WEST VIRGINIA CODE: §33-11A-5

§33-11A-5. Licensure requirement for insurance sales.

Solicitation for the purchase or sale of any insurance product by any person, including an employee or agent of a financial institution, shall be conducted only by individuals who have complied with all applicable state insurance licensing and appointment laws and regulations and who have been issued an agent or broker's license pursuant to chapter thirty-three of this code.
