**WEST VIRGINIA CODE CHAPTER 32**  
**ARTICLE 3**

WV Legislature

**§32-3-301. Registration requirement.**

It is unlawful for any person to offer or sell any security in this state unless: (1) It is registered under this chapter; or (2) the security or transaction is exempted under section four hundred two of article four of this chapter or under article five of this chapter; or (3) the security is a federal covered security.

WV Legislature

**§32-3-302. Registration by notification.**

(a) The following securities may be registered by notification, whether or not they are also eligible for registration by coordination under section 303:

(1) Any security, other than a security with a fixed maturity or a fixed interest or dividend provision, whose issuer and any predecessors have been in continuous operation for at least five years if (A) there has been no default during the current fiscal year or within the three preceding fiscal years in the payment of principal, interest or dividends on any security of the issuer (or any predecessor) with a fixed maturity or a fixed interest or dividend provision, and (B) the issuer and any predecessors during the past three fiscal years have had average net earnings, determined in accordance with generally accepted accounting practices, (i) which are applicable to all securities without a fixed maturity or a fixed interest or dividend provision outstanding at the date the registration statement is filed and equal at least five percent of the amount of such outstanding securities (as measured by the maximum offering price or the market price on a day, selected by the registrant, within thirty days before the date of filing the registration statement, whichever is higher, or book value on a day, selected by the registrant, within ninety days of the date of filing the registration statement to the extent that there is neither a readily determinable market price nor a cash offering price), or (ii) which, if the issuer and any predecessors have not had any security of the type specified in clause (i) outstanding for three full fiscal years, equal at least five percent of the amount (as measured in clause (i)) of all securities which will be outstanding if all the securities being offered or proposed to be offered (whether or not they are proposed to be registered or offered in this state) are issued;

(2) Any security (other than a certificate of interest or participation in an oil, gas or mining title or lease or in payments out of production under such a title or lease) registered for nonissuer distribution if (A) any security of the same class has ever been registered under this chapter or a predecessor act, or (B) the security being registered was originally issued pursuant to an exemption under this chapter or a predecessor act.

(b) A registration statement under this section shall contain the following information and be accompanied by the following documents in addition to the information specified in section 305(c) and the consent to service of process required by section 414(g):

(1) A statement demonstrating eligibility for registration by notification;

(2) With respect to the issuer and any significant subsidiary: Its name, address and form of organization; the state (or foreign jurisdiction) and the date of its organization; and the general character and location of its business;

(3) With respect to any person on whose behalf any part of the offering is to be made in a nonissuer distribution: His name and address; the amount of securities of the issuer held by him as of the date of the filing of the registration statement; and a statement of his reasons for making the offering;

(4) A description of the security being registered;

(5) The information and documents specified in subdivisions (8), (10) and (12) of section 304(b);

(6) In the case of any registration under section 302(a) (2) which does not also satisfy the conditions of section 302(a) (1), a balance sheet of the issuer as of a date within four months prior to the filing of the registration statement, and a summary of earnings for each of the two fiscal years preceding the date of the balance sheet and for any period between the close of the last fiscal year and the date of the balance sheet, or for the period of the issuer's and any predecessors' existence if less than two years.

(c) If no stop order is in effect and no proceeding is pending under section 306, a registration statement under this section automatically becomes effective at three o'clock in the afternoon of the full business day after the filing of the registration statement or the last amendment, or at such earlier time as the commissioner determines.

**§32-3-303. Registration by coordination.**

(a) Any security for which a registration statement has been filed under the Securities Act of 1933 in connection with the same offering may be registered by coordination.

(b) A registration statement under this section shall contain the following information and be accompanied by the following documents in addition to the information specified in section 305(c) and the consent to service of process required by section 414(g):

(1) Three copies of the latest form of prospectus filed under the Securities Act of 1933;

(2) If the commissioner by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalents) currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

(3) If the commissioner requests, any other information, or copies of any other documents, filed under the Securities Act of 1933; and

(4) An undertaking to forward all future amendments to the federal prospectus, other than an amendment which merely delays the effective date of the registration statement, promptly and in any event not later than the first business day after the day they are forwarded to or filed with the securities and exchange commission, whichever first occurs.

(c) A registration statement under this section automatically becomes effective at the moment the federal registration statement becomes effective if all the following conditions are satisfied: (1) No stop order is in effect and no proceeding is pending under section 306; (2) the registration statement has been on file with the commissioner for at least ten days; and (3) a statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and the commissions has been on file for two full business days or such shorter period as the commissioner permits by rule or otherwise and the offering is made within those limitations. The registrant shall promptly notify the commissioner by telephone or telegram of the date and time when the federal registration statement became effective and the content of the price amendment, if any, and shall promptly file a post-effective amendment containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices and other matters dependent upon the offering price. Upon failure to receive the required notification and post-effective amendment with respect to the price amendment, the commissioner may enter a stop order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with this subsection, if he promptly notifies the registrant by telephone or telegram (and promptly confirms by letter or telegram when he notifies by telephone) of the issuance of the order. If the registrant proves compliance with the requirements of this subsection as to notice and post-effective amendment, the stop order is

void as of the time of its entry. The commissioner may by rule or otherwise waive either or both of the conditions specified in subdivisions (2) and (3) of subsection (b). If the federal registration statement becomes effective before all the conditions in this subsection are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all the conditions are satisfied. If the registrant advises the commissioner of the date when the federal registration statement is expected to become effective, the commissioner shall promptly advise the registrant by telephone or telegram, at the registrant's expense, whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under section 306; but this advice by the commissioner does not preclude the institution of such a proceeding at any time.

**§32-3-304. Registration by qualification.**

(a) Any security may be registered by qualification.

(b) A registration statement under this section shall contain the following information and be accompanied by the following documents in addition to the information specified in section 305(c) and the consent to service of process required by section 414(g):

(1) With respect to the issuer and any significant subsidiary: Its name, address and form of organization; the state or foreign jurisdiction and date of its organization; the general character and location of its business; a description of its physical properties and equipment; and a statement of the general competitive conditions in the industry or business in which it is or will be engaged;

(10) A description of any stock options or other security options outstanding, or to be created in connection with the offering, together with the amount of any such options held or to be held by every person required to be named in subdivision (2), (4), (5), (6) or (8) and by any person who holds or will hold ten percent or more in the aggregate of any such options;

(11) The dates of, parties to, and general effect concisely stated of, every management or other material contract made or to be made otherwise than in the ordinary course of business if it is to be performed in whole or in part at or after the filing of the registration statement or was made within the past two years, together with a copy of every such contract; and a description of any pending litigation or proceeding to which the issuer is a party and which materially affects its business or assets (including any such litigation or proceeding known to be contemplated by governmental authorities);

(17) Such additional information as the commissioner requires by rule or order.

(c) A registration statement under this section becomes effective when the commissioner so orders.

(d) The commissioner may by rule or order require as a condition of registration under this section that a prospectus containing any designated part of the information specified in subsection (b) be sent or given to each person to whom an offer is made before or concurrently with (1) the first written offer made to him (otherwise than by means of a public advertisement) by or for the account of the issuer or any other person on whose behalf the offering is being made, or by any underwriter or broker-dealer who is offering part of an unsold allotment or subscription taken by him as a participant in the distribution, (2) the confirmation of any sale made by or for the account of any such person, (3) payment pursuant to any such sale, or (4) delivery of the security pursuant to any such sale, whichever first occurs.

**§32-3-304a. Federal-covered securities.**

(a) Securities for which a registration statement has been filed with the Securities and Exchange Commission under the Securities Act of 1933 with respect to a federal-covered security under Section 18(b)(2) of the Securities Act of 1933 may be offered for sale or sold to residents of this state upon the commissioner's receipt of: (1) A notice as prescribed by the commissioner by rule or otherwise or in lieu thereof a copy of the issuer's federal registration statement as filed with the securities and exchange commissioner; (2) a consent to service of process signed by the issuer; and (3) payment of a fee as provided for in §32-3-305(b) of this code: *Provided*, That up through October 10, 1999, or such other date as may be legally permissible, a federal-covered security for which a fee has not been paid or promptly remedied following written notification from the commissioner to the issuer of the nonpayment or underpayment of such fees, as required by this article, shall be required to register under this article.

(b) The commissioner, by rule or otherwise, may require the filing of any or all of the following documents with respect to a federal-covered security under Section 18(b)(2) of the Securities Act of 1933:

(1) Prior to the initial offer of such federal covered security in this state, all documents that are part of a current federal registration statement filed with the securities and exchange commission under the Securities Act of 1933; and

(2) After the initial offer of such federal covered security in this state, all documents that are part of an amendment to a current federal registration statement filed with the securities and exchange commission under the Securities Act of 1933, which shall be filed concurrently with the commissioner.

(c) With respect to any security that is a federal-covered security under Section 18(b)(4)(D) of the Securities Act of 1933, the commissioner, by rule or order, may require the issuer to file a notice on SEC Form D and a consent to service of process signed by the issuer no later than 15 days after the first sale of such federal-covered security in this state, together with a fee as established by rule by the commissioner.

(d) The commissioner, by rule or otherwise, may require the filing of any document filed with the Securities and Exchange Commission under the Securities Act of 1933, with respect to a federal-covered security under Section 18(b)(3) or (4) of the Securities Act of 1933, together with a filing fee for such document as appropriate under §32-3-305(m) and (n) of this code.

(e) An issuer planning to offer and sell securities in this state in an offering exempt under Tier 2 of federal Regulation A (17 CFR 230.251 through 17 CFR 230.263) and § 18(b)(3) or 18(b)(4) of the Securities Act of 1933 (15 USC § 77a) shall submit the following at least 21 calendar days prior to the initial sale in this state:

(1) A completed Regulation A - Tier 2 notice filing form or copies of all documents filed with

the U.S. Securities and Exchange Commission;

(2) A consent to service of process on Form U-2 if not filing on the Regulation A - Tier 2 notice filing form; and

(3) A filing fee of \$375 payable to the West Virginia State Auditor.

(1) The initial notice filing is effective for 12 months from the date of the filing with this state. For each additional 12-month period in which the same offering is continued, an issuer conducting a Tier 2 offering under federal Regulation A may renew its notice filing by filing the following on or before the expiration of the notice filing:

(A) The Regulation A - Tier 2 notice filing form marked "renewal" or a cover letter or other document requesting renewal; and

(B) A renewal fee in the amount of \$200 payable to the West Virginia State Auditor.

(2) An issuer may increase the amount of securities offered in this state by submitting a Regulation A - Tier 2 notice filing form marked "amendment" or other document describing the transaction.

(f) The commissioner may issue a stop order suspending the offer and sale of a federal-covered security, except a federal-covered security under Section 18(b)(1) of the Securities Act of 1933, if it finds that: (1) The order is in the public interest; and (2) there is a failure to comply with any condition established under this section.

(g) The commissioner, by rule or order, may waive any or all of the provisions of this section.

**§32-3-305. Provisions applicable to registration and notice filing generally.**

(a) A registration or notice filing statement may be filed by the issuer, any other person on whose behalf the offering is to be made or a registered broker-dealer. A registration or notice filing statement filed under this chapter registering or noticing investment company shares shall cover only one class, series, or portfolio of investment company shares.

(b) Every person filing a registration or notice filing statement shall pay a filing fee of one sixteenth of one percent of the maximum aggregate offering price at which the registered or noticed securities are to be offered in this state, but the fee shall in no case be less than \$60 or more than \$1,800. When a registration or notice filing statement is withdrawn before the effective date or a pre-effective stop order is entered under §32-3-306 of this code, the commissioner shall retain all of the fee.

(c) Every registration statement and notice filing shall specify: (1) The amount of securities to be offered in this state; (2) the states in which a registration statement or similar document in connection with the offering has been or is to be filed; and (3) any adverse order, judgment, or decree entered in connection with the offering by the regulatory authorities in each state or by any court or the Securities and Exchange Commission.

(d) In any case where securities sold in this state are in excess of the aggregate amount of securities specified under subsection (c) of this section, the commissioner may require payment of an oversale assessment which shall be three times an amount which equals the difference between the filing fee that would have been payable under subsection (b) of this section based upon the total amount of securities sold in this state and the total filing fees previously paid to the commissioner with respect to such registration or notice filing, but in no case shall the oversale assessment be less than \$420 or be more than \$1,800.

(e) Any document filed under this chapter or a predecessor act within five years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate.

(f) The commissioner may by rule or otherwise permit the omission of any item of information or document from any registration or notice filing statement.

(g) In the case of a non-issuer distribution, information may not be required under §32-3-304 of this code or subsection (k) of this section unless it is known to the person filing the registration statement or to the persons on whose behalf the distribution is to be made, or can be furnished by them without unreasonable effort or expense.

(h) The commissioner may by rule or order require as a condition of registration by qualification or coordination: (1) That any security issued within the past three years or to be issued to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be deposited in escrow; and (2) that the proceeds from the sale of the registered security in this state be impounded until

the issuer receives a specified amount from the sale of the security either in this state or elsewhere. The commissioner may by rule or order determine the conditions of any escrow or impounding required under this subsection, but he or she may not reject a depository solely because of location in another state.

(i) The commissioner may by rule or order require as a condition of registration that any security registered by qualification or coordination be sold only on a specified form of subscription or sale contract and that a signed or conformed copy of each contract be filed with the commissioner or preserved for any period up to three years specified in the rule or order.

(j) Every registration statement is effective for one year from its effective date or any longer period during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by any underwriter or broker-dealer who is still offering part of an unsold allotment or subscription taken by him or her as a participant in the distribution, except during the time a stop order is in effect under §32-3-306 of this code. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any non-issuer transaction: (1) So long as the registration statement is effective; and (2) between the thirtieth day after the entry of any stop order suspending or revoking the effectiveness of the registration statement under §32-3-306 of this code (if the registration statement did not relate, in whole or in part, to a non-issuer distribution) and one year from the effective date of the registration statement. A registration statement may not be withdrawn for one year from its effective date if any securities of the same class are outstanding. A registration statement may be withdrawn otherwise only in the discretion of the commissioner.

(k) So long as a registration statement is effective, the commissioner may by rule or order require the person who filed the registration statement to file reports, not more often than quarterly, to keep reasonably current the information contained in the registration statement and to disclose the progress of the offering.

(l) A registration statement relating to a security issued by a face amount certificate company or a redeemable security issued by an open-end management company or unit investment trust, as those terms are defined in the Investment Company Act of 1940, may be amended after its effective date so as to increase the securities specified as proposed to be offered. The amendment becomes effective when the commissioner so orders. Every person filing an amendment shall pay a filing fee, calculated in the manner specified in subsection (b) of this section, with respect to the additional securities proposed to be offered.

(m) Every person changing the name or address of a securities registration or notice filing shall pay a \$60 fee for change.

(n) Every person amending a registration statement or notice filing or offering a document without increasing the dollar amount registered shall pay a \$60 fee for each amended

statement, notice filing, or document.

(o) Every registered issuer or notice filing shall annually file a sales report and shall pay a filing fee for that report of one eighth of one percent of the maximum offering price at which the registered or noticed securities are offered in this state but the fee shall in no case be less than \$300 nor more than \$1,800.

WV Legislature

**§32-3-306. Denial, suspension and revocation of registration.**

(a) The commissioner may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds (1) that the order is in the public interest and (2) that

(A) The registration statement as of its effective date or as of any earlier date in the case of an order denying effectiveness, or any amendment under section 305(k) as of its effective date, or any report under section 305(j) is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(B) Any provision of this chapter or any rule, order or condition lawfully imposed under this chapter has been willfully violated, in connection with the offering, by (i) the person filing the registration statement, (ii) the issuer, any partner, officer or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer, or (iii) any underwriter;

(C) The security registered or sought to be registered is the subject of an administrative stop order or similar order or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering; but (i) the commissioner may not institute a proceeding against an effective registration statement under subdivision (C) more than one year from the date of the order or injunction relied on, and (ii) he may not enter an order under subdivision (C) on the basis of an order or injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute a ground for a stop order under this section;

(D) The issuer's enterprise or method of business includes or would include activities which are illegal where performed;

(E) The offering has worked or tended to work a fraud upon purchasers or would so operate;

(F) The offering has been or would be made with unreasonable amounts of underwriters' and sellers' discounts, commissions or other compensation, or promoters' profits or participation, or unreasonable amounts or kinds of options;

(G) When a security is sought to be registered by notification, it is not eligible for such registration;

(H) When a security is sought to be registered by coordination, there has been a failure to comply with the undertaking required by section 303(b) (4); or

(I) The applicant or registrant has failed to pay the proper filing fee; but the commissioner may enter only a denial order under this subdivision and he shall vacate any such order

when the deficiency has been corrected.

The commissioner may not institute a stop-order proceeding against an effective registration statement on the basis of a fact or transaction known to him when the registration statement became effective unless the proceeding is instituted within the next thirty days.

(b) The commissioner may by order summarily postpone or suspend the effectiveness of the registration statement pending final determination of any proceeding under this section. Upon the entry of the order, the commissioner shall promptly notify each person specified in subsection (c) that it has been entered and of the reasons therefor and that within fifteen days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to each person specified in subsection (c), may modify or vacate the order or extend it until final determination.

(c) No stop order may be entered under any part of this section except the first sentence of subsection (b) without (1) appropriate prior notice to the applicant or registrant, the issuer and the person on whose behalf the securities are to be or have been offered, (2) opportunity for hearing, and (3) written findings of fact and conclusions of law.

(d) The commissioner may vacate or modify a stop order if he finds that the conditions which prompted entry have changed or that it is otherwise in the public interest to do so.
