(a) The Secretary of State shall implement and maintain a single, official, statewide, centralized, interactive computerized voter registration database of every legally registered voter in the state, as follows:

(1) The statewide voter registration database shall serve as the single system for storing and managing the official list of registered voters throughout the state.

(2) The statewide voter registration database shall contain the name, registration information and voter history of every legally registered voter in the state.

(3) In the statewide voter registration database, the Secretary of State shall assign a unique identifier to each legally registered voter in the state.

(4) The statewide voter registration database shall be coordinated with other agency databases within the state and elsewhere, as appropriate.

(7) The Secretary of State shall provide necessary support to enable every clerk of the county commission in the state to enter information as described in subdivision (6) of this subsection.

(8) The statewide voter registration database shall serve as the official voter registration list for conducting all elections in the state.

(b) The provisions of subdivision (6), subsection (a) of this section notwithstanding, the Secretary of State or any clerk of a county commission shall perform maintenance with respect to the statewide voter registration database on a regular basis as follows:

C. §1973gg, et seq., registrants who have not responded to a notice sent pursuant to section twenty six, article two of this chapter, who have not otherwise updated their voter registration address, and who have not voted in two consecutive general elections for federal office shall be removed from the official list of eligible voters, except that no registrant may be removed solely by reason of a failure to vote;

(2) By participation in programs across state lines to share data specifically for voter registration to ensure that voters who have moved across state lines or become deceased in another state are removed in accordance with state law and 42 U. S. C. §1973gg, et seq.; and

(3) Through safeguards to ensure that eligible voters are not removed in error from the official list of eligible voters.

(f) Applications for voter registration may be accepted only when the following information is provided:
