

WEST VIRGINIA CODE: §30-3E-7

§30-3E-7. Expired license requirements.

(a) If a license automatically expires and reinstatement is sought within one year of the automatic expiration, then an applicant shall submit:

- (1) A complete reinstatement application;
- (2) The applicable fees;
- (3) Proof that he or she has passed Physician Assistant National Certifying Examination; and
- (4) An attestation that all continuing education requirements have been met.

(b) If a license automatically expires and more than one year has passed since the automatic expiration, then an applicant shall apply for a new license.
