§3-1-21a. Vendors authorized to print ballots; eligibility; application and certification; denial, suspension and revocation of authorization; appeal.

(a) The printing of ballots for any election to be held pursuant to the provisions of this chapter shall be contracted for with a vendor authorized in accordance with the provisions of this section.

(b) Any vendor authorized to do business in West Virginia and in good standing may apply for a certificate of authorization to print ballots for elections in this state: Provided, That any individual, partnership, association or corporation who does not qualify as a resident vendor pursuant to the provisions of section thirty-seven-a, article three, chapter five-a of this code or who prints the ballots in a state which prohibits that state or any of its political subdivisions from contracting with West Virginia resident vendors for the printing of ballots or which prohibits the printing of ballots outside of such state, is not eligible to obtain a certificate of authorization.

(c) (1) Every vendor desiring to print ballots for elections held pursuant to the provisions of this chapter shall, prior to the execution of any contract for the printing of ballots with any state, county, or municipal government, obtain a certificate of authorization to print ballots.

(2) A certificate of authorization may be obtained by application to the Secretary of State, upon a form prescribed by the Secretary of State. The form shall include a statement that all printing, packaging and delivery specifications for ballots set forth in this chapter will be substantially met, and that the vendor applying for certification is eligible in accordance with the provisions of this section.

(3) Upon receipt of the completed application, the Secretary of State shall issue a certificate of authorization to print ballots, which shall remain in effect for two years from the date of issuance and may be renewed upon application therefor: Provided, That the Secretary of State may deny the application to issue or renew the certificate of authorization, or may suspend or revoke the certificate of authorization upon a determination that the vendor has not substantially complied with the printing, packaging and delivery specifications in the printing of ballots for any state, county or municipal election, or that the vendor is not eligible or is no longer eligible to print ballots pursuant to the provisions of this section. The Secretary of State shall give written notice of any such determination by certified mail, return receipt requested, to the vendor setting forth the reason for the suspension, revocation or the denial of the application or the denial of the renewal thereof. The applicant may, within sixty days of the receipt of such denial, file a written appeal with the state Election Commission. The State Election Commission shall promulgate rules establishing a hearing process for such appeals.

(d) On or before the second Monday of January of each year, the Secretary of State shall

provide a list of all vendors authorized to print ballots for state, county and municipal elections to the clerk of each county commission of this state.
