WEST VIRGINIA CODE: §30-13A-20

§30-13A-20. Certificate of authorization requirements.

(a) Each firm practicing surveying in West Virginia shall have a certificate of authorization.

(b) The board shall issue a certificate of authorization to a firm that:

(1) Practices surveying in West Virginia;

(2) Provides proof that the firm has employed a surveyor-in-charge;

(3) Has paid all applicable fees; and

(4) Completes such other requirements as specified by the board.
