# **WEST VIRGINIA CODE CHAPTER 31c**

*WV Legislature*

**§31C-1-1. Definitions.**

In construing this chapter, the following definitions shall apply unless such application would produce a result clearly inconsistent with the context of the statutory provision.

(a) "Board of banking and financial institutions" means the board created pursuant to section one, article three, chapter thirty-one-a of this code and is referred to herein as "board."

(b) "Commissioner" means the West Virginia commissioner of banking.

(c) "Corporate credit union" means a credit union whose field of membership consists primarily of other credit unions.

(d) "Credit union" means a cooperative, nonprofit corporation, incorporated under this chapter, for the purposes of encouraging thrift among its members, creating a source of credit at fair and reasonable rates of interest, and providing an opportunity for its members to use and control their own money on a democratic basis in order to improve their economic and social condition.

(e) "Deposit account" means a balance held by a credit union and established by a member, another credit union or a governmental unit in accordance with standards specified by the credit union including balances designated as deposits, deposit certificates, checking accounts or other names. Ownership of a deposit account does not confer membership or voting rights and does not represent an interest in the equity capital of the credit union upon dissolution or conversion to another type of institution. A deposit account is a debt owed by the credit union to the account holder.

(f) "Equity capital" means reserves, loan loss and investment loss allowance accounts, and undivided earnings.

(g) "Fixed asset" means a structure, land, computer hardware and software, furniture, office equipment and heating and cooling equipment that is affixed to premises.

(h) "Governmental unit" means any board, agency, department, authority, instrumentality or other unit or organizations of the federal, state, county, municipal or other level of government.

(i) "Immediate family" means one's wife or husband, and children, brothers, sisters or parents of the member or their spouse. The term "children" also includes stepchildren, foster children and adopted children.

(j) "Insolvent" means the condition that results when the institution is unable to pay its debts to its depositors, members and other creditors in the ordinary and usual course of business or when it is in a state of balance sheet insolvency such that its assets are less than its liabilities, exclusive of equity capital. The term "about to be insolvent" means the institution would be unable to meet the demands of its depositors or members, or to make adequate

provision for their timely payment if it were immediately closed for the purpose of liquidation.

(k) "Insuring organization" means an organization that provides aid and financial assistance to credit unions that are in the process of liquidation or are incurring financial difficulty in order that the share and deposit accounts in the credit unions shall be protected or guaranteed against loss either without limit or up to a specified level for each account.

(l) "Membership share" means a balance held by a corporate credit union and established by a member in accordance with standards specified by the corporate credit union. Ownership of a membership share represents an interest in the capital of the corporate credit union upon dissolution or conversion to another type of institution.

(m) "Organization" means any corporation, association, partnership, society, firm, syndicate, trust or other legal entity.

(n) "Person" means any natural person, organization or governmental unit.

(o) "Reserves" means allocations of retained income and includes regular and special reserves, except for any allowances for loan losses and investment losses.

(p) "Risk assets" means all assets other than cash on hand, deposits and/or shares in federally or state-insured banks, savings and loan associations, and credit unions that have a remaining maturity of five years or less, or which otherwise qualify as risk assets as set forth in 12 CFR 700.1(i) and shall include membership shares in corporate credit unions.

(q) "Share account" or "shares" means a balance held by a credit union and established by a member in accordance with standards specified by the credit union including balances designated as shares, share certificates, share draft accounts or other names. However, it does not include membership shares issued by a corporate credit union. Ownership of a share account confers membership and voting rights and represents an interest in the equity capital of the credit union upon dissolution or conversion to another type of institution.

**§31C-1-2. Authority of commissioner and board of banking and financial institutions.**

The commissioner of the department of banking shall be responsible for the supervision and regulation of credit unions incorporated under this chapter or previously incorporated under this code. The commissioner is specifically charged with administering the supervisory and regulatory responsibilities set forth in this chapter, in conjunction with the board of banking and financial institutions as set forth in section two, article three, chapter thirty-one-a of this code.

**§31C-1-3. Powers of commissioner.**

(a) The commissioner may prescribe rules to implement any provision of this chapter and to define any term not defined in the chapter. Such rules shall serve to foster and maintain an effective level of credit union services and the security of member accounts.

(b) The commissioner may restrict the withdrawal of share or deposit accounts or both from any credit union having determined circumstances make such restriction necessary for the proper protection of shareholders or depositors.

(c) The commissioner may issue cease and desist orders pursuant to section four, article two, chapter thirty-one-a of this code if a credit union is engaged or has engaged, or when the commissioner has reasonable cause to believe the credit union is about to engage, in an unsafe or unsound practice, or is violating or has violated or the commissioner has reasonable cause to believe is about to violate a material provision of any law, rule or any condition imposed in writing by the commissioner or any written agreement made with the commissioner.

(d) The commissioner may suspend from office and prohibit from further participation in any manner in the conduct of the affairs of a credit union any director, officer or committee member who has committed any violation of a law, rule or of a cease and desist order or who has engaged or participated in any unsafe or unsound practice in connection with the credit union or who has committed or engaged in any act, omission or practice which constitutes a breach of that person's fiduciary duty as such director, officer or committee member, when the commissioner has determined that such action or actions have resulted or will result in substantial financial loss or other damage that seriously prejudices the interests of the members.

(e) The commissioner shall have the power to subpoena witnesses, compel their attendance, require the production of evidence, administer oaths and examine any person under oath in connection with any subject relating to a duty imposed upon or a power vested in the commissioner.

(f) The commissioner may enter into cooperative, coordinating or information-sharing agreements with any other state or federal credit union supervisory agency or any organization affiliated with or representing one or more credit union supervisory agencies.

(g) The commissioner shall also in connection with the supervision of credit unions have all powers set forth in article two, chapter thirty-one-a of this code relating to the regulation of credit unions as financial institutions and to any subsidiary or affiliate organization of such credit union.

**§31C-1-4. Suspension; involuntary liquidation.**

(a) If it appears that any credit union is bankrupt, insolvent, about to be insolvent or that it has willfully violated this chapter, or is operating in an unsafe or unsound manner, the commissioner may, without prior hearing, issue an order temporarily suspending the credit union's operations. The credit union's board of directors shall be given notice by registered mail of such suspension, which notice shall include a list of the reasons for such suspension, and a list of the specific violations of this chapter, if any. The commissioner shall also notify the insuring organization and the board of banking and financial institutions of any suspension.

(b) Upon receipt of such suspension notice, the credit union shall cease all operations, except those authorized by the commissioner. The credit union's board of directors shall then file with the commissioner a reply to the suspension notice within five business days of its receipt, and must therein request a hearing to be held within sixty days to present a plan of corrective actions proposed if they desire to continue operations. Alternatively, the credit union's board of directors may request that the credit union be declared insolvent and a liquidating agent be appointed.

(c) Upon receipt from the suspended credit union of evidence that the conditions causing the order of suspension have been corrected, the commissioner may revoke the suspension notice, permit the credit union to resume normal operations, and notify the insuring organization and the board of banking and financial institutions of such action.

(d) If the commissioner, after issuing notice of suspension and providing an opportunity for a hearing, rejects the credit union's plan to continue operations, or if the commissioner after accepting or directing a plan for continued operations finds that the credit union has failed to comply with the plan's substantive corrective provisions, then the commissioner may issue a notice of involuntary liquidation and appoint a liquidating agent. The credit union shall be given at least sixty days in which to take corrective action upon acceptance or issuance of any corrective plan by the commissioner. The credit union may request the appropriate court to stay execution of an involuntary liquidation sought under this subsection. However, nothing in this section prevents the commissioner from appointing a conservator pursuant to section three, article seven, chapter thirty-one-a of this code, including a temporary appointment of a conservator pending the correction of the conditions causing the suspension, or appointing a receiver and seeking to liquidate the credit union pursuant to section four, article seven, chapter thirty-one-a of this code when necessary in order to protect the interest of the credit union's members and depositors.

(e) If, within the suspension period, the credit union fails to answer the suspension notice or request a hearing, the commissioner may then revoke the credit union's charter, appoint a liquidating agent and liquidate the credit union.

(f) In the event of liquidation, the assets of the credit union or the proceeds from any disposition of the assets shall be applied and distributed in the following sequence:

- (1) Secured creditors up to the value of their collateral;
- (2) Costs and expenses of liquidation;
- (3) Wages due the employees of the credit union;
- (4) Costs and expenses incurred by creditors in successfully opposing the release of the credit union from certain debts as allowed by the commissioner;
- (5) Taxes owed to the United States or any other governmental unit;
- (6) Debts owed to the United States;
- (7) General creditors, secured creditors to the extent their claims exceed the value of their collateral and owners of deposit accounts to the extent such accounts are uninsured;
- (8) Members, to the extent of uninsured share accounts and the organization that insured the accounts of the credit union; and
- (9) Members of a corporate credit union, to the extent of membership shares.

As soon as the appointed liquidating agent determines that all assets from which there is a reasonable expectancy of realization have been liquidated and distributed as set forth in this section, a certificate of dissolution shall be executed on a form prescribed by the commissioner and filed with the Secretary of State, which shall after filing and indexing same, be forwarded to the commissioner, whereupon the credit union shall be dissolved. The liquidating agent shall return all pertinent books and records of the liquidating credit union to the commissioner.

**§31C-1-5. Examinations.**

(a) The commissioner shall examine, or cause to be examined, each credit union at least once every eighteen months. A credit union and any of its officers and agents shall be required to give the commissioner, or the commissioner's representatives, full access to all books, papers, securities, records and other sources of information under their control.

(b) A report of such examination shall be forwarded to the credit union's board of directors within thirty days after completion. Said report shall contain comments relative to the management of the affairs of the credit union and the general condition of its assets. Within thirty days after the receipt of such report, the directors and committee members shall meet to consider matters contained in the report. Every official communication from the commissioner to any such institution, or to any officer thereof, relating to an examination or an investigation of the affairs of such institution conducted by the commissioner or containing suggestions or recommendations as to the manner of conducting the business of the institution, shall be read to the board of directors at the next meeting after the receipt thereof, and the president, or other executive officer, of the institution shall within fourteen days of such meeting notify the commissioner in writing of the presentation and reading of the communication and of any action taken thereon by the institution.

(c) In lieu of making an examination of a credit union, the commissioner may accept an examination or audit report of the condition of the credit union made by the national credit union administration.

**§31C-1-6. Records.**

(a) A credit union shall maintain all books, records, accounting systems and procedures in accordance with such rules as the commissioner from time to time prescribes. In prescribing such rules, the commissioner shall consider the relative size of a credit union and its reasonable capability of compliance. Unless otherwise required or permitted by a specific rule, credit unions shall follow the record retention requirements set forth in section thirty-five, article four, chapter thirty-one-a of this code.

(b) A credit union is not liable for destroying records after the expiration of the record retention time prescribed by subsection (a) of this section, except for any records involved in an official investigation or examination about which the credit union has received notice.

(c) Reproduction of any credit union records shall be admissible as evidence of transactions with the credit union as provided in section seven-b, article one, chapter fifty-seven; and section thirty-five, article four, chapter thirty-one-a of this code.

**§31C-1-7. Reports.**

(a) Credit unions shall report to the Commissioner semiannually during January and July of each calendar year on a date set by the Commissioner for the business periods ending June 30 and December 31, respectively on forms supplied by the Commissioner for that purpose. Additional reports may also be required.

(b) A charge of \$100 shall be levied for each day a credit union fails to provide a required report unless it is excused for cause by the Commissioner or courts.

(c) The fiscal year of each credit union incorporated under this chapter shall end on the last day of December.

(d) In addition to other reports that may be required under this chapter, every credit union with a main office or branch located in this state shall file with the Commissioner on or before September 1, of each year the amount of deposits and shares held by each office in this state (excluding automated teller machines) as of the immediately preceding thirtieth day of June.

**§31C-1-8. Assessments.**

The commissioner of banking shall charge and collect from each credit union and pay into a special revenue account in the State Treasury for the department of banking an annual assessment payable on July 1, computed upon the total assets of the credit union shown on the report of condition of the credit union as of the last business day in December of the previous year as is set out in section eight, article two, chapter thirty-one-a of this code.

(9) The manner of a member's appeal for a loan application disapproved by a loan officer, if the bylaws provide for the appointment of loan officers; and

(10) The par value of shares, and where applicable in corporate credit unions, any membership shares.

(d) The incorporators shall select at least five persons who are eligible for membership and who agree to become members and serve on the board of directors, and at least three other persons who are eligible for membership and who agree to become members and serve on the supervisory committee. The persons selected to serve on the board of directors and supervisory committee shall execute an agreement to serve in these capacities until the first annual meeting or until the election of their respective successors, whichever is later.

(e) The incorporators shall provide to the commissioner an affidavit of the expenses incurred or anticipated in the organization of the credit union.

(f) In their application to obtain a certificate of charter the incorporators shall forward to the commissioner the duplicate articles of incorporation and bylaws and the agreements to serve. The submission of these documents shall be accompanied by an investigation fee of \$100 payable to the commissioner.

**§31C-2-2. Certification of charter; and certificate of authority.**

(a) The commissioner shall review the incorporation agreement and bylaws together with other information submitted as the commissioner may prescribe and complete the examination and investigation on an application to charter a credit union within ninety days, unless a written request for additional information or disclosures are made by the commissioner, in which event, the period of ninety days shall be extended an additional thirty days. Upon public hearing and obtaining written approval by order of the commissioner, the agreement and bylaws, both executed in duplicate, together with a certified copy of the order and applicable corporation chartering fees shall be forwarded to the Secretary of State for processing as in the case of any other corporate charter application. A certificate of charter shall be approved by the commissioner if the articles and bylaws are in conformity with this chapter and the commissioner is satisfied that:

(1) The characteristics of the common bond set forth in the proposed bylaws are favorable to the economic viability of the proposed credit union;

(2) The proposed capital structure is adequate;

(3) Provision has been made for suitable quarters from which to conduct the business of a credit union; and

(4) The reputation, character and abilities of the initial board of directors and supervisory committee provide assurance that the credit union's affairs will be properly administered.

(b) The Secretary of State shall upon receipt of any applicable fees, file and record the incorporation charter, and return a copy of the bylaws and one of the duplicate originals of the articles of incorporation to the incorporators or their representatives. The original articles and bylaws shall be preserved in the permanent files of the credit union.

(c) Any order to grant or deny a certificate of charter shall be accompanied by findings of fact and conclusions of law upon which the decision was based. If a certificate of charter is denied by the commissioner, he or she shall notify the incorporators and provide a copy of the order, which shall set forth reasons for the denial. The commissioner's decision may be appealed to the board of banking and financial institutions within thirty days, and if no appeal is made of an order to deny the application, the agreement of incorporation, the corporation chartering fees, and any other papers filed therewith shall be promptly returned to the attorney, agent or other responsible person representing the incorporators in the application.

(d) Upon receipt of a certificate of charter, the incorporators of the credit union shall promptly apply to the commissioner for a certificate of authority to engage in business and comply with the provisions of section five, article two, chapter thirty-one-a of this code, in advance to the issuance of the credit union's certificate of authority. The incorporators shall likewise comply with other provisions of this chapter relating to completion of its corporate

organization, and the corporation's readiness to commence business as a credit union.

(e) Upon the credit union's application, and the examination, approval and receipt of a certificate of authority from the commissioner, a credit union may commence to engage in business. The procedure and criteria for the certificate of authority licensure shall be those set forth in section five, article two, chapter thirty-one-a of this code for nonbank financial institutions.

(f) The certificate of authority shall be preserved and displayed in the place of business of the credit union.

(g) If a certificate of authority is denied by the commissioner, he or she shall notify the applicant and set forth reasons for the denial. The credit union may appeal the commissioner's decision to the board of banking and financial institutions within thirty days.

**§31C-2-3. Articles and bylaws.**

(a) In order to simplify the organization of credit unions, the commissioner may cause to be prepared model articles of incorporation and bylaws, consistent with this chapter, which may be used by credit union incorporators for their guidance. Such articles of incorporation and bylaws shall be available to persons desiring to organize a credit union.

(b) The articles of incorporation and the bylaws may be amended as provided in the articles and bylaws, respectively. Amendments to the articles of incorporation or bylaws shall be submitted to the commissioner who shall approve or disapprove the proposed amendments within sixty days.

(c) Amendments shall become effective upon approval in writing by the commissioner. If the commissioner disapproves any proposed amendment, the credit union may appeal the decision to the board within thirty days.

**§31C-2-4. Use of name exclusive.**

(a) The name of every credit union organized under this chapter shall include the phrase "credit union." No credit union may adopt a name either identical to the name of any other credit union doing business in this state or so similar to the name of any other credit union doing business in this state as to be misleading or to cause confusion.

(b) No person, other than a credit union incorporated under this chapter, the Federal Credit Union Act or a credit union authorized to do business in this state under section six, article two of this chapter, an association of credit unions, or an organization, corporation or association whose membership or ownership is primarily limited to credit unions or credit union organizations, may use a name or title containing the phrase "credit union" or any derivation thereof, represent itself as a credit union or conduct business as a credit union.

(c) Violation of this section constitutes a misdemeanor punishable by a fine of not more than \$100 for each day of illegal use of such name, by imprisonment for not more than one year, or both.

(d) The commissioner may petition a court of competent jurisdiction to enjoin a violation of this section.

**§31C-2-5. Branches and other service facilities.**

(a) A credit union may change its principal place of business within this state upon notice to, and approval in writing of, the commissioner.

(b) A credit union may maintain other service facilities and branches, including automated teller machines (ATMs), at locations other than its principal office upon notice to and approval in writing of the commissioner. The maintenance of such facilities must be reasonably necessary to furnish service to its members. The creation of such facilities must be approved by a majority vote of the credit union's board of directors.

(c) A credit union may, upon notice and approval in writing of the commissioner, join with one or more other credit unions or other financial organizations in the operation of automated teller machines (ATMs) or other service facilities. The joint operation of such facilities must be approved by a majority of the credit union's board of directors.

(d) To the extent that a credit union provides its members access to their accounts through a remote service unit, such as an ATM or point-of-sale (POS) device, the credit union shall be governed by the same rules of the commissioner pertaining to banks operating through customer bank communication terminals (CBCTs).

**§31C-2-6. Out-of-state credit unions.**

(a) A credit union organized under the laws of another state or territory of the United States may conduct business as a credit union through a branch or service facility in this state with the approval by written order of the commissioner, provided credit unions incorporated under this chapter are allowed to do business in the other state under conditions similar to these provisions. Unless the context clearly requires otherwise, the term "territory of the United States", as used in this chapter, includes the District of Columbia. The commissioner shall, after filing a public notice of the application, hold a public hearing to consider the application: Provided, That a hearing may be waived by the commissioner if no objection to the application is received within ten days after the filing of the public notice. Public notice of the application shall be provided by posting it on the division's website, filing it with the secretary of state for inclusion in the state register, and mailing or electronically providing a copy to all banking institutions and credit unions who have requested notice of any such application. The request by any such banking institution or credit union to receive such notice shall be in writing and shall request the commissioner to notify it of the receipt by the commissioner of any application to conduct business by a credit union pursuant to this section.

(b) Before granting approval, the commissioner shall enter an order finding that the applicant out-of-state credit union:

- (1) Is a credit union organized and operating under standards recognized as appropriate pursuant to the provisions of this chapter;
- (2) Is financially solvent and has an adequate capital structure;
- (3) Has account insurance as required for credit unions incorporated under this chapter;
- (4) Has a board of directors and supervisory committee with the reputation, character and abilities to provide assurance that the credit union's affairs will be properly administered;
- (5) Has in connection with any office of operations in this state made provision for suitable quarters from which to conduct the business of a credit union;
- (6) Is examined and supervised by a regulatory agency of the state or territory in which it is organized; and
- (7) Needs to conduct business in this state to adequately serve its members in this state.

(c) No out-of-state credit union may conduct business in this state unless it:

- (1) Complies with the limits on finance charges applicable to credit unions set forth in section two, article seven of this chapter when making loans in this state;
- (2) Complies with the consumer protection statutes and rules applicable to credit unions

incorporated under this chapter;

(3) Agrees to furnish the commissioner a copy of the report of examination of its regulatory agency, and if deemed necessary by the commissioner, to submit to an examination by the commissioner, the cost of which shall be paid for by the credit union; and

(4) Designates and maintains an agent for the service of process in this state.

(d) The commissioner may revoke the approval of a credit union to conduct business in this state if the commissioner finds that:

(1) The credit union no longer meets the requirements of subsection (a) of this section;

(2) The credit union has violated the laws of this state or lawful rules or orders issued by the commissioner;

(3) The credit union has engaged in a pattern of unsafe or unsound credit union practices; or

(4) Continued operation by the credit union is likely to have a substantially adverse impact on the financial, economic or other interests of residents of this state.

**§31C-2-7. Conducting business outside this state.**

A credit union incorporated under this chapter may conduct business outside of this state in other states or territories where it is permitted to conduct business as a credit union. The activities and records of such credit union business conducted outside this state remain fully under the jurisdiction and supervision of the commissioner. Prior to the establishment of any branch or service facility outside this state, a credit union shall provide notice to, and obtain written approval of, the commissioner. The creation of such facilities must be approved by a majority vote of the credit union's board of directors.

**§31C-2-8. Tax exemption.**

(a) Any credit union organized under this or any other credit union act and all shares and deposits therein shall be exempt from all taxation now or hereafter imposed by this state or any taxing authority within this state. No law which taxes corporations in any form, or the shares or deposits thereof, or the accumulation thereon, shall apply to any such credit union; except that any real property and any tangible personal property owned by any such credit union shall be subject to taxation to the same extent as other similar property is taxed: Provided, That this exception shall not permit the imposition of any sales or use taxes on the credit union.

(b) The shares of any such credit union shall not be subject to stock, transfer taxes, either when issued or when transferred from one member to another.

(c) The participation by a credit union in any government program providing unemployment, social security, old age pension or other benefits shall not be deemed a waiver of the taxation exemption hereby granted.

**§31C-2-9. Credit unions heretofore organized need not obtain new charter; actions validated.**

All credit unions which have been heretofore legally organized under chapter thirty-six of the acts of the Legislature of one thousand nine hundred twenty-five, and which are in existence on the effective date of this section; and all credit unions which have been heretofore legally organized under article ten of chapter thirty-one of the Code of West Virginia, 1931, as amended, and which are in existence on the effective date of this section, shall upon the effective date of this section be considered to have been organized under the provisions of this article, and shall not be required to obtain a new charter or to reorganize hereunder. All acts and things done by any such credit unions, insofar as such acts and things shall not have constituted any violation of law as it shall heretofore have existed, shall be deemed valid and effective.

In addition to the powers mentioned elsewhere in this chapter, a credit union may:

- (a) Enter into contracts necessary for the conduct of its business as authorized under this statute;
- (b) Sue and be sued;
- (c) Adopt, use and display a corporate seal;
- (d) Acquire, lease, hold, assign, sell, discount or otherwise dispose of property or assets, either in whole or in part, necessary or incidental to its operation;

- (f) Purchase the assets of another credit union;
- (g) Offer related financial services, including, but not limited to, electronic fund transfers, safe deposit boxes, leasing and correspondent arrangements with other financial institutions;
- (h) Hold membership in other credit unions organized under this or other acts, and in associations and organizations controlled by or fostering the interests of credit unions, including a central liquidity facility organized under state or federal law.
- (i) Engage in activities and programs as requested by any governmental unit;

**§31C-3-2. Incidental powers.**

A credit union may exercise all incidental powers that are convenient, suitable or necessary to enable it to carry out its purposes.

WV Legislature

**§31C-3-3. Advantageous federal powers.**

Unless exercise of a power is specifically denied, the commissioner may prescribe rules authorizing credit unions to exercise any of the powers conferred upon federal credit unions if the commissioner deems it appropriate for the purposes of credit unions in this state and a benefit to their members.

WV Legislature

**§31C-4-1. Membership defined.**

(a) The membership of a credit union shall consist of those persons who share a common bond set forth in the bylaws, have been duly admitted members, have paid any required one-time or periodic membership fee, or both, have subscribed to one or more shares and have complied with such other requirements as the articles of incorporation and bylaws specify.

(b) Credit union membership shall be limited to, persons within one or more groups having a common bond or bonds of similar occupation, employer, association or interest, and members of the immediate family of such persons.

**§31C-4-2. Organizations.**

(a) Organizations comprised primarily of individuals who are eligible for membership in the credit union, and corporations whose total number of stockholders or whose majority stockholders are comprised primarily of such individuals, may be admitted to membership in the same manner and under the same conditions as individuals. Likewise, organizations one of whose principal functions is to provide services to persons who are eligible for membership in the credit union may be admitted to membership. Other organizations having a commonality of interest with the credit union may be admitted to membership with the approval of the commissioner.

(b) Any corporate credit union organized under this chapter may accept as a member any other credit union organized under this or any other act.

**§31C-4-3. Membership applications.**

The board of directors of the credit union shall act upon applications for membership or appoint one or more membership officers to approve applications for membership under such conditions as the board prescribes. A record of the actions taken by a membership officer shall be made available in writing to the board of directors for inspection. A person denied membership by a membership officer may appeal the denial to the credit union's board of directors.

WV Legislature

**§31C-4-4. Members who cease to be eligible.**

Members who cease to be eligible for membership may be permitted to retain their membership in the credit union, under reasonable standards established by the credit union's board of directors.

WV Legislature

**§31C-4-5. Liability and expulsion of members.**

(a) The members of the credit union shall not be personally or individually liable for the payment of its debts solely by virtue of holding membership.

(b) Any member may be expelled by a two-thirds vote of its members present at any regular meeting or a special meeting called to consider the matter, but only after an opportunity has been given the member to be heard.

(c) The credit union's board of directors may expel a member pursuant to a written policy adopted by it. All members shall be given written notice of the terms of any such policy upon becoming a member. Any person expelled by the credit union's board of directors shall have the right to request a hearing before it to reconsider the expulsion.

(c) Within ten days after the board of directors decides to submit the question of liquidation to the members, the president shall notify the commissioner and the insuring organization in writing, setting forth the reasons for the proposed liquidation. Within ten days after the members act on the question of liquidation, the president shall notify the commissioner and the insuring organization in writing as to the action of the members on the proposal.

(d) As soon as the board of directors decides to submit the question of liquidation to the members, payments on, withdrawal of, and making any transfer of share and deposit accounts to loans and interest, making investments of any kind, and granting loans may be restricted or suspended pending action by members on the proposal to liquidate. On approval by the members of such proposal, all such business transactions shall be permanently discontinued. Necessary expenses of operation shall, however, continue to be paid on authorization of the board of directors or liquidating agent during the period of liquidation.

(e) For a credit union to enter voluntary liquidation, approval by a majority of the members in writing or by a two-thirds majority of the members present at a regular or special meeting of the members is required. When authorization for liquidation is to be obtained at a meeting of the members, notice in writing shall be given to each member, by first class mail, at least ten days prior to such meeting.

(f) A liquidating credit union shall continue in existence for the purpose of discharging its debts, collecting on loans and distributing its assets, and doing all acts required in order to wind up its business and may sue and be sued for the purpose of enforcing such debts and obligations until its affairs are fully concluded.

(g) The board of directors or the liquidating agent shall distribute the assets of the credit union or the proceeds of any disposition of the assets in the sequence described in subsection (f), section four, article one of this chapter.

(h) As soon as the board of directors or the liquidating agent determines that all assets from which there is a reasonable expectancy of realization have been liquidated and distributed as set forth in this section, a certificate of dissolution shall be executed on a form prescribed by the commissioner and filed with the Secretary of State, which shall after filing and indexing same, be forwarded to the commissioner, whereupon such credit union shall be dissolved. The liquidating agent shall return all pertinent books and records of the liquidating credit

union to the commissioner.

**§31C-10-2. Merger of credit unions.**

(a) A credit union organized under this chapter may, with the approval of the commissioner and regardless of common bond, merge with one or more other credit unions organized under this chapter, the laws of another state or territory of the United States or the laws of the United States.

(b) When two or more credit unions merge, they shall either designate one of them as the continuing credit union, or they shall structure a totally new credit union and designate it as the new credit union. If the latter procedure is followed, the new credit union shall be organized under article two of this chapter. All participating credit unions other than the continuing or new credit union shall be designated as merging credit unions.

(c) Any merger of credit unions shall be done according to a plan of merger. After approval by the boards of directors of all participating credit unions, the plan shall be submitted to the commissioner for review and hearing to grant preliminary approval. If the plan includes the creation of a new credit union, all documents required by section one, article two of this chapter shall be submitted as part of the plan. In addition to any other documents or information required by the commissioner, each participating credit union shall submit the following:

(1) The time and place of the meeting of the board of directors at which the plan was agreed upon;

(2) The vote of the directors in favor of the adoption of the plan; and

(3) A copy of the resolution or other action by which the plan was agreed upon.

(d) The commissioner shall after review and hearing, grant preliminary approval by written order, if: (i) The plan has been approved properly by each board of directors; (ii) the documentation required to form a new credit union, if any, complies with section one, article two of this chapter; (iii) the action would not result or tend to create a monopoly, or substantially lessen competition, or otherwise further a restraint of trade, unless the anticompetitive effects of the proposed action are clearly outweighed in the public interest by the probable effect of the action in meeting the convenience and needs of the members to be served; and (iv) taking into consideration the financial and managerial resources and further prospects of the credit unions concerned, the action would not be contrary to the best interests of the community whose shares are affected by such action, nor detrimental to the safety and soundness of the credit union to be acquired.

(e) After the commissioner grants preliminary approval, each merging credit union shall, unless waived by the commissioner, conduct a membership vote on its participation in the plan. The vote shall be conducted either at a special membership meeting called for that purpose or by mail ballot. If a majority of the members voting approve the plan, the credit union shall submit a record of that fact to the commissioner indicating the vote by which the

members approved the plan and either the time and place of the membership meeting or the mailing date and closing date of the mail ballot.

(f) The commissioner may waive the membership vote described in subsection (e) of this section for any credit union upon determining that the credit union is insolvent or about to be insolvent.

(g) The commissioner shall grant final approval of the plan of merger after determining that the requirements of subsection (e) of this section in the case of each merging credit union have been met. If the plan of merger includes the creation of a new credit union, the commissioner must approve the organization of the new credit union under section two, article two of this chapter as part of the approval of the plan of consolidation. The commissioner shall notify all participating credit unions of the approval of the plan.

(h) Upon final approval of the plan by the commissioner and the filing of the proper documents with the office of the Secretary of State, all property, property rights, and members' interests in each merging credit union shall vest in the continuing or new credit union as applicable without deed, endorsement, or other instrument of transfer, and all debts, obligations and liabilities of each merging credit union shall be deemed to have been assumed by the continuing or new credit union. The rights and privileges of the members of each participating credit union shall remain intact; however, if a person is a member of more than one of the participating credit unions, that person shall be entitled to only a single set of membership rights in the continuing or new credit union.

(i) If the surviving or new credit union created by the transaction is chartered by another state or territory of the United States, it shall, in addition to the criteria set forth in subsection (c) of this section, be subject to the requirements of section six, article two of this chapter. No merger resulting in an out-of-state credit union acquiring a West Virginia credit union shall be permitted unless that other state or territory permits a West Virginia credit union to merge or acquire credit unions in their state or territory on terms that are, on the whole, substantially no more restrictive than those established under the terms of this section: Provided, That no such merger shall be approved where the West Virginia credit union to be acquired has been in operation for less than two years.

(j) Notwithstanding any other provision of law, the commissioner may, without prior hearing, authorize a merger or consolidation of a credit union which is insolvent or is about to be insolvent with any other credit union or may authorize a credit union to purchase any of the assets of, or assume any of the liabilities of, any other credit union which is insolvent or about to be insolvent if the commissioner is satisfied that:

- (1) An emergency requiring expeditious action exists with respect to such other credit union;
- (2) Other alternatives are not reasonably available; and
- (3) The public interest would best be served by approval of such merger, consolidation,

purchase or assumption.

(k) Notwithstanding any other provision of law, the commissioner may authorize an institution whose deposits or accounts are insured by the Federal Deposit Insurance Corporation to purchase any of the assets of, or assume any of the liabilities of, a credit union which is insolvent or about to be insolvent, except that prior to exercising this authority the commissioner should consider attempting to effect a merger or consolidation with, or purchase and assumption by, another credit union as provided in subsection (j) of this section; and

(l) For purposes of the authority contained in subsection (k) of this section, insured share and deposit accounts of the credit union may upon consummation of the purchase and assumption be converted to insured deposits or other comparable accounts in the acquiring institution, and the commissioner and the insuring organization shall be absolved of any liability to the credit union's members with respect to those accounts.

**§31C-10-3. Conversion.**

(a) A credit union incorporated under the laws of this state may be converted to a credit union organized under the laws of any other state or under the laws of the United States by complying with the following requirements:

(1) The proposition for the conversion shall first be approved and a date set for a vote thereon by the members (either at a meeting to be held on such date or by written ballot to be filed on or before such date) by a majority of the directors of the West Virginia state credit union. Written notice of the proposition and of the date set for the vote shall then be delivered in person to each member, or mailed to each member at the address for such member appearing on the records of the credit union, not more than sixty or less than fourteen days prior to such date. Approval of the proposition for conversion shall be by the affirmative vote of two thirds of the members voting in person or in writing;

(2) A statement of the results of the vote, verified by the affidavits of the president or vice president and the secretary, shall be filed with the commissioner of banking within ten days after the vote is taken; however, no West Virginia state-chartered credit union may convert its charter to that of another state unless: (i) The conversion is approved by the commissioner of banking in writing after notice; (ii) the other state allows conversions of its credit unions to a West Virginia state charter on a reciprocal basis; and (iii) the majority, or in the event the credit union operates offices in more than two states, the plurality, of the credit union's members are residents of that other state. To the extent that an out-of-state credit union created by conversion seeks to conduct business through a branch or service facility in West Virginia, the provisions of section six, article two of this chapter shall apply;

(3) Promptly after the commissioner of banking has approved the conversion in writing, and in no event later than ninety days thereafter, the credit union shall take such action as may be necessary under the applicable federal or state law to make it a federal credit union or credit union of another state and within ten days after receipt of the federal credit union charter or out-of-state credit union charter there shall be filed with the commissioner of banking a copy of the charter thus issued. Upon such filing, the credit union shall cease to be a West Virginia state-chartered credit union;

(4) The successor federal credit union or out-of-state chartered credit union shall be vested with all the assets and shall continue to be responsible for all of the obligations of the West Virginia state credit union to the same extent as though the conversion had not taken place.

(b) A credit union organized under the laws of the United States or of any other state may convert to a credit union incorporated under the laws of this state. To effect a conversion, a credit union must comply with all the requirements of the jurisdiction under which it was originally organized and the requirements of the laws and rules of this state and file proof of compliance with the commissioner. The commissioner shall generally treat the conversion to a West Virginia state-chartered credit union as a formation of a new credit union pursuant to article two of this chapter and the procedures and requirements therein shall be followed to

the extent applicable.
