

WEST VIRGINIA CODE: §30-30-13

§30-30-13. Scope of practice for a licensed graduate social worker.

A licensed graduate social worker may perform all duties within the scope of practice of a licensed social worker and provisional social worker as well as:

- (1) Appropriately conduct social work education, formally teaching social work theory and methodology to bachelor's and master's level social work students.
- (2) Conduct clinical or psychotherapeutic services, under the clinical supervision of another experienced and credentialed behavioral health professional, including individual, family and group methodologies.
