

WEST VIRGINIA CODE: §3-1-48

§3-1-48. Legislative findings; State Election Fund; loans to counties; availability of funds; repayment of loans; grants to counties for election systems; Secretary of State expenditures from County Assistance Voting Equipment Fund.

(a) Legislative findings. — The Help America Vote Act of 2002, PL 107-252, 52 U.S.C. §20901 *et seq.*, provides funding so that all states will be able to implement some form of electronic voting system to replace punch card and lever machines. The new voting systems must meet several requirements including notifying the voter of over votes and permitting each voter to review his or her ballot and correct errors before casting the vote. The limited, finite funding available to the state will not be sufficient to meet current and future needs for equipment and services as equipment needs to be obtained, repaired, or replaced as technology changes. It is the intent of the Legislature to maximize the available funds by establishing a no-interest loan program to assist any county, regardless of its current voting system, in purchasing necessary electronic voting equipment and services. As the loans are repaid funds will continue to be available to meet future needs. It is not the intent of the Legislature to mandate any technology for voting systems to be utilized in this state and this section is intended only to establish terms and conditions for providing loan assistance to counties in accordance with the provisions of this section.

(b) State Election Fund. — The special revenue account created in the State Treasury and known as the State Election Fund account is continued. Expenditures from the account shall be used by the Secretary of State for the administration of this chapter in accordance with the provisions of 52 U.S.C. § 20901 *et seq.*, the Help America Vote Act of 2002, PL 107-252, in accordance with the provisions of §4-11-1 *et seq.* of this code.

(c) Establishment of special revenue account. — There is created in the State Treasury a special revenue revolving fund account known as the County Assistance Voting Equipment Fund which shall be an interest-bearing account. The fund shall consist of an initial transfer not to exceed \$8,500,000 from the State Election Fund established under §3-1-48(b) of this code pursuant to legislative appropriation; any future funds received from the federal government under the Help America Vote Act of 2002, PL 107-252, 52 U.S.C. § 20901, *et seq.*, or subsequent acts providing funds to states to obtain, modify, or improve voting equipment and obtain necessary related services including voting systems, technology, and methods for casting and counting votes; any funds appropriated by the Legislature or transferred by any public agency as contemplated or permitted by applicable federal or state law; and any accrued interest or other return on the moneys in the fund. The balance remaining in the fund at the end of each fiscal year shall remain in the fund and not revert to the State General Revenue Fund.

(d) Use of funds. — The money in the fund shall be used only in the manner and for the purposes prescribed in this section. Notwithstanding any provision of law to the contrary, funds in the County Assistance Voting Equipment Fund may not be designated or transferred

for any purpose other than those set forth in this section.

The State Election Commission may not approve a loan for the purchase, lease, rental, or other similar transaction to obtain electronic voting equipment, software, or necessary related services unless obtained under a contract authorized by the Secretary of State pursuant to rules promulgated under this section.

(k) Repayment of loans. — The Secretary of State may, by civil action, mandamus, or other judicial or administrative proceeding, compel performance by a county commission of all the terms and conditions of the loan agreement between the state and that county commission including periodic reduction of any moneys due the county from the state.
