

WEST VIRGINIA CODE: §3-4A-20

§3-4A-20. Non-affiliated voters in primary elections.

Unless a voter, not affiliated with a party, is permitted to participate in the primary election of a political party, the following provisions apply to voters, not affiliated with a party, in primary elections that include non-partisan candidates or public questions:

- (1) Election officers shall provide a vote recording device, where applicable, or the appropriate ballot to be marked by an electronically sensible pen or ink, or by means of a stylus or by means of touch or by other electronic means, so that voters not affiliated with a party may vote only those portions of the ballot relating to the nonpartisan candidates and the public questions submitted, or shall provide a ballot containing only provisions for voting for those candidates and upon those issues submitted common to the ballots provided to all voters regardless of political party affiliation, or both.
- (2) In counties utilizing electronic voting systems in which votes are recorded by perforating, if vote recording devices are not available for the voters not affiliated with a party, provisions are to be made for sealing the partisan section or sections of the ballot or ballot labels on a vote recording device using temporary seals, thus permitting the voter not affiliated with a party to vote for the nonpartisan section or sections of the ballot or ballot labels.
- (3) After a voter not affiliated with a party has voted, temporary seals may be removed and the device may then be used by partisan voters.
