

WEST VIRGINIA CODE: §33-12B-5

§33-12B-5. Qualifications for resident adjuster's license; examination; exemptions.

(a) An individual applying for a resident adjuster license shall make application to the commissioner and declare under penalty of suspension, revocation, or refusal of the license that the statements made in the application are true, correct, and complete to the best of the individual's knowledge and belief. Before approving the application, the commissioner shall find that the individual:

- (1) Is 18 years of age or more;
- (2) Is a resident of West Virginia, or eligible to designate West Virginia as his or her home state;
- (3) Is trustworthy, competent, reliable, and of good reputation, evidence of which may be determined by the commissioner;
- (4) Has a business or mailing address in this state for acceptance of service of process or, if residing outside of this state, acknowledges that by adjusting claims in this state he or she is subject to this state's jurisdiction, pursuant to §56-3-33 of this code, and automatically appoints the West Virginia Secretary of State as his or her agent for service of process;
- (5) Has not committed any act that is a ground for probation, suspension, revocation, or refusal of an adjuster's license as set forth in §33-12B-11 of this code;
- (6) Has successfully passed the written examination for the line or lines of authority for which the person has applied; and
- (7) Has paid the fees applicable to licensure.

(b)(1) A resident individual applying for an adjuster license shall pass a written examination unless exempt pursuant to §33-12B-5(b)(5) or §33-12B-5(b)(6) of this code. The examination shall test the knowledge of the individual concerning the line or lines of authority for which application is made, if applicable, the duties and responsibilities of an adjuster, and the insurance laws and rules of this state. However, to qualify for an adjuster license with the crop line of authority, the commissioner may accept, in lieu of such an examination, certification that the individual has passed a proficiency examination approved by the United States Department of Agriculture Risk Management Agency.

(2) Each examinee shall pay a nonrefundable \$25 examination fee for each examination to the commissioner, which fees shall be used for the purposes set forth in §33-3-13 of this code. The commissioner may, at his or her discretion, designate an independent testing service to prepare and administer such examination subject to direction and approval by the commissioner, and examination fees charged by such service shall be paid by the applicant.

(3) An individual who fails to appear for the examination as scheduled, or fails to pass the examination, shall reapply for an examination and remit all required fees and forms before being rescheduled for another examination.

(4) An individual who initially fails to pass an examination required by this section is limited to seven additional attempts to pass the examination.

(5) An individual who applies for an adjuster license in this state, who was previously licensed for the same lines of authority in another jurisdiction, shall not be required to complete any prelicensing examination. This exemption is only available if the individual is currently licensed in that jurisdiction, or if the application is received within 90 days of the cancellation of the applicant's previous license, and if the prior jurisdiction issues a certification that, at the time of cancellation, the applicant was in good standing in that jurisdiction or the jurisdiction's adjuster database records, maintained by the National Association of Insurance Commissioners, its affiliates or subsidiaries, indicate that the adjuster is or was licensed in good standing for the line of authority requested. The certification must be of a license with the same line of authority for which the individual has applied.

(6) An individual licensed as an adjuster in another jurisdiction who moves to this state shall make application within 90 days of establishing legal residence to become a resident licensee pursuant to this section: *Provided*, That no pre-licensing examination shall be required of that individual to obtain any line of authority previously held in the prior jurisdiction, except where the commissioner determines otherwise by rule.

(7) Examinations may be developed and conducted under rules proposed by the commissioner.

(8) Examinations required by this subsection are applicable for individual adjusters first licensed on or after July 1, 2021, or for individual adjusters who add a line of authority to an existing adjuster license on or after July 1, 2021.

(c) A business entity applying for a resident independent or public adjuster license shall make application to the commissioner on forms proposed by the commissioner and shall declare under penalty of suspension, revocation, or refusal of the license that the statements made in the application are true, correct, and complete to the best of the business entity's knowledge and belief. Before approving the application, the commissioner shall find that the business entity:

(1) Is eligible to designate West Virginia as its home state;

(2) Has a business or mailing address in this state for acceptance of service of process;

(3) Has designated a licensed independent or public adjuster responsible for the business entity's compliance with the insurance laws and rules of this state; and

(4) Has not committed an act that is a ground for probation, suspension, revocation, or refusal of an independent or public adjuster's license as set forth in §33-12B-11 of this code.

(d) The requirements of this section do not apply to temporary licenses issued to emergency company adjusters or emergency independent adjusters.
