

# **WEST VIRGINIA CODE: §29-23-1**

## **§29-23-1. Definitions.**

As used in this article:

- (a) The term "boundary line dispute" means any property line of the state, county or a municipality that is in question as to its specific physical location.
- (b) The term "West Virginia Geological and Economic Survey" means that entity established by article two, chapter twenty-nine of this code.
