

WEST VIRGINIA CODE: §33-28-6

§33-28-6. Outline of coverage.

(a) In order to provide for full and fair disclosure in the sale of individual accident and sickness insurance policies or subscriber contracts of hospital, medical and dental service corporations, no such policy or subscriber contract shall be delivered or issued for delivery in this state unless:

(1) In the case of a direct response insurance product, the outline of coverage described in subsection (b) of this section accompanies the policy or subscriber contract; and

(2) In all other cases, the outline of coverage described in subsection (b) of this section is delivered to the applicant at the time application is made and an acknowledgment of receipt or certificate of delivery of such outline is provided the insurer or hospital, medical or dental service corporation with the application. In the event the policy or subscriber contract is issued on a basis other than that applied for, the outline of coverage properly describing the policy or subscriber contract must accompany the policy or subscriber contract when it is delivered and clearly state that it is not the policy or subscriber contract for which application was made.

(b) The commissioner shall, by promulgation of appropriate rules and regulations in accordance with chapter twenty-nine-a of the code, prescribe the format and content of the outline of coverage required by subsection (a) of this section. "Format" means style, arrangement and overall appearance, including such items as the size, color and prominence of type and the arrangement of text and captions. Such outline of coverage shall include:

(1) A statement identifying the applicable category or categories of coverage provided by the policy or subscriber contract as prescribed in section five of this article;

(2) A description of the principal benefits and coverage provided in the policy or subscriber contract;

(3) A statement of the exceptions, reductions and limitations contained in the policy or subscriber contract;

(4) A statement of the renewal provisions, including any reservation by the insurer or hospital, medical or dental service corporation of a right to change premiums; and

(5) A statement that the outline of coverage is a summary of the policy or subscriber contract issued or applied for and that the terms of the policy or subscriber contract should be consulted to determine governing contractual provisions.
