

WEST VIRGINIA CODE: §311-1-10

§311-1-10. Minimum trust assets under management certification.

As part of the notice to the State Auditor required of any private trust company or licensed private trust company that is required under §311-1-4 of this code, an affidavit must also be submitted by the applicant, signed under penalty of perjury, certifying that the private trust company or licensed private trust company serves or will serve as trustee for one or more trusts having at least \$50,000,000 in aggregate trust assets under management as of the date of such affidavit.
