and transfer two and one-half percent of adjusted gross receipts from all greyhound racetracks with West Virginia Lottery table games to the special funds established by each greyhound racetrack table games licensee for the payment of regular racetrack purses, the amount being divided equally between the special funds of each greyhound racetrack table games licensee;

(3) Transfer two percent of the adjusted gross receipts from all licensed racetracks to the West Virginia Thoroughbred Development Fund created under section thirteen-b, article

twenty-three, chapter nineteen of this code and the West Virginia Greyhound Breeding Development Fund created under section ten, article twenty-three, chapter nineteen of this code. The total amount transferred under this subdivision shall be divided pro rata among the development funds for each racetrack table games licensee based on relative adjusted receipts from each racetrack. The amounts transferred to these funds may not be used for the benefit of any person or activity other than at or associated with a racetrack table games licensee;

(4) Transfer two percent of the adjusted gross receipts from each licensed racetrack to the county commissions of the counties where racetracks with West Virginia Lottery table games are located. The money transferred under this subdivision shall be divided pro rata among the counties with a racetrack with West Virginia Lottery table games based on relative adjusted gross receipts from each county's racetrack: Provided, That the county board of education of a growth county, as that term is defined in section three, article twenty, chapter seven of this code, which has enacted the Local Powers Act, and in which a racetrack is located that has participated in the West Virginia Thoroughbred Development Fund since on or before January 1, 1991, shall receive one half of that county's share of adjusted gross receipts as provided in this subdivision for the purpose of capital improvements;

(5) Transfer three percent of the adjusted gross receipts from each licensed racetrack to the governing bodies of municipalities within counties where racetracks with West Virginia Lottery table games are located, which shall be allocated as follows:

(A) One half of the money transferred by this subdivision shall be allocated to the municipalities within each county, other than a county described in paragraph (C) of this subdivision, having a racetrack table games licensee based on relative adjusted gross receipts from West Virginia Lottery table games from those racetracks and the total amount allocated to the municipalities within a county shall be divided pro rata among the municipalities based on each municipality's population determined at the most recent United States decennial census of population: Provided, That: (i) For each allocation, when a municipality is physically located in two or more counties, only that portion of its population residing in the county where the authorized table games are located shall be considered; (ii) a single municipality in a county where West Virginia Lottery racetrack table games are played may not receive a total share under this paragraph that is in excess of seventy-five percent of the total distribution under this paragraph for the county in which the municipality is located; and (iii) a municipality receiving moneys under this paragraph may not receive an amount which is less than that received by a municipality under provisions of subdivision (4), subsection (d) of this section.

(B) One half of the money transferred under this subdivision shall be allocated pro rata to the municipalities within all the counties, other than a county described in paragraph (C) of this subdivision, having a racetrack table games licensee based on each municipality's population determined at the most recent United States decennial census of population: Provided, That: (i) A municipality which received funds above its pro rata share pursuant to subparagraph (iii), paragraph (A) of this subdivision shall not receive an allocation under this

paragraph; (ii) for each allocation, when a municipality is physically located in two or more counties, only that portion of its population residing in the county where the authorized table games are located shall be considered; and (iii) a single municipality in a county where West Virginia Lottery racetrack games are played may not receive a total share under this paragraph that is in excess of twenty-five percent of the total transfers under this paragraph.

(C) Notwithstanding the provisions of paragraphs (A) and (B) of this subdivision, when a racetrack is located in a growth county, as that term is defined in section three, article twenty, chapter seven of this code, which has enacted the Local Powers Act, and in which county a racetrack is located that has participated in the West Virginia Thoroughbred Development Fund since on or before January 1, 1991, the county board of education shall receive two thirds of the share of adjusted gross receipts from West Virginia Lottery table games from the racetrack in the county as provided in this subdivision and the municipalities within the county shall share the remaining one third of the total amount allocated as provided in this paragraph. The municipal one-third share shall be divided pro rata among the municipalities based on each municipality's population determined at the most recent United States decennial census of population. All money transferred under this paragraph shall be used by the county board of education and by the municipalities for the purpose of capital improvements;

(6) Transfer one half of one percent of the adjusted gross receipts to the governing bodies of municipalities in which a racetrack table games licensee is located. The municipalities shall each receive an equal share of the total amount allocated under this subdivision: Provided, That distribution under this subdivision may not be made to any municipality that did not have a licensed racetrack within its municipal boundaries as they existed on January 1, 2007: Provided, however, That if no racetrack table games licensee is located within a municipality, a transfer may not be made under this subdivision; and

(7) Distribute the remaining amounts, hereinafter referred to as the net amounts in the Racetrack Table Games Funds, in accordance with the provisions of subsection (d) of this section.

(d) From the net amounts in the Racetrack Table Games Fund, the commission shall:

(1) Transfer seventy-six percent to the State Debt Reduction Fund which is hereby continued in the State Treasury. Moneys of the fund shall be expended solely for the purpose of accelerating the reduction of existing unfunded liabilities and existing bond indebtedness of the state and shall be expended or transferred only upon appropriation of the Legislature;

(2) Transfer four percent, divided pro rata based on relative adjusted gross receipts from the individual licensed racetracks for and on behalf of all employees of each licensed racing association, into a special fund to be established by the Racing Commission to be used for payment into the pension plan for all employees of each licensed racing association;

(3) Transfer ten percent, to be divided and paid in equal shares, to each county commission

in the state that is not eligible to receive a distribution under subdivision (4), subsection (b) of this section: Provided, That funds transferred to county commissions under this subdivision shall be used only to pay regional jail expenses and the costs of infrastructure improvements and other capital improvements: Provided, however, That up to fifty percent of these funds may be pledged to make payments on lottery revenue bonds issued pursuant to article two-h, chapter thirteen of this code; and

(4) Transfer ten percent, to be divided and paid in equal shares, to the governing bodies of each municipality in the state that is not eligible to receive a distribution under subdivisions (5) and (6), subsection (b) of this section: Provided, That funds transferred to municipalities under this subdivision shall be used only to pay for debt reduction in municipal police and fire pension funds and the costs of infrastructure improvements and other capital improvements: Provided, however, That up to fifty percent of these funds may be pledged to make payments on lottery revenue bonds issued pursuant to article two-h, chapter thirteen of this code.

(e) All expenses of the commission incurred in the administration and enforcement of this article shall be paid from the Racetrack Table Games Fund, including reimbursement of state law-enforcement agencies for services performed at the request of the commission pursuant to this article. The commission's expenses associated with a particular racetrack with authorized table games under this article may not exceed three percent of the total annual adjusted gross receipts received from that licensee's operation of table games under this article, including, but not limited to, all license fees or other amounts attributable to the licensee's operation of table games under this article, except as provided in subdivision (2), subsection (a) of this section. However, for the fiscal year following the licensing of every licensed racetrack to offer West Virginia lottery racetrack table games under this article and for the fiscal year thereafter, the commission's expenses associated with a particular racetrack with authorized table games under this article may not exceed four percent of the total annual adjusted gross receipts received from that licensee's operation of table games under this article, including, but not limited to, all license fees or other amounts attributable to the licensee's operation of table games under this article, except as provided in subdivision (2), subsection (a) of this section. These expenses shall either be allocated to the racetrack with West Virginia Lottery table games for which the expense is incurred, if practicable, or be treated as general expenses related to all racetrack table games facilities and be allocated pro rata among the racetrack table games facilities based on the ratio that annual adjusted gross receipts from operation of table games at each racetrack with West Virginia Lottery table games bears to total annual adjusted gross receipts from operation of table games at all racetracks with West Virginia Lottery table games during the fiscal year of the state. From this allowance, the commission shall transfer at least $100,000 but not more than $500,000 into the Compulsive Gambling Treatment Fund created in section nineteen, article twenty-two-a of this chapter.
