WEST VIRGINIA CODE: §30-32A-5

§30-32A-5. Compact privilege to practice telehealth.

(a) Member states shall recognize the right of an audiologist or speech-language pathologist, licensed by a home state in accordance with §30-32A-3 of this code and under rules promulgated by the commission, to practice audiology or speech-language pathology in any member state via telehealth under a privilege to practice as provided in the compact and rules promulgated by the commission.

(b) A licensee providing audiology or speech-language pathology services in a remote state under the compact privilege shall function within the laws and regulations of the state where the patient, client, or student is located.
