WEST VIRGINIA CODE: §30-22-13

§30-22-13. Inactive license requirements.

(a) A licensee who chooses not to continue in active practice and notifies the board in writing, may be granted inactive status.

(b) A person granted inactive status shall pay an inactive fee, is exempt from the continuing education requirements and cannot practice in this state.

(c) When an inactive licensee wants to return to active practice, he or she must complete all the continuing education requirements, pay all the applicable fees and meet all the other requirements prescribed by the board.
