WEST VIRGINIA CODE: §30-23-14

§30-23-14. Medical Imaging and Radiation Therapy Technology license from another state; license to practice in this state.

The board may issue a license to practice Medical Imaging and Radiation Therapy Technology in this state, without requiring an examination, to an applicant from another jurisdiction who:

(1) Is not a resident of this state;

(2) Is of good moral character:

(3) Holds a valid Medical Imaging and Radiation Therapy Technology license, certificate or other authorization, including the American Registry of Radiologic Technologists, or Nuclear Medicine Technology Certification Board or equivalent to practice Medical Imaging and Radiation Therapy Technology in another jurisdiction and meets requirements which are substantially equivalent to the Medical Imaging and Radiation Therapy Technology licensure requirements set forth in this article;

(4) Is not currently being investigated by a disciplinary authority of this state or another jurisdiction, does not have charges pending against his or her license or other authorization to practice Medical Imaging and Radiation Therapy Technology, and has never had a license or other authorization to practice Medical Imaging and Radiation Therapy Technology revoked;

(5) Has not previously failed an examination for licensure in this state;

(6) Has paid all the applicable fees; and

(7) Has completed other action as required by the board.
