

WEST VIRGINIA CODE: §3-2-30

§3-2-30. Public inspection of voter registration records in the office of the clerk of the county commission; providing voter lists for noncommercial use; prohibition against resale of voter lists for commercial use or profit.

1. Any person may examine the active, inactive, rejected and canceled voter registration records during office hours of the clerk of the county commission in accordance with chapter twenty-nine-b of this code.

Active, inactive, rejected and canceled voter files are to be maintained in electronic data format. Any person may examine voter record information in printed form or in a read-only data format on a computer terminal set aside for public use, if available. The data files available for examination and copying shall include all registration and voting information maintained in the file, but may not include the registrant's telephone number, email address, Social Security number or driver's license number or nonoperator's identification number issued by the Division of Motor Vehicles.

(b) The clerk of the county commission shall, upon request, provide printed copies of the lists of voters for each precinct. No list prepared under this section may include the registrant's telephone number, email address, Social Security number or driver's license number or nonoperator's identification number issued by the Division of Motor Vehicles. The clerk shall establish a written policy, posted within public view, listing the options for selection and sorting criteria and available data elements. The data elements shall include, at least:

- (1) The name, residence address, political party affiliation and status of the registrant;
- (2) The available formats of the lists; and
- (3) The times at which lists will be prepared. A copy of the county policy shall be filed with the Secretary of State no later than January 1 of each even-numbered year.

(c) Lists of registered voters may be obtained for noncommercial purposes in data format on disk or as a printed list provided by the clerk of the county commission at a cost of one cent per name. No data file prepared under this subsection may include the registrant's telephone number, email address, Social Security number or driver's license number or nonoperator's identification number issued by the Division of Motor Vehicles.

(d) The fees received by the clerk of the county commission shall be kept in a separate fund under the supervision of the clerk and may be used for the purpose of defraying the cost of the preparation of the voter lists. After deducting the costs of preparing voter lists, the clerk shall deposit the net proceeds from the sale of the voter lists in the State Election Fund as set forth in subsection (b), section forty-eight, article one of this chapter.

(e) The Secretary of State shall make voter lists available for sale subject to the limitations as provided in subsection (a) of this section. The fees for the voter lists shall be as prescribed in section two-b, article one, chapter fifty-nine of this code. The revenue associated with purchase of a partial list or associated with a complete statewide list shall be deposited in the State Election Fund as set forth in subsection (b), section forty-eight, article one of this chapter.

(f) No voter registration lists or data files containing voter names, addresses or other information derived from voter data files obtained pursuant to the provisions of this article may be used for commercial or charitable solicitations or advertising, sold or reproduced for resale.

(g) This section may not be interpreted to prevent the Secretary of State from sharing data files containing voter information with authorized service providers or sharing data across state lines with any state or local election official for the purpose of voter registration and election administration in accordance with this chapter or applicable federal law.
