

WEST VIRGINIA CODE: §30-1-18

§30-1-18. Retired, volunteer and inactive status licenses.

(a) Every board referred to in this chapter may propose rules for legislative approval in accordance with the provisions of article three, chapter twenty-nine-a of this code, to establish licensure criteria and continuing education requirements for retired, volunteer and inactive licenses.

(b) If a board which establishes licensure criteria as authorized in this section does not establish specific continuing education requirements, the retired, volunteer or inactive licensees shall comply with the same continuing education requirements as established by the respective boards for an active license.
