(a) A corporation's registered agent is the corporation's agent for service of process, notice or demand required or permitted by law to be served on the corporation.

(b) If a corporation has no registered agent, or the agent cannot with reasonable diligence be served, the corporation may be served by registered or certified mail, return receipt requested, addressed to the secretary of the corporation at its principal office. Service is perfected under this subsection at the earliest of:

(c) In addition to the methods of service on a corporation provided in subsections (a) and (b) of this section, the Secretary of State is hereby constituted the attorney-in-fact for and on behalf of each corporation created pursuant to the provisions of this chapter. The Secretary of State has the authority to accept service of notice and process on behalf of each corporation and is an agent of the corporation upon whom service of notice and process may be made in this state for and upon each corporation. No act of a corporation appointing the Secretary of State as attorney-in-fact is necessary. Service of any process, notice or demand on the Secretary of State may be made by delivering to and leaving with the Secretary of State the original process, notice or demand and two copies of the process, notice or demand for each defendant, along with the fee required by section two, article one, chapter fifty-nine of this code: Provided, That with regard to a class action suit in which all defendants are to be served with the same process, notice or demand, service may be made by filing with the Secretary of State the original process, notice or demand and one copy for each named defendant. issued. Service or acceptance of process or notice is sufficient if return receipt is signed by an agent or employee of the corporation, or the registered or certified mail sent by the Secretary of State is refused by the addressee and the registered or certified mail is returned to the Secretary of State, or to his or her office, showing the stamp of the United States Postal Service that delivery has been refused, and the return receipt or registered or certified mail is received by the Secretary of State by a means which may include electronic issuance and acceptance of electronic return receipts. After receiving verification from the United States Postal Service that acceptance of process, notice or demand has been signed, the Secretary of State shall notify the clerk's office of the court from which the process, notice or demand was issued by a means which may include electronic notification. If the process, notice or demand was refused or undeliverable by the United States Postal Service the Secretary of State shall create a preservation duplicate from which a reproduction of the stored record may be retrieved which truly and accurately depicts the image of the original record. The Secretary of State may destroy or otherwise dispose of the original returned or undeliverable mail. Written notice of the action by the Secretary of State must then be provided by certified mail, return receipt requested, facsimile, or by electronic mail, to the clerk's office of the court from which the process, notice or demand was issued. No process or notice may be served on the Secretary of State or accepted by him or her less than ten days before the return day of the process or notice. The court may order continuances as may be reasonable to afford each defendant opportunity to defend the action or proceedings.
