- (7) All meeting of the executive committee at which it votes or plans to vote on matters in exercising the powers and duties of the commission shall be open to the public and public notice of such meetings shall be given as public meetings of the commission are given.
- (8) The executive committee may convene in a closed, non-public meeting for the same reasons that the commission may convene in a non-public meeting as set forth in §30-3G-7(d)(3) of this code and shall announce the closed meeting as the commission is required to under §30-3G-7(d)(4) of this code and keep minutes of the closed meeting as the commission is required to under §30-3G-7(d) of this code.
- (g) Qualified immunity, defense, and indemnification.
- (1) The members, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities: *Provided*, That nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the commission shall not in any way compromise or limit the immunity granted hereunder.
- (2) The commission shall defend any member, officer, executive director, employee, and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities: *Provided*, That nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense: *Provided, however*, That the actual or alleged act, error, or omission did not result

from that person's intentional, or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities: *Provided*, That the actual or alleged act, error, or omission did not result from the intentional, or willful or wanton misconduct of that person.

(4) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses in any proceedings as authorized by commission rules.

(5) Nothing herein shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(6) Nothing herein shall be construed to designate the venue or jurisdiction to bring actions for alleged acts of malpractice, professional misconduct, negligence, or other such civil action pertaining to the practice of a physician assistant. All such matters shall be determined exclusively by state law other than this compact.

(7) Nothing in this compact shall be interpreted to waive or otherwise abrogate a participating state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or regulation.

(8) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the participating states or by the commission.
