WEST VIRGINIA CODE: §30-30-13

§30-30-13. Scope of practice for a licensed graduate social worker.

A licensed graduate social worker may perform all duties within the scope of practice of a licensed social worker and provisional social worker as well as:

(1) Appropriately conduct social work education, formally teaching social work theory and methodology to bachelor's and master's level social work students.

(2) Conduct clinical or psychotherapeutic services, under the clinical supervision of another experienced and credentialed behavioral health professional, including individual, family and group methodologies.
