(a) "Regulatory action level event" means, with respect to any insurer, any of the following events:

(2) The notification by the commissioner to an insurer of an adjusted RBC report that indicates the event in subdivision (1) of this subsection, provided the insurer does not challenge the adjusted RBC report under section seven of this article;

(5) The failure of the insurer to submit an RBC plan to the commissioner within the time period set forth in subsection (c), section three of this article;

(6) Notification by the commissioner to the insurer that:

(A) The RBC plan or revised RBC plan submitted by the insurer is, in the judgment of the commissioner, unsatisfactory; and

(B) Such notification constitutes a regulatory action level event with respect to the insurer, provided the insurer has not challenged the determination under section seven of this article;

(7) If, pursuant to section seven of this article, the insurer challenges a determination by the commissioner under subdivision (6) of this subsection, the notification by the commissioner to the insurer that the commissioner has, after a hearing, rejected such challenge;

(9) If, pursuant to section seven of this article, the insurer challenges a determination by the commissioner under subdivision (8) of this subsection, the notification by the commissioner to the insurer that the commissioner has, after a hearing, rejected the challenge.

(b) In the event of a regulatory action level event the commissioner shall:

(1) Require the insurer to prepare and submit an RBC plan or, if applicable, a revised RBC plan;

(2) Perform such examination or analysis as the commissioner deems necessary of the assets, liabilities and operations of the insurer including a review of its RBC plan or revised RBC plan; and

(3) Subsequent to the examination or analysis, issue an order specifying such corrective actions as the commissioner shall determine are required (a "corrective order").

(c) In determining corrective actions, the commissioner may take into account such factors as are deemed relevant with respect to the insurer based upon the commissioner's examination or analysis of the assets, liabilities and operations of the insurer, including, but not limited to, the results of any sensitivity tests undertaken pursuant to the RBC instructions. The RBC plan or revised RBC plan shall be submitted:

(1) Within forty-five days after the occurrence of the regulatory action level event;

(2) If the insurer challenges an adjusted RBC report pursuant to section seven of this article and the challenge is not frivolous in the judgment of the commissioner within forty-five days after the notification to the insurer that the commissioner has, after a hearing, rejected the insurer's challenge; or

(3) If the insurer challenges a revised RBC plan pursuant to section seven of this article and the challenge is not frivolous in the judgment of the commissioner, within forty-five days after the notification to the insurer that the commissioner has, after a hearing, rejected the insurer's challenge.

(d) The commissioner may retain actuaries and investment experts and other consultants as may be necessary in the judgment of the commissioner to review the insurer's RBC plan or revised RBC plan, examine or analyze the assets, liabilities and operations of the insurer and formulate the corrective order with respect to the insurer. The fees, costs and expenses relating to consultants shall be borne by the affected insurer or such other party as directed by the commissioner.
