- (c) Summary of changes to registration statement. -- All registration statements shall contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.
- (d) Materiality. -- Information need not be disclosed on the registration statement filed pursuant to subsection (b) of this section if such information is not material for the purpose of this section. Unless the commissioner by rule or order provides otherwise, sales,

purchases, exchanges, loans or extensions of credit, or investments, involving one half of one percent or less of an insurer's admitted assets as of December 31, next preceding shall not be deemed material for purposes of this section.

(e) Reporting of dividends to shareholders. -- Subject to subsection (c), section five of this article, each registered insurer shall report to the commissioner all dividends and other distributions to shareholders within fifteen business days following the declaration thereof.

(g) Termination of registration. -- The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.

(h) Consolidated filing. -- The commissioner may require or allow two or more affiliated insurers subject to registration hereunder to file a consolidated registration statement or consolidated reports amending their consolidated registration statement or their individual registration statements.

In the event of disallowance, the disclaiming party may request an administrative hearing, which shall be granted, and the commissioner shall disallow such a disclaimer only after furnishing all parties in interest with notice and opportunity to be heard and after making specific findings of fact to support such disallowance. The disclaiming party shall be relieved of its duty to register under this section if approval of the disclaimer has been granted by the commissioner, or if the disclaimer is deemed to have been approved.
