No voter so registered shall be required to register again for any election while continuing to reside within the same county, unless the voter's registration is canceled as provided in this article.

(c) A person who is not eligible or not duly registered to vote shall not be permitted to vote at any election in any subdivision of the state, except that such a voter may cast a "provisional" or "challenged" ballot as provided in this chapter if the voter's eligibility or registration is in question, and such "provisional" or "challenged" ballot may be counted only if a positive determination of the voter's eligibility and proper registration can be ascertained.
