All powers, duties, rights, and privileges vested in the division are hereby vested in the commissioner. He or she shall be the chief executive officer of the Division of Financial Institutions and is responsible for the division's organization, services, and personnel and for the orderly and efficient administration, enforcement, and execution of the provisions of this chapter and all laws vesting authority or powers in, or prescribing duties or functions for, the division or the commissioner.

(b) The commissioner shall:

No person shall divulge any information contained in any records except as authorized in this subdivision in response to a valid subpoena or subpoena duces tecum issued pursuant to law in a criminal proceeding or in a civil enforcement action brought by the state or federal regulatory authorities. Subpoenas shall first be directed to the commissioner, who shall authorize disclosure of relevant records and information from the records for good cause, upon imposing terms and conditions considered necessary to protect the confidential nature of the records, the financial integrity of the financial institution, or the person to which the records relate, and the legitimate privacy interests of any individual named in the records. The provisions of this subdivision are not applicable to applicants seeking interim bank charters organized solely for the purpose of facilitating the acquisition of another bank pursuant to §31A-4-5 of this code. As used in this subdivision, the term "principals" means the chief executive officer, regardless of title, managing partner if a partnership, members of the organizing group if no chief executive officer has yet been appointed, trustee, or other person controlling the conduct of the affairs of a licensee. A person controlling 10 percent or more of the stock of any corporate applicant shall be considered to be a principal under this provision. Notwithstanding any other provision of this code to the contrary, the commissioner may determine alternate acceptable forms for background check information for direct or indirect principals of a licensee or applicant for a mortgage lender or broker license or a money transmission license who are not residents of the United States if such licensee or applicant also has owners or principals who are residents of the United States and the division has been provided adequate background information, as provided in this subdivision, for such owners or principals of the licensee or applicant who are United States residents. The commissioner may establish relationships or contracts with the Nationwide Mortgage Licensing System and Registry or other entities designated by the Nationwide Mortgage Licensing System and Registry to collect and maintain records related to criminal background investigations and fingerprints of persons subject to this subsection.

If the application be that of a financial institution other than a banking institution, the Commissioner of Banking shall examine the information, documents and statements submitted and, if he or she finds that such financial institution has adequate resources for the proposed business and has provided practical, safe, just and equitable rules and methods for the management of its business, and it has complied in all respects with the provisions of this chapter and other applicable laws, and that the public convenience and advantage will be promoted by the issuance of a certificate or license thereto, he or she shall issue to it a certificate or license permitting it to engage in business. Such certificate or license shall be preserved and the original or copy thereof displayed in all the places of business of such banking or other financial institution located in this state.

Thereafter a new certificate or license shall be secured annually by any such foreign corporation, except where annual renewal of the license or certificate is specifically not required for the type of institution involved. The fee for the original and each additional license or certificate issued to a foreign corporation shall be \$100, unless otherwise provided by statute. A verified statement of the financial condition of every such foreign corporation shall be filed with the Commissioner before the issuance of each annual certificate or license. Such certificate or license shall be preserved and the original or copy thereof displayed in the West Virginia place of business of such corporation.

(g) No amendment of the charter or bylaws of any domestic or foreign corporation, other than an out-of-state banking institution, engaging in business in this state as a financial institution shall become effective until the proposed change shall have been submitted to and approved by the Commissioner of Banking; but, if the Commissioner does not disapprove such proposed change within twenty days after it is received by him or her, it shall be deemed to have been approved.

(h) Unless specifically provided for by this chapter, nothing contained in this code shall authorize any person to engage in the banking business in this state except corporations chartered to conduct a banking business under the laws of West Virginia and which hold a license or certificate to do so issued under this section, limited liability companies organized to conduct a banking business under the laws of West Virginia and which hold a license or certificate to do so under this section or associations authorized to conduct a banking business in West Virginia under the laws of the United States and having their principal place of business in this state.

§31A-2-6. Commissioner's examinations of financial institution; reports; records; communications from commissioner to institution; examination by federal or out-of-state agency in lieu of commissioner's examination.

(a) The commissioner shall make a thorough examination of all the books, accounts, records and papers of every depository financial institution using the same frequency of examination schedule as the financial institution's primary federal regulator. He or she shall carefully examine all of the assets of each institution, including its notes, drafts, checks, mortgages, securities deposited to assure the payment of debts unto it and all papers, documents and records showing, or in any manner relating to, its business affairs and shall ascertain the full amount and the nature in detail of all of its assets and liabilities. The commissioner may also, at his or her discretion, make or cause to be made an annual or periodic examination of the books, accounts, records and papers of other financial institutions under his or her supervision for the purposes of determining compliance with applicable consumer and credit lending laws and verifying information provided in any license application or annual report submitted to the commissioner. The commissioner may also make an examination of any subsidiaries or affiliates of a financial institution as he or she may consider necessary to ascertain the financial condition of the financial institution, the relations between the financial institution and its subsidiaries and affiliates and the effect of the relations upon the affairs of the financial institution. A full report of every examination shall be made and filed and preserved in the office of the commissioner and a copy of it immediately mailed to the institution examined. Every institution shall retain all of its records of final entry for the period of time as required in section thirty-five, article four of this chapter for banking institutions. Unless otherwise covered by assessments or a specific provision of this code, the cost of examinations made pursuant to this section shall be borne by the financial institution at a rate of \$50 per each examiner hour expended.

(b) Every official communication from the commissioner to any institution, or to any officer thereof, relating to an examination or an investigation of the affairs of the institution conducted by the commissioner or containing suggestions or recommendations as to the manner of conducting the business of the institution, shall be read by the board of directors at the next meeting after its receipt and the president, or other executive officer, of the institution shall immediately notify the commissioner in writing of the presentation and reading of the communication and of any action taken on it by the institution.

(c) The Commissioner of Banking, in his or her discretion, may: (i) Accept a copy of a reasonably current examination of any banking institution made by the Federal Deposit Insurance Corporation or the Federal Reserve System in lieu of an examination of the banking institution required or authorized to be made by the laws of this state and the commissioner may furnish to the Federal Deposit Insurance Corporation or the Federal Reserve System or to any official or examiner thereof any copy or copies of the commissioner's examinations of and reports on the banking institutions; (ii) accept a copy of a reasonably current examination of any out-of-state bank or any West Virginia state bank's out-of-state activities made by another state's banking regulatory authority in lieu of an

examination of the banking institution required or authorized to be made by the laws of this state and the commissioner may furnish to the other state's banking regulatory authority or to any official or examiner thereof any copy or copies of the commissioner's examinations of and reports on the banking institutions; but nothing in this subsection shall be construed to limit the duty and responsibility of banking institutions to comply with all provisions of law relating to examinations and reports, nor to limit the powers and authority of the commissioner of banking with reference to examinations and reports under existing laws. The provision or exchange of examination reports and other records of financial condition and individuals pursuant to cooperative, coordinating or information-sharing agreements with other bank supervisory agencies and persons as permitted by this chapter under an agreement of confidentiality shall not constitute a violation of section four of this article.

§31A-2-7. Duties of officers, employees, etc., of financial institution in connection with examination; examination under oath; offenses and penalties.

All officers, directors, employees and other persons connected with any financial institution, upon request of the commissioner of banking, or his or her duly authorized representative, shall furnish and give full access to all of the books, papers, notes, bills and other evidences of debts due to the institution; produce and furnish all documents, records, writings and papers relating to the business of the institution which the commissioner is authorized to examine; disclose fully, accurately and in detail all of the debts and liabilities of the institution; and furnish the clerical aid and assistance as may be required in the performance of the commissioner's duties as provided by law. The commissioner or his or her representative, as the case may be, shall have the right and authority to administer oaths and to examine under oath each officer, director, employee or other person connected with the institution concerning any matter and thing pertaining to the business and condition of the institution.

Any officer, director, employee or other person connected with any such institution who willfully fails or refuses to so furnish the documents, papers, materials or information as herein required or who willfully fails to discharge any other duty or obligation as herein provided shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to the penalties provided in section fifteen, article eight of this chapter.

The assessments and fees paid into this account shall be appropriated by law and used to pay the costs and expenses of the Division of Banking and all incidental costs and expenses necessary for its operations. At the end of each fiscal year, if the fund contains a sum of money in excess of twenty percent of the appropriated budget of the Division of Banking, the amount of the excess shall be transferred to the General Revenue Fund of the state. (4) For each bank holding company, an annual assessment as provided for in section eight, article eight-a of this chapter. The annual assessment may not exceed ten dollars per million dollars in deposits rounded off to the nearest million dollars.

(c) The commissioner shall each December March, June and September prepare and send to each state banking institution a statement of the amount of the assessment due. The commissioner shall further, each June, prepare and send to each regulated consumer lender and each state credit union a statement of the amount of the assessment due. The commissioner shall annually, during the month of January, prepare and send to each bank holding company a statement of the amount of the assessment due.

State banking institution assessments may be prescribed every three months, not later than June 15 September 15, December 15 and March 15 by written order of the commissioner, but shall not exceed the maximums as set forth in subsection (b) of this section. In setting the assessments the primary consideration shall be the amount appropriated by the Legislature for the Division of Banking for the corresponding annual period. Reasonable notice of the assessments shall be made to all interested parties. All orders of the commissioner for the purpose of setting assessments are not subject to the provisions of the West Virginia administrative procedures act under chapter twenty-nine-a of this code.

(d) For making an examination within the state of any other financial institution for which assessments are not provided by this code, the commissioner of banking shall charge and collect from such other financial institution and pay into the special revenue account for the Division of Banking the actual and necessary costs and expenses incurred in connection therewith, as fixed and determined by the commissioner. Banks that provide only trust or other nondepository services, nonbanking subsidiaries of bank holding companies that provide trust services, nonbanking subsidiaries of banks that provide trust services and any trust entity that is jointly owned by federally insured depository institutions may be assessed for necessary costs and expenses associated with an examination pursuant to this subsection.

(e) If the records of an institution are located outside this state, the institution at its option shall make them available to the commissioner at a convenient location within the state or pay the reasonable and necessary expenses for the commissioner or his or her representatives to examine them at the place where they are maintained. The commissioner may designate representatives, including comparable officials of the state in which the records are located, to inspect them on his or her behalf.

(f) The Commissioner of Banking may maintain an action for the recovery of all assessments,

costs and expenses in any court of competent jurisdiction.

§31A-2-9. Correction of violations of law, irregularities and unsound practices; disposition of doubtful assets and past-due obligations; stockholders' meetings.

Whenever it appears that any law, rule and regulation or order applicable to any financial institution is being violated, or that any irregularities exist or unsound practices or procedures are being engaged in, it shall be the duty of the commissioner of banking to promptly call the same to the attention of the officers and directors of the financial institution offending and to demand that the same be promptly corrected; and he or she may require a sworn statement from the said officers and directors covering the matter of all such violations and of all such irregularities, unsound practices or procedures to be furnished to him or her as often as he or she may deem necessary, until he or she is satisfied that such violations have ceased and that the irregularities, unsound practices or procedures complained of have been corrected. Such reports shall not be made public, except as necessary as part of any order or other enforcement action or proceeding.

If any such institution owns any asset, the value of which, in the judgment of the commissioner of banking, is questionable, or owns past-due obligations, the commissioner of banking may require the assets of doubtful value to be at once converted into money or charged off of the books of the financial institution at the expiration of three months from the date of such order; or require legal proceedings to be at once instituted for the collection of any past-due obligations to the financial institution or that they be charged off.

Upon the written notice of the commissioner of banking, the directors of any financial institution shall call a general meeting of the stockholders thereof to consider such matters as the commissioner may prescribe. Notice of such meeting shall be given in accordance with applicable statutes and the bylaws of the financial institution. The expense of such meeting and notice thereof shall be borne by the financial institution whose stockholders are so required to convene.

§31A-2-12. Commissioner's annual report; contents; affidavit.

Annually on or before December 1, the commissioner of banking shall prepare and submit to the Governor a careful and complete report, detailing the work, services and functions performed by him during the preceding fiscal year. The report shall show the total resources and liabilities of all financial institutions, the increase or decrease for the year in the aggregate of such resources and liabilities, carefully noting any failures that may have occurred, stating the causes thereof, and making such remarks, suggestions and recommendations as he may deem pertinent, including recommendations on policy, administration and legislation pertaining to all financial institutions.

Such report shall be verified by the affidavit of said commissioner, who shall swear that, in making the examination of each financial institution he or a qualified person in his department appointed by him has personally and carefully inspected the books, papers and affairs of the institution, or in the case of any banking institution, that he has accepted a reasonably current examination made by the federal deposit insurance corporation or the federal reserve system in lieu of conducting such an examination, and that he has not, and, so far as he knows or is informed, no person in his department has, in any case received or agreed to receive directly or indirectly any reward, gift, or promise thereof, from any officer or other person connected with any financial institution.

§31A-2-12a. Establishment of deposit acquisition limitation.

After a review of the structure of depository institutions in the State of West Virginia, the Legislature hereby determines that:

- (a) It is in the best interest of this state and its citizens to foster and encourage healthy competition among its domestic depository institutions;
- (b) Obtaining excessive concentration or control of the deposit resources of this state by merger or acquisition is antithetical to fostering a competitive environment; and
- (c) Therefore, an acquisition or merger shall not be permitted under this chapter or otherwise if upon consummation of the transaction, the resulting depository institution or its holding company, including any depository institution(s) affiliated therewith, would assume sufficient additional deposits to cause it to control deposits in this state in excess of the following acquisition deposit limitation amount: Twenty percent of the total amount of all deposits held by insured depository institutions, which permissible amount shall increase to twenty-five percent of such total deposits on May 31, 1997.
- (d) The term "depository institutions", as used in this section, shall include, but is not limited to, state-chartered banking institutions, national banking associations, federal savings and loan associations, bank holding companies, savings and loan holding companies, federal savings banks, state-chartered credit unions and federally-chartered credit unions.
- (e) Any merger or acquisition contrary to this provision is unlawful: Provided, That the commissioner may by rule adopt a procedure whereby said acquisition deposit limitation as set forth herein may be waived for good cause shown.

§31A-2-13. Enforcement of orders of the commissioner against financial institutions.

(a) If any financial institution shall fail or refuse to comply with any order of the commissioner, entered pursuant to the provisions of paragraphs (A) or (B), subdivision (15), subsection (c), section four of this article, the commissioner may apply to any court having jurisdiction for a prohibitory or mandatory injunction or other appropriate remedy to compel obedience to such order; or may apply to the board of banking and financial institutions for appropriate relief.

(b) In addition, if any financial institution other than a state bank shall fail or refuse to comply with any order of the commissioner, entered pursuant to the provisions of paragraphs (A) or (B), subdivision (15), subsection (c), section four of this article, the commissioner may make and enter an order revoking the certificate of authority, permit or license of such institution to engage in the business of a financial institution in this state.

§31A-2-14. Banking interests of and acceptance of gratuities by officers and employees of department.

No officer or employee of the department of banking shall be an officer, director, trustee, attorney, owner, shareholder, or partner in or of any financial institution. Nor shall any officer or employee of the department receive, directly or indirectly, any payment or gratuity from any financial institution, or be engaged in any manner in the negotiation of loans for others therewith. Nothing herein shall prohibit said persons from having shares as a result of membership in a credit union, mutual savings association, or similar depository institution by virtue of being a customer; nor shall it prohibit the receipt of interest or other payments on accounts made in the regular course of business.
