

WEST VIRGINIA CODE: §30-7C-6

§30-7C-6. Approval of training programs and testing standards.

- (a) The Board shall prescribe standards for approved dialysis technician training programs, and prescribe testing standards and requirements, by legislative rule.
- (b) Persons and organizations providing training programs and testing services must be approved by the board.
- (c) Approval may be denied or withdrawn for failure to meet the standards set out in code or rule.
