(h) A change of address from one residence to another within the same county which is submitted for driver licensing or nonoperator's identification purposes in accordance with applicable law, serves as a notice of change of address for voter registration purposes if requested by the applicant after notice and written consent of the applicant.

(i) Completed applications for voter registration or change of address for voting purposes received by an office providing driver licensing services shall be forwarded to the Secretary of State within five days of receipt unless other means are available for a more expedited transmission. (l) A person registered to vote pursuant to this section may cancel his or her voter registration at any time by any method available to any other registered voter.

(m) This section does not require the Division of Motor Vehicles to determine eligibility for voter registration and voting.

(n) Except for the changes made to subsection (b) of this section during the 2017 regular legislative session, the changes made to this section during the 2016 regular legislative session become effective on July 1, 2021, and any costs associated therewith shall be paid by the Division of Motor Vehicles. The Commissioner of the Division of Motor Vehicles, the Secretary of the Department of Transportation, and the Secretary of State shall each appear before the Joint Committee on Government and Finance and the Joint Standing Committee on the Judiciary, during the first interim meetings of such committees occurring after September 1, 2019, to present written reports containing a full and complete list of any infrastructure each agency requires to achieve the purposes of this section. Along with the report required by this subsection, the Division of Motor Vehicles shall submit a written schedule to both committees outlining how the division will implement the requirements of this section by July 1, 2021.

(o) The Secretary of State shall propose rules for legislative approval in accordance with §29A-3-1 *et seq.* of this code to implement the requirements of this section.

(p) Notwithstanding any other provisions of this code to the contrary, the Division of Motor Vehicles shall expeditiously and comprehensively release and forward all information obtained pursuant to subsection (a) of this section purporting to document an applicant's status as a U.S. citizen to the Secretary of State of any applicant attempting to register to vote in West Virginia. This information shall be used for the express purpose of expediting the Secretary of State's fulfillment of his or her duties pursuant to §3-2-11(c) and §3-2-3 of this code requiring the Secretary of State to confirm that persons who are noncitizens of the United States have not and cannot register to vote in the state of West Virginia.

(j) No information relating to the identity of a voter registration agency through which any particular voter is registered or to a declination to register to vote in connection with an application made at any designated agency may be used for any purpose other than voter registration.

(1) Distribute with each application for service or assistance, and with each recertification, renewal or change of address form relating to that service or assistance, the declination form prescribed in subsection (h), section thirteen of this article, and a voter registration application issued for the purposes of agency registration pursuant to the provisions of section five of this article;

(2) Provide to each applicant who does not decline to register to vote the same degree of assistance in voter registration as is provided for the completion of the agency's other forms, unless the applicant refuses assistance;

(6) Make any reports as may be required.

(d) Any applicant who checks "no" or fails to check "yes" or "no" on the declination form shall be deemed to have declined to register; and any applicant who checks "yes" on the declination form, but fails or refuses to sign the voter registration application or fails to return the voter registration application to an agency or to an appropriate voter registration office shall be deemed to have declined to register.

(e) Upon receipt of registration forms from an agency, the Secretary of State shall remove and file any forms which have not been signed by the applicant and shall forward completed, signed applications to the clerk of the appropriate county commission within five days of receipt.

(f) Any qualified voter who submits the application for registration pursuant to the provisions of this section in person at an agency or to an agency employee providing services at another location, and who presents identification and proof of age at that time or has previously presented identification and proof of age to the same agency, shall not be required to make his or her first vote in person or to again present identification in order to make that registration valid.

(g) Any qualified voter who submits by mail or by delivery by a third party an application for registration on the form used in conjunction with agency registration shall be required to make his or her first vote in person and to present identification as required for other mail registration in accordance with the provisions of subsection (g), section ten of this article.

(h) Voter registration application forms which are returned to an agency unmarked shall be collected for reuse according to procedures prescribed by the Secretary of State.

§3-2-15. Special procedures relating to agency registration at marriage license offices.

When a qualified voter appears in person to apply for a marriage license, the applicant shall be presented a voter registration application. If the applicant does not intend to change his or her legal name or residence address upon marriage, the applicant may immediately apply to register or to update a previous registration, in accordance with the procedures prescribed in section fourteen of this article, except that the completed applications shall be forwarded directly to the registration office of the clerk of the county commission if the residence given is within the same county. If the applicant does intend to change his or her legal name or residence address upon marriage, and desires to register to vote, the applicant shall instead be given a mail registration card for use after the change of name or address has occurred.

§3-2-16. Procedures upon receipt of application for registration by the clerk of the county commission; verification procedure and notice of disposition of application for registration.

(a) Upon receipt of an application for voter registration, the clerk of the county commission shall determine whether the application is complete, whether the applicant appears to be eligible to register to vote within the county and whether the applicant is currently registered within the county. If the application is incomplete or the applicant appears not to be eligible, the clerk shall take the appropriate action as prescribed in section seventeen of this article.

(b) If the application received is complete and appears to be from an eligible person who has not previously been registered within the county, or has not been included within the active voter registration files as defined in section eighteen of this article within the preceding calendar year and does not present a driver's license containing the residence address pursuant to the provisions of subdivision (2), subsection (d), section seven of this article, the clerk of the county commission shall conduct the following verification procedure:

(1) The clerk shall issue or mail, by first-class nonforwardable return requested, a verification notice addressed to the applicant at the residence and mailing address given on the application, except that the mailing address shall not be included on the notice if it appears to identify a distinctly different location from the residence address, such as a business address, another residence or a different city or town, unless the voter has registered as a uniformed services, overseas or homeless voter and provided a local residence address pursuant to the provisions of subdivision (4), subsection (c), section five of this article.

(2) The verification notice shall state the purpose of the procedure, the fact that no further action is required of the applicant, and the fact that a notice of the disposition of the registration application will be mailed after the ten day return period has expired.

(3) If the verification notice is not returned as undeliverable within ten days, the application for registration shall be accepted and entered into the active voter registration files and a registration receipt mailed designating the voter's assigned precinct.

(4) If the verification notice is returned undeliverable within ten days, the clerk shall compare the address given on the voter registration application with the address used on the envelope and, if there is any discrepancy, shall send a second verification notice to the correct address. If there is no discrepancy, the application for registration shall be denied and the notice of denial prescribed in section seventeen of this article shall be mailed.

(5) If the verification notice is returned undeliverable after the registration has been accepted, the clerk shall initiate the confirmation procedure prescribed in section twenty-six of this article.

(c) If the application received is complete and appears to be from an eligible person who is currently registered within the county, or has been included within the active voter registration files as defined in section eighteen of this article within the preceding calendar year, the clerk of the county commission shall send, by first-class nonforwardable return requested mail, a registration receipt or other notice of the disposition of the application; and

(1) If the application is for a change of name, change of address, change of political party affiliation, reinstatement or other correction of the previous voter registration, the clerk shall include a new voter registration receipt;

(2) If the application does not make any change in the previous voter registration, the clerk shall notify the registrant that the voter is not required to reregister or update the registration as long as he or she lives at the same address and has the same legal name; or

(3) If the notice of disposition is returned undeliverable after the registration has been accepted, the clerk shall initiate the confirmation procedure prescribed in section twenty-six of this article.

(d) If the application contains information indicating the address at which the applicant was previously registered to vote in another county or state, the clerk of the county commission shall give notice to the clerk or registrar of that jurisdiction for the purpose of canceling the previous registration.

§3-2-17. Denial of registration application; notice; appeal to clerk of the county commission, decision; appeal to county commission, hearing, decision; appeal to circuit court.

(a) If the clerk of the county commission finds that any of the following is true, based on the application or official documentation of ineligibility, the clerk shall deny the application for voter registration:

(1) The applicant, at the time the application is received, is not eligible to register in the county and state pursuant to the provisions of section two of this article;

(2) The applicant has submitted an application which is incomplete, pursuant to the provisions of subsection (c), section five of this article; or

(3) The verification notice as required in section sixteen of this article is returned as undeliverable at the address given by the voter.

(b) When the clerk of the county commission determines that the application must be denied, the clerk shall send, by first class forwardable return requested mail, a notice that the application for registration was denied and the reasons therefor.

(1) If the reason for denial is an incomplete application, the clerk shall inform the voter of the right to reapply and shall enclose a mail voter registration form for the purpose.

(2) If the reason for denial is return of the verification notice as undeliverable at the address given, the clerk shall inform the voter of the right to present proof of residence in order to validate the registration.

(3) If the reason for denial is ineligibility, the notice shall include a statement of eligibility requirements for voter registration and of the applicant's right to appeal the denial.

(c) An applicant whose application for registration is denied by the clerk of the county commission because of ineligibility or for failure to submit proof of residence may make a written request for a reconsideration by the clerk, and may present information relating to his or her eligibility. The clerk shall review the request for consideration and shall issue a decision in writing within fourteen days of the receipt of the request.

(d) If the application is denied upon reconsideration pursuant to the provisions of subsection (c) of this section, the applicant may make a written request for a hearing before the county commission. The county commission shall schedule and conduct the hearing within thirty days of receipt of the request and shall issue a decision, in writing, within fifteen days of the hearing.

(e) An applicant may appeal the decision of the county commission to the circuit court. The circuit court shall only consider the record before the county commission, as authenticated by the clerk of the county commission. The circuit court may affirm the order of the county

commission, whether the order be affirmative or negative; but if it deems such order not to be reasonably justified by the evidence considered, it may reverse such orders of the county commission in whole or in part as it deems just and right; and if it deems the evidence considered by the county commission in reaching its decision insufficient, it may remand the proceedings to the county commission for further hearing. Any such order or orders of the circuit court shall be certified to the county commission.

(f) Any party to such appeal may, within thirty days after the date of a final order by the circuit court, apply for an appeal to the Supreme Court of Appeals which may grant or refuse such appeal at its discretion. The Supreme Court of Appeals shall have jurisdiction to hear and determine the appeal upon the record before the circuit court and to enter such order as it may find that the circuit court should have entered.

(g) It shall be the duty of the circuit court and the Supreme Court of Appeals, in order to expedite registration and election procedures, to hold such sessions as may be necessary to determine any cases involving the registration of voters. Judges of the circuit court and the Supreme Court of Appeals in vacation shall have the same power as that prescribed in this section for their respective courts.

§3-2-18. Registration records; active, inactive, canceled, pending and rejected registration files; procedure; voting records.

(a) For the purposes of this article:

(b) For the purposes of this chapter or of any other provisions of this code relating to elections conducted under the provisions of this chapter, whenever a requirement is based on the number of registered voters, including, but not limited to, the number of ballots to be printed, the limitations on the size of a precinct, or the number of petition signatures required for election purposes, only those registrations included on the active voter registration files shall be counted and voter registrations included on the inactive voter registration files, as defined in this subdivision, are not to be counted.

(c) Active voter registration records, confirmation pending records, and inactive voter registration records may be maintained in the same physical location, providing the records are coded, marked, or arranged in such a way as to make the status of the registration immediately obvious. Canceled voter registration records, pending application records, and rejected application records may be maintained in separate physical locations. However, all such records shall be maintained in the statewide voter registration database, subject to this article.

(d) The effective date of any action affecting any voter's registration status shall be entered on the voter record, including the effective date of registration, change of name, address or party affiliation or correction of the record, effective date of transfer to inactive status, return to active status, or cancellation. (2) No registration record may be removed from a municipal registration record unless the registration is lawfully transferred or canceled pursuant to the provisions of this article in both the county and the municipal registration records.

(b) Within 30 days following the entry of any annexation order or change in street names or numbers, the governing body of an incorporated municipality shall file with the clerk of the county commission a certified current official municipal boundary map and a list of streets and ranges of street numbers within the municipality to assist the clerk in determining whether a voter's address is within the boundaries of the municipality.

(e) Upon the receipt of any request for change of legal name as provided in subsection (d) of this section, the clerk shall enter the change and issue an acknowledgement notice or mail

the notice to the voter.

(f) Any registered voter who desires to change his or her political party affiliation may do so by filing, no later than the close of voter registration for an election, any voter registration application form authorized by the provisions of this article. Acts, 2013 Reg. Sess., Ch. 68.

WV Legislature

§3-2-25. Systematic purging program for removal of ineligible voters from active voter registration files; comparison of data records; confirmation notices; public inspection list.

(a) The systematic purging program provided in this section shall begin no earlier than October 1 of each odd-numbered year and shall be completed no later than February 1 of the following year. The clerk of the county commission shall transmit, or mail to the Secretary of State, a certification that the systematic purging program has been completed and all voters identified as no longer eligible to vote have been canceled in the statewide voter registration database in accordance with the law no later than February 15 in the year in which the purging program is completed.

(b) The Secretary of State shall provide for the comparison of data records of all counties. The Secretary of State shall, based on the comparison, prepare a list for each county which shall include the voter registration record for each voter shown on that county's list who appears to have registered or to have updated a voter registration in another county at a subsequent date. The resulting lists shall be returned to the appropriate county and the clerk of the county commission shall proceed with the confirmation procedure for those voters as prescribed in §3-2-26 of this code.

(c) The Secretary of State may provide for the comparison of data records of counties with the data records of the Division of Motor Vehicles, the registrar of vital statistics, and with the data records of any other state agency which maintains records of residents of the state, if the procedure is practical and the agency agrees to participate. Any resulting information regarding potentially ineligible voters shall be returned to the appropriate county and the clerk of the county commission shall proceed with the confirmation procedure as prescribed in §3-2-26 of this code.

(d) The records of all voters not identified pursuant to the procedures set forth in subsections (b) and (c) of this section shall be combined for comparison with United States Postal Service change of address information, as described in section 8(c)(A) of the National Voter Registration Act of 1993 (42 U. S. C. §1973gg, et seq.). The Secretary of State shall contract with an authorized vendor of the United States Postal Service to perform the comparison. The cost of the confirmation notices, labels, and postage shall be paid for by the counties.

(e) The Secretary of State shall return to each county the identified matches of the county voter registration records and the postal service change of address records.

(1) When the change of address information indicates the voter has moved to a new address within the county, the clerk of the county commission shall enter the new address on the voter record and assign the proper precinct.

(2) The clerk of the county commission shall then mail to each voter who appears to have moved from the residence address shown on the registration records a confirmation notice

pursuant to §3-2-26 of this code and of section 8(d)(2) of the National Voter Registration Act of 1993 (42 U. S. C. §1973gg, et seq.). The notice shall be mailed, no later than December 31, to the new address provided by the postal service records or to the old address if a new address is not available.

(f) The clerk of the county commission shall indicate in the statewide voter registration database the name and address of each voter to whom a confirmation notice was mailed and the date on which the notice was mailed.

(g) Upon receipt of any response or returned mailing sent pursuant to the provisions of subsection (e) of this section, the clerk shall immediately enter the date and type of response received in the statewide voter registration database and shall then proceed in accordance with the provisions of §3-2-26 of this code.

(h) For purposes of complying with the recordkeeping and public inspection requirements of the National Voter Registration Act of 1993 (42 U. S. C. §1973gg, et seq.), and with the provisions of §3-2-27 of this code, the public inspection lists shall be maintained either: (1) In printed form kept in a binder prepared for such purpose and available for public inspection during regular business hours at the office of the clerk of the county commission; or (2) in read-only data format available for public inspection on computer terminals set aside and available for regular use by the general public. Information concerning whether or not each person has responded to the notice shall be entered into the statewide voter registration database upon receipt and shall be available for public inspection as of the date the information is received.

(i) Any voter to whom a confirmation notice was mailed pursuant to the provisions of subsection (e) of this section who fails to respond to the notice, or to update his or her voter registration address by February 1 immediately following the completion of the program, shall be designated inactive in the statewide voter registration database. Any voter designated inactive shall be required to affirm his or her current residence address on a form prescribed by the Secretary of State, upon appearing at the polls to vote.

(j) In addition to the preceding purging procedures, all counties using the change of address information of the United States Postal Service shall also, once each four years during the period established for systematic purging in the year following a presidential election year, conduct the same procedure by mailing a confirmation notice to those persons not identified as potentially ineligible through the change of address comparison procedure but who have not updated their voter registration records and have not voted in any election during the preceding two calendar years. The purpose of this additional systematic confirmation procedure shall be to identify those voters who may have moved without filing a forwarding address, moved with a forwarding address under another name, died in another county or state so that the certificate of death was not returned to the clerk of the county commission, or who otherwise have become ineligible.

§3-2-26. Confirmation notices for systematic purging program.

(a) For purposes of this article, a "confirmation notice" means a specific notice sent to a registered voter when that voter appears to have moved or to have become ineligible to vote, based on:

(1) A mailing returned as undeliverable as provided in sections sixteen, seventeen and twenty of this article; or

(2) Information obtained through a systematic purging program as provided in sections twenty-four and twenty-five of this article.

(b) A confirmation notice shall be sent by first class, forwardable mail and shall include a preaddressed, postage prepaid or business reply return card on which the registrant may state his or her current address, together with a notice prescribed by the Secretary of State to meet the specific requirements of Section 8(d)(2) of the "National Voter Registration Act of 1993" (42 U.S.C. 1973gg).

§3-2-27. Procedure following sending of confirmation notices; correction or cancellation of registrations upon response; designation of inactive when no response; cancellation of inactive voters; records.

(a) Upon receipt of a confirmation response card mailed pursuant to the provisions of §3-2-26 of this code and returned completed and signed by the voter, the clerk shall either:

(1) Update the voter registration by noting the confirmation of the current address if no other changes are requested or by entering any change of address within the county, change of name, or other correction requested by the voter; or

(2) Cancel the voter's registration if the voter confirms that he or she has moved out of the county.

(b) Upon receipt of the confirmation notice returned undeliverable, the clerk may either:

(1) Send a second confirmation notice to the old residence address if the first notice was sent to a new address provided by the postal service; or

(2) Designate the registration as inactive or transfer it to the inactive voter registration file, as defined in section 19 of this article.

(c) If no response to the confirmation notice is received by February 1 following the mailing of the confirmation notice, the clerk shall designate the registration as inactive or transfer it to the inactive voter registration file as provided in §3-2-19 of this code.

(d) An inactive voter registration shall be returned to active status or transferred to the active voter registration file upon the voter's application to update the registration or to vote in any election while they remain on the inactive list.

(e) The clerk of the county commission shall cancel the records of all voters on the inactive file who have not responded to the confirmation notice, otherwise updated their voter registrations or voted in any state, county, or municipal primary, general or special election held within the county during a period beginning on the date of the notice and ending on the day after the date of the second general election for federal office which occurs after the date of the notice.

(f) Upon notification by the Secretary of State, the clerk of the county commission shall cancel the records of all voters who are no longer West Virginia citizens and have obtained a driver's license in another state based on information provided by the Division of Motor Vehicles under § 3-2-4a(g) of this code.

(g) The amendments to this section enacted by the Legislature in the 2024 Regular Session are effective January 1, 2025.

§3-2-28. Challenges; notice; cancellation of registration.

(a) The registration of any registered voter may be challenged by the clerk of the county commission, the Secretary of State, any registrar of the county, the chairman of any political party committee or by any voter who shall appear in person at the clerk's office. The person challenging the registration shall complete a form prescribed by the Secretary of State giving the name and address of the voter and the reason for challenge. The challenge shall be filed as a matter of record in the office of the clerk of the county commission.

(b) Upon the receipt of a challenge, the clerk of the county commission shall mail a notice of challenge to the registrant, setting forth that the voter's registration will be canceled if the voter does not appear in person during business hours at the clerk's office within a period of thirty days from the mailing of the notice and present evidence of his or her eligibility. The form of the notice of challenge shall be prescribed by the Secretary of State and shall be mailed by certified mail, return receipt requested.

(c) If the notice of challenge is returned as undeliverable at the registration address, or if the challenged registrant does not appear and present evidence of continued eligibility within the prescribed time, the voter's registration shall be immediately canceled. Returned mail or failure to appear shall be prima facie evidence of the registrant's ineligibility. If the registrant does timely appear and present evidence of his or her eligibility, the clerk shall determine eligibility to be registered as a voter as in any other case. If the reason for ineligibility is that the voter does not reside at the address on the registration and the voter presents evidence of residence elsewhere in the county, the clerk of the county commission shall accept a request for change of address and remove the challenge.

§3-2-29. Custody of original registration records.

(a) All original registration records in paper format shall remain in the custody of the county commission, by its clerk, or, electronically, in the statewide voter registration database and shall not be removed except for use in an election or by the order of a court of record or in compliance with a subpoena duces tecum issued by the Secretary of State pursuant to the provisions of section six, article one-a of this chapter.

(b) All original voter registration records shall be retained for a minimum of five years following the last recorded activity relating to the record, except that any application which duplicates and does not alter an existing registration shall be retained for a minimum of two years following its receipt: *Provided*, That following approval by the Secretary of State pursuant to subsection (c) of this section, the clerk of the county commission may destroy original registration records that have been retained for a period of time if an exact digital or facsimile copy of each of the records is made and stored in an electronic format in a secure manner on one or more servers under the control of the clerk of the county commission. Digital or facsimile copies may include but are not limited to PDF or JPEG formats. The Secretary of State shall promulgate rules pursuant to the provisions of chapter twenty-nine-a of this code for the specific retention times and procedures required for original voter registration records.

(c) Prior to the destruction of original voter registration applications or registration cards of voters whose registration has been canceled at least five years previously, the clerk of the county commission shall notify the Secretary of State of the intention to destroy those records. If the Secretary of State determines, within ninety days of the receipt of the notice, that those records are of sufficient historical value that microfilm or other permanent data storage is desirable, the Secretary of State may require that the records be delivered to a specified location for processing at state expense.

(d) Active, inactive, pending, rejected, and canceled registration records shall be maintained as a permanent record, as follows:

(1) Individual canceled registration records shall be maintained in the statewide voter registration database for a period of at least five years following cancellation. Upon the expiration of five years, those individual records may be removed from the statewide voter registration database and disposed of in accordance with the appropriate document retention policy.

(2) Rejected registration records shall be maintained in the same manner as provided for cancelled registration records.

§3-2-30. Public inspection of voter registration records in the office of the clerk of the county commission; providing voter lists for noncommercial use; prohibition against resale of voter lists for commercial use or profit.

1. Any person may examine the active, inactive, rejected and canceled voter registration records during office hours of the clerk of the county commission in accordance with chapter twenty-nine-b of this code.

Active, inactive, rejected and canceled voter files are to be maintained in electronic data format. Any person may examine voter record information in printed form or in a read-only data format on a computer terminal set aside for public use, if available. The data files available for examination and copying shall include all registration and voting information maintained in the file, but may not include the registrant's telephone number, email address, Social Security number or driver's license number or nonoperator's identification number issued by the Division of Motor Vehicles.

(b) The clerk of the county commission shall, upon request, provide printed copies of the lists of voters for each precinct. No list prepared under this section may include the registrant's telephone number, email address, Social Security number or driver's license number or nonoperator's identification number issued by the Division of Motor Vehicles. The clerk shall establish a written policy, posted within public view, listing the options for selection and sorting criteria and available data elements. The data elements shall include, at least:

- (1) The name, residence address, political party affiliation and status of the registrant;
- (2) The available formats of the lists; and
- (3) The times at which lists will be prepared. A copy of the county policy shall be filed with the Secretary of State no later than January 1 of each even-numbered year.

(c) Lists of registered voters may be obtained for noncommercial purposes in data format on disk or as a printed list provided by the clerk of the county commission at a cost of one cent per name. No data file prepared under this subsection may include the registrant's telephone number, email address, Social Security number or driver's license number or nonoperator's identification number issued by the Division of Motor Vehicles.

(d) The fees received by the clerk of the county commission shall be kept in a separate fund under the supervision of the clerk and may be used for the purpose of defraying the cost of the preparation of the voter lists. After deducting the costs of preparing voter lists, the clerk shall deposit the net proceeds from the sale of the voter lists in the State Election Fund as set forth in subsection (b), section forty-eight, article one of this chapter.

(e) The Secretary of State shall make voter lists available for sale subject to the limitations as provided in subsection (a) of this section. The fees for the voter lists shall be as prescribed

(f) No voter registration lists or data files containing voter names, addresses or other information derived from voter data files obtained pursuant to the provisions of this article may be used for commercial or charitable solicitations or advertising, sold or reproduced for resale.
