WV Legislature

(c) The board, the Board of Medicine, and the Board of Osteopathic Medicine shall jointly agree and propose rules concerning collaborative pharmacy practice for legislative approval in accordance with the provisions of §29A-3-1 *et seq*. of this code.

(d) The board, with the advice of the Board of Medicine and the Board of Osteopathic Medicine, shall propose rules for legislative approval in accordance with the provisions of §29A-3-1 *et seq*. of this code to perform influenza and pneumonia immunizations on a person of 18 years of age or older. These rules shall provide, at a minimum, for the following:

(1) Establishment of a course, or provide a list of approved courses, in immunization administration. The courses shall be based on the standards established for such courses by the Centers for Disease Control and Prevention in the public health service of the United States Department of Health and Human Services;

(2) Definitive treatment guidelines which shall include, but not be limited to, appropriate observation for an adverse reaction of an individual following an immunization;

(3) Prior to administration of immunizations, a pharmacist shall have completed a board-approved immunization administration course and completed an American Red Cross or American Heart Association basic life-support training, and maintain certification in the same;

(4) Continuing education requirements for this area of practice;

(5) Reporting requirements for pharmacists administering immunizations to report to the primary care physician or other licensed health care provider as identified by the person receiving the immunization;

(6) Reporting requirements for pharmacists administering immunizations to report to the West Virginia Statewide Immunization Information;

(7) That a pharmacist may not delegate the authority to administer immunizations to any other person, unless administered by a licensed pharmacy intern or registered pharmacy technician under the direct supervision of a pharmacist of whom the pharmacist, the pharmacist technician and intern have successfully completed all board-required training; and

(8) Any other provisions necessary to implement the provisions of this section.

(e) The Board of Medicine and the Board of Osteopathic Medicine shall propose joint rules, by July 1, 2023, for legislative approval in accordance with the provisions of §29A-3-1 *et seq*. of this code to permit a licensed pharmacist, pharmacy technician or pharmacy intern to administer immunizations in accordance with definitive treatment guidelines for immunizations promulgated by the latest notice from the U.S. Department of Health and Human Services, Centers for Disease Control and Prevention (CDC), including, but not limited to, the CDC’s recommended immunization schedule for adults, children, and
