(b) If the commissioner finds, upon examination, hearing, or other evidence, that any captive insurance company has violated any provision of subsection (a) of this section, the commissioner may suspend or revoke such company's license if the commissioner deems it in the best interest of the public and the policyholders of such captive insurance company, notwithstanding any other provision of this title.

The commissioner may deny authorization or impose any limitations on the activities of a reinsurance pool, exchange or association that, in the commissioner's judgment, are necessary and proper to provide adequate security for the ceding captive insurance company and for the protection and consequent benefit of the public at large.

§33-31-20. Branch captive insurance company formation.

(a) A branch captive may be established in this state in accordance with the provisions of this article to write in this state only insurance or reinsurance of the employee benefit business of its parent and affiliated companies which is subject to the provisions of the federal Employee Retirement Income Security Act of 1974 and set forth in 29 U. S. C. § 1001, et seq., as amended. In addition to the general provisions of this article, the provisions of sections twenty-one through twenty-five, inclusive, of this article shall apply to branch captive insurance companies.

(b) No branch captive insurance company shall do any insurance business in this state unless it maintains the principal place of business for its branch operations in this state.

§33-31-21. Security required.

In the case of a branch captive insurance company, as security for the payment of liabilities attributable to the branch operations, the commissioner shall require that a trust fund, funded by an irrevocable letter of credit or other acceptable asset, be established and maintained in the United States for the benefit of United States policyholders and United States ceding insurers under insurance policies issued or reinsurance contracts issued or assumed by the branch captive insurance company through its branch operations. The amount of such security may be no less than the amount set forth in subdivision (1), subsection (a), section four of this article and the reserves on such insurance policies or such reinsurance contracts, including reserves for losses, allocated loss adjustment expenses, incurred but not reported losses and unearned premiums with regard to business written through the branch operations: Provided, That the commissioner may permit a branch captive insurance company that is required to post security for loss reserves on branch business by its reinsurer to reduce the funds in the trust account required by this section by the same amount so long as the security remains posted with the reinsurer. If the form of security selected is a letter of credit, the letter of credit must be established by, or issued or confirmed by, a bank chartered in this state or a member bank of the federal reserve system.

§33-31-22. Certificate of general good.

In the case of a captive insurance company licensed as a branch captive, the alien captive insurance company shall petition the commissioner to issue a certificate setting forth the commissioner's finding that, after considering the character, reputation, financial responsibility, insurance experience and business qualifications of the officers and directors of the alien captive insurance company, the licensing and maintenance of the branch operations will promote the general good of the state. The alien captive insurance company may register to do business in this state after the commissioner's certificate is issued.

§33-31-23. Reports.

Prior to March 1 of each year, or with the approval of the commissioner within sixty days after its fiscal year-end, a branch captive insurance company shall file with the commissioner a copy of all reports and statements required to be filed under the laws of the jurisdiction in which the alien captive insurance company is formed, verified under oath by its president and secretary. If the commissioner is satisfied that the annual report filed by the alien captive insurance company in its domiciliary jurisdiction provides adequate information concerning the financial condition of the alien captive insurance company, the commissioner may waive the requirement for completion of the captive annual statement for business written in the alien jurisdiction.

§33-31-24. Examination.

(a) The examination of a branch captive insurance company pursuant to section eight of this article shall be of branch business and branch operations only, so long as the branch captive insurance company annually provides to the commissioner a certificate of compliance, or its equivalent, issued by or filed with the licensing authority of the jurisdiction in which the branch captive insurance company is formed and demonstrates to the commissioner's satisfaction that it is operating in sound financial condition in accordance with all applicable laws and regulations of such jurisdiction.

(b) As a condition of licensure, the alien captive insurance company shall grant authority to the commissioner for examination of the affairs of the alien captive insurance company in the jurisdiction in which the alien captive insurance company is formed.
