## WEST VIRGINIA CODE: §30-1C-2

## §30-1C-2. Definitions.

In this article adopting the Interstate Medical Licensure Compact:

- (a) "Bylaws" means those bylaws established by the Interstate Commission pursuant to section eleven of this article for its governance, or for directing and controlling its actions and conduct.
- (b) "Commissioner" means the voting representative appointed by each member board pursuant to section eleven of this article.
- (c) "Compact" means the Interstate Medical Licensure Compact.
- (d) "Conviction" means a finding by a court that an individual is guilty of a criminal offense through adjudication, or entry of a plea of guilt or no contest to the charge by the offender. Evidence of an entry of a conviction of a criminal offense by the court shall be considered final for purposes of disciplinary action by a member board.
- (e) "Expedited License" means a full and unrestricted medical license granted by a member state to an eligible physician through the process set forth in the Compact.
- (f) "Interstate Commission" means the Interstate Medical Licensure Compact Commission created pursuant to section eleven of this article.
- (g) "License" means authorization by a state for a physician to engage in the practice of medicine, which would be unlawful without the authorization.
- (h) "Medical Practice Act" means laws and regulations governing the practice of allopathic and osteopathic medicine within a member state.
- (i) "Member Board" means a state agency in a member state that acts in the sovereign interests of the state by protecting the public through licensure, regulation, and education of physicians as directed by the state government.
- (j) "Member State" means a state that has enacted the Compact.
- (k) "Practice of Medicine" means the clinical prevention, diagnosis, or treatment of human disease, injury, or condition requiring a physician to obtain and maintain a license in compliance with the Medical Practice Act of a member state.
- (l) "Physician" means any person who:
- (1) Is a graduate of a medical school accredited by the Liaison Committee on Medical

Education, the Commission on Osteopathic College Accreditation, or a medical school listed in the International Medical Education Directory or its equivalent;

- (2) Passed each component of the United States Medical Licensing Examination (USMLE) or the Comprehensive Osteopathic Medical Licensing Examination (COMLEX-USA) within three attempts, or any of its predecessor examinations accepted by a state medical board as an equivalent examination for licensure purposes;
- (3) Successfully completed graduate medical education approved by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association;
- (4) Holds specialty certification or a time-unlimited specialty certificate recognized by the American Board of Medical Specialties or the American Osteopathic Association's Bureau of Osteopathic Specialists;
- (5) Possesses a full and unrestricted license to engage in the practice of medicine issued by a member board;
- (6) Has never been convicted, received adjudication, deferred adjudication, community supervision, or deferred disposition for any offense by a court of appropriate jurisdiction;
- (7) Has never held a license authorizing the practice of medicine subjected to discipline by a licensing agency in any state, federal, or foreign jurisdiction, excluding any action related to nonpayment of fees related to a license;
- (8) Has never had a controlled substance license or permit suspended or revoked by a state or the United States Drug Enforcement Administration; and
- (9) Is not under active investigation by a licensing agency or law-enforcement authority in any state, federal, or foreign jurisdiction.
- (m) "Offense" means a felony, gross misdemeanor, or crime of moral turpitude.
- (n) "Rule" means a written statement by the Interstate Commission promulgated pursuant to section twelve of this article that is of general applicability, implements, interprets, or prescribes a policy or provision of the Compact, or an organizational, procedural, or practice requirement of the Interstate Commission, and has the force and effect of statutory law in a member state, and includes the amendment, repeal, or suspension of an existing rule.
- (o) "State" means any state, commonwealth, district, or territory of the United States.
- (p) "State of Principal License" means a member state where a physician holds a license to practice medicine and which has been designated as such by the physician for purposes of registration and participation in the Compact.
