(c) No later than October 1, 1994, the Secretary of State shall, in conjunction with a designated representative of each of the appropriate state agencies, review those programs and offices established and operating with state funds which administer or provide public assistance or services to persons with disabilities and shall promulgate an emergency rule pursuant to the provisions of chapter twenty-nine-a of this code designating the specific programs and offices required to provide voter registration services in order to comply with the requirements of this section and the requirements of the National Voter Registration Act of 1993 (42 U.S.C. §1973gg, et seq.). The offices and programs so designated shall begin providing voter registration services on January 1, 1995.

(d) In each even-numbered year, the Secretary of State shall, in conjunction with the designated representatives of the appropriate state agencies, perform the review as required by the provisions of subsection (c) of this section. Notice of the designation of these persons shall be made upon request of the Secretary of State and within five days following any change of designation. Each local coordinator shall receive biannual training provided by the Secretary of State.

(4) Make any statement to an applicant or take any action the purpose or effect of which is to lead the applicant to believe that a decision to register or not to register has any bearing on the availability of services or benefits.

(j) No information relating to the identity of a voter registration agency through which any particular voter is registered or to a declination to register to vote in connection with an application made at any designated agency may be used for any purpose other than voter registration.
