(A) May share documents, materials or other information, including the confidential and privileged documents, materials or information subject to subdivision (1) of this subsection, with other state, federal and international regulatory agencies, with the NAIC and its affiliates and subsidiaries, and with state, federal and international law-enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the document, material, communication or other information;

(B) May receive documents, materials, communications or information, including otherwise confidential and privileged documents, materials or information, from the NAIC and its affiliates and subsidiaries, and from regulatory and law-enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material or information received with notice or the understanding that it is confidential or privileged under the jurisdiction that is the source of the document, material or information; and

(C) May enter into agreements governing sharing and use of information consistent with this subsection.

(6) No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in subdivision (5) of this subsection.

(7) A privilege established under the law of any state or jurisdiction that is substantially similar to the privilege established under this subsection shall be available and enforced in any proceeding in, and in any court of, this state.

(8) Nothing contained in this article shall prevent or be construed as prohibiting the commissioner from disclosing the content of an examination report, preliminary examination report or results, or any matter relating thereto, to the commissioner of any other state or country, or to law-enforcement officials of this or any other state or agency of the federal government at any time or to the NAIC, so long as such agency or office receiving the report or matters relating thereto agrees in writing to hold it confidential and in a manner consistent with this article.

(e) (1) An examiner may not be appointed by the commissioner if the examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under this article. This section shall not be construed to automatically preclude an examiner from being:

(A) A viator;

(B) An insured in a viaticated insurance policy; or

(C) A beneficiary in an insurance policy that is proposed to be viaticated.

(2) Notwithstanding the requirements of this clause, the commissioner may retain, from time to time, on an individual basis, qualified actuaries, certified public accountants or other similar individuals who are independently practicing their professions, even though these persons may, from time to time, be similarly employed or retained by persons subject to examination under this article.

(f) (1) No cause of action shall arise nor shall any liability be imposed against the commissioner, the commissioner's authorized representatives or any examiner appointed by the commissioner for any statements made or conduct performed in good faith while carrying out the provisions of this article.

(2) No cause of action shall arise, nor shall any liability be imposed against any person for the act of communicating or delivering information or data to the commissioner or the commissioner's authorized representative or examiner pursuant to an examination made under this article, if the act of communication or delivery was performed in good faith and without fraudulent intent or the intent to deceive. This subdivision does not abrogate or

modify in any way any common law or statutory privilege or immunity heretofore enjoyed by any person identified in subdivision (1) of this subsection.

(3) A person identified in subdivision (1) or (2) of this subsection shall be entitled to an award of attorney's fees and costs if he or she is the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of activities in carrying out the provisions of this article and the party bringing the action was not substantially justified in doing so. For purposes of this section, a proceeding is "substantially justified" if it had a reasonable basis in law or fact at the time that it was initiated.

(g) The insurance fraud unit created in article forty-one of this chapter may investigate suspected violations of this article by persons engaged in the business of viatical settlements in the same manner as the fraud unit investigates suspected violators of those statutes set forth in subsection (b), section eight, article forty-one of this chapter.

§33-13C-8. Disclosure to viator.

(a) With each application for a viatical settlement, a viatical settlement provider or viatical settlement broker shall provide the viator with at least the following disclosures no later than the time the application for the viatical settlement contract is signed by all parties. The disclosures shall be provided in a separate document that is signed by the viator and the viatical settlement provider or viatical settlement broker, and shall provide the following information:

(1) That there are possible alternatives to viatical settlement contracts, including any accelerated death benefits or policy loans offered under the viator's life insurance policy.

(2) That a viatical settlement broker represents exclusively the viator, and not the insurer or the viatical settlement provider, and owes a fiduciary duty to the viator, including a duty to act according to the viator's instructions and in the best interest of the viator.

(3) That some or all of the proceeds of the viatical settlement may be taxable under federal income tax and state franchise and income taxes, and assistance should be sought from a professional tax advisor.

(4) That proceeds of the viatical settlement could be subject to the claims of creditors.

(5) That receipt of the proceeds of a viatical settlement may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies.

(6) The viator has the right to rescind a viatical settlement contract by providing notice of rescission and repaying all viatical settlement proceeds paid to the viator pursuant to the escrow agreement by the earlier of sixty calendar days after the date upon which the viatical settlement contract is executed by all parties or thirty calendar days after the viatical settlement proceeds have been paid to the viator, as provided in subsection (e), section ten of this article. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment by the viator or the viator's estate of all viatical settlement proceeds to the viatical settlement provider within sixty days of the insured's death.

(7) That funds will be sent to the viator within three business days after the viatical settlement provider has received the insurer or group administrator's written acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated.

(8) That entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate, to be forfeited by the viator and that assistance should be sought from a financial adviser.

(9) Disclosure to a viator shall include distribution of a brochure prescribed by the commissioner describing the process of viatical settlements.

(10) The disclosure document shall contain the following language: "All medical, financial or personal information solicited or obtained by a viatical settlement provider or viatical settlement broker about an insured, including the insured's identity or the identity of family members, a spouse or a significant other may be disclosed as necessary to effect the viatical settlement between the viator and the viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years."

(11) That following execution of a viatical contract, the insured may be contacted for the purpose of determining the insured's health status and to confirm the insured's residential or business street address and telephone number or as otherwise provided in this article. This contact shall be limited to once every three months if the insured has a life expectancy of more than one year, and not more than once per month if the insured has a life expectancy of one year or less. All such contracts shall be made only by a viatical settlement provider licensed in the state in which the viator resided at the time of the viatical settlement, or by the authorized representative of a duly licensed viatical settlement provider.

(b) A viatical settlement provider shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide the following information:

(1) The affiliation, if any, between the viatical settlement provider and the issuer of the insurance policy to be viaticated;

(2) The document shall include the name, business address and telephone number of the viatical settlement provider;

(3) Any affiliations or contractual arrangements between the viatical settlement provider and the viatical settlement purchaser;

(4) If an insurance policy to be viaticated has been issued as a point policy or involved family riders or any coverage of a life other than the insured under the policy to be viaticated, the viator shall be informed of the possible loss of coverage on the other lives under the policy and shall be advised to consult with his or her insurance producer or the insurer issuing the policy for advice on the proposed viatical settlement;

(5) State the dollar amount of the current death benefit payable to the viatical settlement provider under the policy or certificate. If known, the viatical settlement provider shall also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy or certificate and the

extent to which the viator's interest in those benefits will be transferred as a result of the viatical settlement contract; and

(6) State whether the funds will be escrowed with an independent third party during the transfer process and, if so, provide the name, business address and telephone number of the independent third-party escrow agent, and the fact that the viator or owner may inspect or receive copies of the relevant escrow or trust agreements or documents.

(c) A viatical settlement broker shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide the following information:

(1) The name, business address and telephone number of the viatical settlement broker;

(2) A full, complete and accurate description of all offers, counter-offers, acceptances and rejections relating to the proposed viatical settlement contract;

(3) A written disclosure of any affiliations or contractual arrangements between the viatical settlement broker and any person making an offer in connection with the proposed viatical settlement contracts;

(4) The amount and method of calculating the broker's compensation, which term "compensation" includes anything of value paid or given to a viatical settlement broker for the placement of a policy; and

(5) Where any portion of the viatical settlement broker's compensation, as defined in subdivision (4) of this subsection, is taken from a proposed viatical settlement offer, the broker shall disclose the total amount of the viatical settlement offer and the percentage of the viatical settlement offer comprised by the viatical settlement broker's compensation.

(d) If the viatical settlement provider transfers ownership or changes the beneficiary of the insurance policy, the provider shall communicate in writing the change in ownership or beneficiary to the insured within twenty days after the change.

§33-13C-9. Disclosure to insurer.

Before the initiation of a plan, transaction or series of transactions, a viatical settlement broker or viatical settlement provider shall fully disclose to an insurer a plan, transaction or series of transactions, to which the viatical settlement broker or viatical settlement provider is a part, to originate, renew, continue or finance a life insurance policy with the insurer for the purpose of engaging in the business of viatical settlements at anytime prior to, or during the first five years after, issuance of the policy.

WV Legislature

§33-13C-10. General rules.

(a)(1) A viatical settlement provider entering into a viatical settlement contract shall first obtain:

(A) If the viator is the insured, a written statement from a licensed attending physician that the viator is of sound mind and under no constraint or undue influence to enter into a viatical settlement contract; and

(B) A document in which the insured consents to the release of his or her medical records to a licensed viatical settlement provider, viatical settlement broker and the insurance company that issued the life insurance policy covering the life of the insured.

(2) Within twenty days after a viator executes documents necessary to transfer any rights under an insurance policy or within twenty days of entering any agreement, option, promise or any other form of understanding, expressed or implied, to viaticate the policy, the viatical settlement provider shall give written notice to the insurer that issued that insurance policy that the policy has or will become a viaticated policy. The notice shall be accompanied by the documents required by subdivision (3) of this subsection.

(3) The viatical provider shall deliver a copy of the medical release required under paragraph (B), subdivision (1) of this subsection, a copy of the viator's application for the viatical settlement contract, the notice required under subdivision (2) of this subsection and a request for verification of coverage to the insurer that issued the life insurance policy that is the subject of the viatical transaction. The request for verification of coverage shall be on a form prescribed by the commissioner.

(4) The insurer shall respond to a request for verification of coverage within thirty calendar days of the date the request is received and shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at this time regarding the validity of the insurance contract or possible fraud. The insurer shall accept a request for verification made on an approved form or any facsimile or electronic copy of such request and any accompanying authorization signed by the viator. Failure by the insurer to meet its obligations under this subsection shall be a violation of subsection (c), section eleven of this article and section sixteen of this article.

(5) Prior to or at the time of execution of the viatical settlement contract, the viatical settlement provider shall obtain a witnessed document in which the viator consents to the viatical settlement contract, represents that the viator has a full understanding of the viatical settlement contract, that he or she has a full understanding of the benefits of the life insurance policy, acknowledges that he or she is entering into the viatical settlement contract freely and voluntarily and, for persons with a terminal or chronic illness or condition, acknowledges that the insured has a terminal or chronic illness and that the terminal or chronic illness or condition was diagnosed after the life insurance policy was issued.

(6) If a viatical settlement broker performs any of these activities required of the viatical settlement provider, the provider is deemed to have fulfilled the requirements of this section.

(b) All medical information solicited or obtained by any licensee shall be subject to the applicable provisions of state law relating to confidentiality of medical information.

(c) All viatical settlement contracts entered into in this state shall provide the viator with an absolute right to rescind the contract before the earlier of sixty calendar days after the date upon which the viatical settlement contract is executed by all parties or thirty calendar days after the viatical settlement proceeds have been sent to the viator as provided in subsection (e) of this section. Rescission by the viator may be conditioned upon the viator both giving notice and repaying to the viatical settlement provider within the rescission period all proceeds of the settlement and any premiums, loans and loan interest paid by or on behalf of the viatical settlement provider in connection with or as a result of the viatical settlement. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment to the viatical settlement provider or purchaser of all viatical settlement proceeds, any premiums, loans and loan interest that have been paid by the viatical settlement provider or purchaser, which shall be paid within sixty calendar days of the death of the insured. In the event of any rescission, if the viatical settlement provider has paid commissions or other compensation to a viatical settlement broker in connection with the rescinded transaction, the viatical settlement broker shall refund all such commissions and compensation to the viatical settlement provider within five business days following receipt of written demand from the viatical settlement provider, which demand shall be accompanied by either the viator's notice of rescission if rescinded at the election of the viator, or notice of the death of the insured if rescinded by reason of the death of the insured within the applicable rescission period.

(d) The viatical settlement provider shall instruct the viator to send the executed documents required to effect the change in ownership, assignment or change in beneficiary directly to the independent escrow agent. Within three business days after the escrow agent receives the document or, if the viator erroneously provides the documents directly to the provider, after the viatical settlement provider receives the documents, the provider shall pay or transfer the proceeds of the viatical settlement into an escrow or trust account maintained in a state or federally chartered financial institution whose deposits are insured by the Federal Deposit Insurance Corporation (FDIC). Upon payment of the settlement proceeds into the escrow account, the escrow agent shall deliver the original change in ownership assignment or change in beneficiary forms to the viatical settlement provider or related provider trust or other designated representative of the viatical settlement provider. Upon the escrow agent's receipt of the acknowledgment of the properly completed transfer of ownership, assignment or designation of beneficiary from the insurance company, the escrow agent shall pay the settlement proceeds to the viator.

(e) Failure to tender consideration to the viator for the viatical settlement contract within the time set forth in the disclosure pursuant to subdivision (7), subsection (a), section eight

of this article renders the viatical settlement contract voidable by the viator for lack of consideration until the time consideration is tendered to and accepted by the viator. Funds shall be deemed sent by a viatical settlement provider to a viator as of the date that the escrow agent either releases funds for wire transfer to the viator or places a check for delivery to the viator via United State Postal Service or other nationally recognized delivery service.

(f) Contacts with the insured for the purpose of determining the health status of the insured by the viatical settlement provider or viatical settlement broker after the viatical settlement has occurred shall only be made by the viatical settlement provider or broker licensed in this state or its authorized representatives and shall be limited to once every three months for insureds with a life expectancy of more than one year, and to no more than once per month for insureds with a life expectancy of one year or less. The provider or broker shall explain the procedure for these contacts at the time the viatical settlement contract is entered into. The limitations set forth in this subsection shall not apply to any contacts with an insured for reasons other than determining the insured's health status. Viatical settlement providers and viatical settlement brokers shall be responsible for the actions of their authorized representatives.

§33-13C-11. Prohibited practices.

(a) It is a violation of this article for any person to enter into a viatical settlement contract at any time prior to the application for or issuance of a policy that is the subject of a viatical settlement contract or within a five-year period commencing with the date of issuance of the insurance policy or certificate unless the viator certifies to the viatical settlement provider that one or more of the following conditions have been met within the five-year period after issuance of the policy or certificate:

(1) The policy was issued upon the viator's exercise of conversion rights arising out of a group or individual policy, provided the total of the time covered under the conversion policy plus the time covered under the prior policy is at least sixty (60) months. The time covered under a group policy shall be computed without regard to any change in insurance carriers, provided the coverage has been continuous and under the same group sponsorship;

(2) The viator certifies and submits independent evidence to the viatical settlement provider that one or more of the following conditions have been met within that five-year period:

(A) The viator or insured is terminally or chronically ill;

(B) The viator's spouse dies;

(C) The viator divorces his or her spouse;

(D) The viator retires from full-time employment;

(E) The viator becomes physically or mentally disabled and a physician determines that the disability prevents the viator from maintaining full-time employment; or

(F) A court of competent jurisdiction enters a final order, judgment or decree on the application of a creditor of the viator and adjudicates the viator bankrupt or insolvent or approves a petition seeking reorganization of the viator or appoints a receiver, trustee or liquidator to all or a substantial part of the viator's assets; or

(3) The viator enters into a viatical settlement contract more than two years after the date of issuance of a policy and, at all times during that two-year period, all of the following conditions are true with respect to the policy;

(A) Policy premiums have been funded exclusively with unencumbered assets, including an interest in the life insurance policy being financed only to the extent of its net cash surrender value, provided by, or fully recourse liability incurred by, the insured on a person described in subparagraph (iv), paragraph (C), subdivision (13), section two of this article;

(B) There is no agreement or understanding with any other person to guarantee any such liability or to purchase, or stand ready to purchase, the policy, including through an assumption or forgiveness of the loan; and

(C) Neither the insured nor the policy has been evaluated for settlement.

(b) Copies of the independent evidence described in subdivision (2), subsection (a) of this section and documents required by subsection (a), section ten of this article shall be submitted to the insurer when the viatical settlement provider or other party entering into a viatical settlement contract with a viator submits a request to the insurer for verification of coverage. The copies shall be accompanied by a letter of attestation from the viatical settlement provider that the copies are true and correct copies of the documents received by the viatical settlement provider.

(c) If the viatical settlement provider submits to the insurer a copy of the owner or insured's certification described in and the independent evidence required by subdivision (2), subsection (a) of this section when the provider submits a request to the insurer to effect the transfer of the policy or certificate to the viatical settlement provider, the copy shall be deemed to conclusively establish that the viatical settlement contract satisfies the requirements of this section and the insurer shall timely respond to the request.

(d) No insurer may, as a condition of responding to a request for verification of coverage or effecting the transfer of a policy pursuant to a viatical settlement contract, require that the viator, insured, viatical settlement provider or viatical settlement broker sign any forms, disclosures, consent or waiver form that has not been expressly approved by the commissioner for use in connection with viatical settlement contracts in this state.

(e) Upon receipt of a properly completed request for change of ownership or beneficiary of a policy, the insurer shall respond in writing within thirty calendar days with written acknowledgment confirming that the change has been effected or specifying the reasons why the request change cannot be processed. The insurer shall not unreasonably delay effecting change of ownership or beneficiary and shall not otherwise seek to interfere with any viatical settlement contract lawfully entered into in this state.

§33-13C-12. Prohibited practices and conflicts of interest.

(a) With respect to any viatical settlement contract or insurance policy, no viatical settlement broker knowingly shall solicit an offer from, effectuate a viatical settlement with or make a sale to any viatical settlement provider, viatical settlement purchaser, financing entity or related provider trust that is controlling, controlled by or under common control with such viatical settlement broker.

(b) With respect to any viatical settlement contract or insurance policy, no viatical settlement provider knowingly may enter into a viatical settlement contract with a viator, if, in connection with such viatical settlement contract, anything of value will be paid to a viatical settlement broker that is controlling, controlled by or under common control with such viatical settlement provider or the viatical settlement purchaser, financing entity or related provider trust that is involved in such viatical settlement contract.

(c) A violation of subsection (a) or (b) of this section shall be deemed a fraudulent viatical settlement act.

(d) No viatical settlement provider shall enter into a viatical settlement contract unless the viatical settlement promotional, advertising and marketing materials, as may be prescribed by rule, have been filed with the commissioner. In no event shall any marketing materials expressly reference that the insurance is "free" for any period of time. The inclusion of any reference in the marketing materials that would cause a viator to reasonably believe that the insurance is free for any period of time shall be considered a violation of this article.

(e) No life insurance producer, insurance company, viatical settlement broker or viatical settlement provider shall make any statement or representation to the applicant or policyholder in connection with the sale or financing of a life insurance policy to the effect that the insurance is free or without cost to the policyholder for any period of time unless provided in the policy.

§33-13C-13. Advertising for viatical settlements.

(a) The purpose of this section is to provide prospective viators with clear and unambiguous statements in the advertisement of viatical settlements and to assure the clear, truthful and adequate disclosure of the benefits, risks, limitations and exclusions of any viatical settlement contract. This purpose is intended to be accomplished by the establishment of guidelines and standards of permissible and impermissible conduct in the advertising of viatical settlements to assure that product descriptions are presented in a manner that prevents unfair, deceptive or misleading advertising and is conducive to accurate presentation and description of viatical settlements through the advertising media and material used by viatical settlement licensees.

(b) This section shall apply to any advertising of viatical settlement contracts or related products or services intended for dissemination in this state, including Internet advertising viewed by persons located in this state. Where disclosure requirements are established pursuant to federal regulation, this section shall be interpreted so as to minimize or eliminate conflict with federal regulation wherever possible.

(c) Every viatical settlement licensee shall establish and at all times maintain a system of control over the content, form and method of dissemination of all advertisements of its contracts, products and services. All advertisements, regardless of by whom written, created, designed or presented, shall be the responsibility of the viatical settlement licensees, as well as the individual who created or presented the advertisement. A system of control shall include regular routine notification, at least once a year, to agents and others authorized by the viatical settlement licensee who disseminates advertisements of the requirements and procedures for approval prior to the use of any advertisements not furnished by the viatical settlement license.

(d) Advertisements shall be truthful and not misleading in fact or by implication. The form and content of an advertisement of a viatical settlement contract shall be sufficiently complete and clear so as to avoid deception. It shall not have the capacity or tendency to mislead or deceive. Whether an advertisement has the capacity or tendency to mislead or deceive shall be determined by the commissioner from the overall impression that the advertisement may be reasonably expected to create upon a person of average education or intelligence within the segment of the public to which it is directed.

(e) The information required to be disclosed under this section shall not be minimized, rendered obscure, or presented in an ambiguous fashion or intermingled with the text of the advertisement so as to be confusing or misleading.

(1) An advertisement shall not omit material information or use words, phrases, statements, references or illustrations if the omission or use has the capacity, tendency or effect of misleading or deceiving viators as to the nature or extent of any benefit, loss covered, premium payable or state or federal tax consequence. The fact that the viatical settlement contract offered is made available for inspection prior to consummation of the sale, or an

offer is made to refund the payment if the viator is not satisfied or that the viatical settlement contract includes a "free look" period that satisfies or exceeds legal requirements, does not remedy misleading statements.

(2) An advertisement shall not use the name or title of a life insurance company or a life insurance policy unless the advertisement has been approved by the insurer.

(3) An advertisement shall not state or imply that interest charged on an accelerated death benefit or a policy loan is unfair, inequitable or in any manner an incorrect or improper practice.

(4) The words "free", "no cost", "without cost", "no additional cost", "at no extra cost" or words of similar import shall not be used with respect to any benefit or service unless true. An advertisement may specify the charge for a benefit or a service or may state that a charge is included in the payment or use other appropriate language.

(5) Testimonials, appraisals or analysis used in advertisements must be genuine; represent the current opinion of the author; be applicable to the viatical settlement contract product or service advertised, if any; and be accurately reproduced with sufficient completeness to avoid misleading or deceiving prospective viators as to the nature or scope of the testimonials, appraisals or analysis, a licensee under this article makes as its own all the statements contained therein, and the statements are subject to all the provisions of this section.

(A) If the individual making a testimonial, appraisal, analysis or an endorsement has a financial interest in the party making use of the testimonial, appraisal, analysis or endorsement, either directly or through a related entity as a stockholder, director, officer, employee or otherwise, or receives any benefit directly or indirectly other than required union scale wages, that fact shall be prominently disclosed in the advertisement.

(B) An advertisement shall not state or imply that a viatical settlement contract benefit or service has been approved or endorsed by a group of individuals, society, association or other organization unless that is the fact and unless any relationship between an organization and the viatical settlement licensee is disclosed. If the entity making the endorsement or testimonial is owned, controlled or managed by the viatical settlement licensee, or receives any payment or other consideration from the viatical settlement licensee for making an endorsement or testimonial, the fact shall be disclosed in the advertisement.

(C) When an endorsement refers to benefits received under a viatical settlement contract all pertinent information shall be retained for a period of five years after its use.

(f) An advertisement shall not contain statistical information unless it accurately reflects recent and relevant facts. The course of all statistics used in an advertisement shall be identified.

(g) An advertisement shall not disparage insurers, viatical settlement providers, viatical settlement brokers, viatical settlement investment agents, insurance producers, policies, services or methods of marketing.

(h) The name of the viatical settlement licensee shall be clearly identified in all advertisements about the licensee or its viatical settlement contract, products or services, and if any specific viatical settlement contract is advertised, the viatical settlement contract shall be identified either by form number or some other appropriate description. If an application is part of the advertisement, the name of the viatical settlement provider shall be shown on the application.

(i) An advertisement shall not use a trade name, group designation, name of the parent company of a viatical settlement licensee, name of a particular division of the viatical settlement licensee, service mark, slogan, symbol or other device or reference without disclosing the name of the viatical settlement licensee, if the advertisement would have the capacity or tendency to mislead or deceive as to the true identity of the viatical settlement licensee, or to create the impression that a company other than the viatical settlement licensee would have any responsibility for the financial obligation under a viatical settlement contract.

(j) An advertisement shall not use any combination of words, symbols or physical materials that by their content, phraseology, shape, color or other characteristics are so similar to a combination of words, symbols or physical materials used by a government program or agency or otherwise appear to be of such a nature that they tend to mislead prospective viators into believing that the solicitation is in some manner connected with a government program or agency.

(k) An advertisement may state that a viatical settlement licensee is licensed in the state where the advertisement appears, provided it does not exaggerate that fact or suggest or imply that competing viatical settlement licensees may not be so licensed. The advertisement may ask the audience to consult the licensee's website or contact the department of insurance to find out if the state requires licensing and, if so, whether the viatical settlement provider or viatical settlement broker is licensed.

(l) An advertisement shall not create the impression that the viatical settlement provider, its financial condition or status, the payment of its claims or the merits, desirability, or advisability of its viatical settlement contracts are recommended or endorsed by any government entity.

(m) The name of the actual licensee shall be stated in all of its advertisements. An advertisement shall not use a trade name, any group designation, name of any affiliate or controlling entity of the licensee, service mark, slogan, symbol or other device in a manner that would have the capacity or tendency to mislead or deceive as to the true identity of the actual licensee or create the false impression that an affiliate or controlling entity would have any responsibility for the financial obligation of the licensee.

(n) An advertisement shall not, directly or indirectly, create the impression that any division or agency of the state or of the United States government endorses, approves or favors:

(1) Any viatical settlement licensee or its business practices or methods of operation;

(2) The merits, desirability or advisability of any viatical settlement contract;

(3) Any viatical settlement contract; or

(4) Any life insurance policy or life insurance company.

(o) If the advertiser emphasizes the speed with which the viatication will occur, the advertising must disclose the average time frame from completed application to the date of offer and from acceptance of the offer to receipt of the funds by the viator.

(p) If the advertising emphasizes the dollar amounts available to viators, the advertising shall disclose the average purchase price as a percent of face value obtained by viators contracting with the licensee during the past six months.

§33-13C-14. Fraud prevention and control.

(a) Fraudulent viatical settlement acts, interference and participation of convicted felons prohibited. --

(1) A person shall not commit a fraudulent viatical settlement act.

(2) A person shall not knowingly or intentionally interfere with the enforcement of the provisions of this article or investigations of suspected or actual violations of this article.

(3) A person in the business of viatical settlements shall not knowingly or intentionally permit any person convicted of a felony involving dishonesty or breach of trust to participate in the business of viatical settlements.

(b) Fraud warning required. --

(1) Viatical settlement contracts and applications for viatical settlements, regardless of the form of transmission shall contain the following statement or a substantially similar statement:

"Any person who knowingly presents false information in an application for insurance or viatical settlement contract is guilty of a crime and may be subject to fines and confinement in prison."

(2) The lack of a statement as required in subdivision (1) of this subsection does not constitute a defense in any prosecution for a fraudulent viatical settlement act.

(c) (1) Any person engaged in the business of viatical settlements having knowledge or a reasonable suspicion that a fraudulent viatical settlement act is being, will be or has been committed shall provide such information to the commissioner.

(2) Any other person having knowledge or a reasonable belief that a fraudulent viatical settlement act is being, will be or has been committed may provide to the commissioner the information required by, and in a manner prescribed by, the commissioner.

(d) (1) No civil liability shall be imposed on and no cause of action shall arise from a person's furnishing information concerning suspected, anticipated or completed fraudulent viatical settlement acts or suspected or completed fraudulent insurance acts if the information is provided without actual malice and is provided to or received from:

(A) The commissioner or the commissioner's employees, agents or representatives;

(B) Federal, state or local law enforcement or regulatory officials or their employees, agents or representatives;

(C) A person involved in the prevention and detection of fraudulent viatical settlement acts

or that person's agents, employees or representatives;

(D) The National Association of Insurance Commissioners (NAIC), National Association of Securities Dealers (NASD), the North American Securities Administrators Association (NASAA), or their employees, agents or representatives, or other regulatory body overseeing life insurance, viatical settlements, securities or investment fraud; or

(E) The life insurer that issued the life insurance policy covering the life of the insured.

(2) A person furnishing information pursuant to subdivision (1) of this subsection shall be entitled to an award of attorney's fees and costs if he or she is the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of activities in carrying out the provisions of this article and the party bringing the action was not substantially justified in doing so.
